Resolutions

Whereas, our moderator Mr. R. W. Boling, is finishing his two years of leadership in this capacity with the conclusion of this annual meeting, and

Whereas, the hosts churches, Salemburg and Judson, have entertained the Association in such a magnificent manner.

Therefore, be-it-resolved: that we express our appreciation to Mr. Boling for his strong direction and cooperative spirit among us in giving his time and abilities to the work of the Association; and to all other officers who have served as well and to the fine people and the pastors of the hosts churches for the delicious food and other refreshments provided for our comfort.

Whereas, it was our privilege to have Dr. Porter Routh, Executive Secretary of the Southern Baptist Convention, address our Association yesterday, and, whereas it is our privilege today to have Dr. C. C. Warren, Director of the 300,000 Movement, bring our concluding message.

Therefore, be it resolved that we express to them our appreciation for the contribution they have made in sharing with us both their information and inspiration.

Whereas, Mr. Robert Isner, President of Pineland College-Edwards Military Institute, presented a resolution from the Board of Trustees of Pineland College-Edwards Military Institute appealing to the New South River Baptist Association to consider the possibility of taking over the ownership of these schools and provide resources necessary for its future growth and development.

And whereas, Rev. E. C. Chamblee presented a resolution from the Pastors' Conference of the New South River Baptist Association asking that a study committee be appointed for the purpose of investigating fully and completely the offer from the Board of Trustees of Pineland College-Edwards Military Institute to turn the property of the schools over to the New South River Baptist Association, or a group of Associations.

And whereas, in the General Board meeting of the Baptist State Convention of North Carolina, on October 10, 1961, the sub-commit-

tee of the General Board, appointed to investigate the offer of the Board of Trustees of Pineland College-Edwards Military Institute to turn the schools over to the Baptist State Convention of North Carolina; made its report to the General Board to graciously decline the offer and this report was accepted by the General Board.

Now be it resolved (1) that the resolution from the Board of Trustees of Pineland College-Edwards Military Institute presented to the thirty-eighth annual session of the New South River Baptist Association at the Salemburg Baptist Church, October 11, 1961, be entered into the minutes of the Association as a matter of record. (2) That a study committee from the Association be appointed for the purpose of investigating fully and completely the offer of the Board of Trustees of Pineland College-Edwards Military Institute to turn over the schools to the New South River Baptist Association, or a group of Associations. (3) That this committee both in number and personnel be appointed by the moderator of the New South River Baptist Association. (4) That this committee make its report to the Association in a special meeting of the Association called by the moderator within six months.

Be it further resolved that we assure the Baptist State Convention of North Carolina that our decision to make a further study into this matter is not any attempt to form a non-conformist movement, nor to aggravate the good fellowship which we share with the rest of the convention. Let it be understood that the intent of this resolution is to determine if with new and added interest the churches of this Association and possibly neighboring Associations can support and operate Pineland College-Edwards Military Institute as a Baptist school with offerings which in the main would be over and above the present offerings.

* It is understood that in making its investigation the committee would seek to discover the interest which neighboring associations have in this matter.

REPORTS

Report on North Carolina Baptist Colleges

You will note that in giving a title to this report it has been defined as "Report on North Carolina Baptist Colleges." Such terms as "Christian Education," "Christian Higher Education," and "Baptist Colleges" are in common usage today. They are not exactly synonymous. We usually refer to Christian education in the broader sense, denoting every type of training and activity which we provide in our homes, churches, communities, schools, colleges, and seminaries for the purpose of Christian growth. Our goal then should be to provide our children from very birth with an environment that is totally Christian.

Such a concept requires that we make the training in our homes and churches Christian in every aspect as we prepare our youth for college. Many difficulties and failures in college could be solved and overcome if in the earlier years young people were spiritually prepared. It is imperative that the home, the church, and the college work in closest cooperation as a team, each fulfilling its particular responsibility.

But in this report we are more directly concerned (as the title indicates) with the role and ministry of our seven Baptist colleges—Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate.

It should be pointed out that in our homes and churches we are working almost entirely with boys and girls who are Baptists. Here we can present a Baptist witness with the sole purpose of indoctrination as well as of a Christian emphasis. We are, however, dealing in our colleges with a fine group of students from other than the Baptist denomination; therefore, the work in our colleges requires a somewhat different approach. The whole program of the Christian college must have a sound academic base, furthermore resting upon

and permeated by an unapologetic Christian philosophy. This Christian perspective calls for an openness and unhindered investigation of truth in the light of divine revelation. In no respect will this emphasis be harmful to the academic standards; in fact, such may well be an academic asset.

We are not satisfied to be only a good college, nor even a good *Christian* college. There must be the added characteristics which are distinctive to the Baptist faith. Herein is our reason for being. Our colleges should offer opportunity for a thorough study of Baptist history and doctrine to all its students. Perhaps such courses should be required by those who are in training for church-related vocational service.

State colleges, by their very nature, work under certain restrictions which prevent them from doing this task. Of all people, Baptists do not expect the state to teach religion in any form. We have said throughout our history that this is the responsibility of the church. Our state colleges must deal with the so-called secular emphasis in life, having education for education's sake as their goal. Into this vast sea of secular education, Baptists with our homes, churches, and colleges must witness to our faith as it relates not only to the means but also to the ultimate ends of life.

With this general concept of the Baptist colleges, our forefathers set about to provide colleges where Christian education would be provided not only for ministers and other church leaders, but for leadership in all areas of social activities. For more than seventy-five years after the opening of Wake Forest College, her presidents and supporters often opposed any colleges being operated by the state. Evidently, these men foresaw what has happened with much of higher education in America today. With a secular state providing a secular education, we are rapidly losing the early Christian education emphasis. Unless something is done quickly to change this trend in America, we can find little hope for our churches and our Christian homes. North Carolina Baptists have been pioneers in this effort to preserve Christian education. These efforts have met opposition from many sources, often from those who would be expected to be their strongest supporters. The struggle for these colleges as the hope of providing Christian education for young men and women must never stop if our Baptist people wish to have a significant role in shaping the kind of world we are to have. As go these Christian colleges, so will go our homes and our churches. There can be no Christian homes and churches in today's world when we cease to provide Christian education in Christian colleges.

The principal characteristic of a Christian college is to be found in the men and women who constitute its personnel—not in buildings and subject matter, or other non-personal features. These people in our colleges constitute the very fabric into which every worthwhile experience must be woven. These are the people who are determining largely the kind of Baptist denomination we shall have in the future. It is becoming increasingly difficult each year to secure these dedicated and well-trained people to work and teach in these colleges. They

are given no special considerations in costs of living or preparation for this work, but they must be willing to accept these responsibilities with salaries much lower than those paid in public schools and colleges. As Baptists, we must give serious thought to this important matter of providing people for operating our colleges. Perhaps we should make it possible for our most capable and promising young people to continue their education and prepare to become our teachers and leaders of tomorrow.

Now let's look at the young people who are living in these seven college communities for the greater part of the year. There are approximately 8,000 regular students enrolled, with another 2,000 who do special work and come for summer school. Two-thirds of these are Baptist young people and the other third are young people of other denominations. We are happy to help this group from the other churches because three-fourths of all Baptist youth in college are in other than Baptist colleges. We must never forget that three out of every four Baptist youth in college must look to some other college other than our seven Baptist colleges, and we are deeply concerned for their welfare also. This is why we must be careful to continue to provide a good ministry through the Baptist Student Union in all colleges along with and in addition to the work in our Baptist colleges. Also, we should never place requirements on those students of other denominations in our seven colleges which we would not want imposed on our Baptist youth attending other than Baptist colleges. These are important matters which are often overlooked by critics of our Baptist colleges. Of the Baptist students attending one of our seven colleges, one out of *eight* students is preparing either for the ministry or some other church-related vocation. Here we find our Baptist seed corn for the kind of Baptist harvest we may expect to reap in the future.

The annual operating budget of these seven colleges totals between eleven and twelve million dollars. Students pay some over half of this total, and Baptists, through the Cooperative Program, this last college year, paid over five per cent of the operating costs. In addition to these two sources, students and Baptists, other sources provided nearly one half the operating costs. Other sources include endowment income, net earnings from such auxiliary enterprises as dormitories, dining room, student centers, etc. In addition to these costs for operation, the seven colleges are spending several million dollars each year in expanding and improving their physical plants and equipment. For the last ten years, our Baptist people have provided an average of $500,000 each year to help with these capital outlay costs.

In these financial matters we have heard much discussion in recent years. The special Convention Committee of 21 members brought its report to the special session in Greensboro on May 4, and all the report and actions taken relate to this matter of trying to help these seven Baptist colleges, meet the growing needs of these young people. The proposals of the Committee and the recommendations adopted by the Convention are aimed at helping in both operating

costs and capital outlay or plant costs. The operating needs would be helped by freeing all the regular Cooperative Program funds for operation only, which would almost double the present five per cent, or give the colleges some $1,200,000 each year to aid in operation. The special Convention approved this idea by adopting a Program of Advance for the next three years, 1961-64, through the Cooperative Program. The carrying out of the proposed program in full plant expansion and improvements and nearly $1,000,000 for new student centers in other colleges for our Baptist youth. Also, the colleges are urged to continue their special fund raising efforts from every source other than in the Baptist churches. At no time in their history has there been greater interest in the importance of the work of these colleges among our Baptist people and all of us should join in this significant undertaking. As Baptists, we have different opinions as to how we may best proceed to do our work, but of greatest importance is the fact that we recognize the needs and set about doing something to meet them. Now what can you do to help?

(1) Be informed and concerned. Read about our colleges, visit them, become acquainted with the administration, faculty, and students.
(2) Encourage your best students to attend.
(3) Pray for these schools.
(4) Support the Cooperative Program, especially the Program of Advance.
(5) Promote and support Christian Education Day in your church.

For fifteen years North Carolina Baptists have coordinated the work of their colleges through a Council on Christian Education in our Baptist State Convention. This Council consists of representatives of our colleges, the General Board, and our Convention officers. Throughout these fifteen years Claude F. Gaddy has been the executive secretary. Last January he announced his plans to retire from this position and did so on July 31, 1961. In its July meeting, the Council on Christian Education recommended the election of Mr. A. Harold Cole as its executive secretary, and the General Board officially elected Mr. Cole. For four years he has served as director of our Department of Baptist Student Work in our Convention, and comes to this new position well prepared and as no stranger to North Carolina Baptists.

Robert B. Isner

Report on Baptist Children's Homes

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children, who, for some reason, have found it necessary to live away from their homes.

Your child care ministry is child centered, Christ centered, and

Church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self, and trust in God.

Boys and girls live at Mills Home, Kennedy Home, and Odum Homes. One hundred twenty-five children live in Christian Foster Homes throughout the state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Homes care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources:

Thanksgiving Offering	33 Per Cent
Cooperative Program	32 Per Cent
Once-a-Month Offerings	18 Per Cent
Special Gifts and Endowment	17 Per Cent

Members of the Board of Trustees, members of the staff, and our boys and girls wish to thank you for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation, guidance, music, and hundreds of other benefits.

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is $400,000. Help this to become a reality!

You may stay informed about the child care program throughout the year by reading *Charity and Children.* This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year, and circulation is higher than ever before—well over 52,000. Every family in every church should receive this Christian newspaper.

Report on the Homes for the Aging

The Homes for the Aging are now in their eleventh year. The past year has been a great one.

There has been an increase in the offerings for this phase of our work during the past year of around 5%, and an increase of 26 to the number of residents.

One of the greatest blessings to the Homes has been the appointment of Mr. C. O. Weaver of Greensboro, as Business Administrator. This dedicated layman is serving with great ability and insight.

One of the most wonderful gifts ever made to the Homes is now coming into fruition. It is the handsome duplex apartment made possible through the generosity of Miss Roxie Sides of Winston-Salem.

There are now at this present time twenty-six applications for admission to the Homes, and the need is very great.

The Hamilton Home is now nearing completion, and will soon be open for occupancy. This will relieve the situation to a wonderful degree.

As Chairman of this Committee in our Association, I beseech you to do your best for this worthy cause.

J. M. Gibbs

Report on Vacation Bible School

The New South River Associational Bible School Clinic was held on Monday, April 24, 1961, at the Cedar Creek Baptist Church. This was one of the largest clinics ever held in the Association. There were 345 people present, representing 54 churches.

During the afternoon and evening sessions we were very fortunate to have such fine capable leaders for the various conferences. Rev. Richard Smith of the Sunday School Department in Raleigh led the principals and general officers department and the general session. In addition to the usual departments, Rev. Horace Jones led the music department, which was very well attended. The Rev. T. C. Williams, Jr., LaGrange, brought a creative activity display for the second year —which drew large groups. The Baptist Book Store sent a display and orders were taken by Rev. Ed. Bullock. We were greatly benefited this year by having two workers from outside our Association: Miss Jo Ann King, who works with the First Baptist Church, Lumberton, leading the Nursery Department, and Mrs. Dewey Robbins from Winnabow, who led the Beginner Department.

During the summer a total of 64 church schools and 10 mission Bible Schools were held, a total of 74.

The missions were conducted by Mr. Jim Langford, and Mr. Frank Dietz, both fine aggressive leaders, dependable, friendly, and capable. These schools were: Roseboro Mission, sponsored by First Church, Roseboro; Mt. Pisgah Mission, sponsored by Mt. Pisgah Church; Cape Fear Mission, sponsored by Lebanon Church; Frank's Trailer Park, sponsored by the First Church of Spring Lake; Haevener Acres Mission, sponsored by Bonnie Doone Church; Pinecrest Acres, sponsored by Eureka Church; Williams Heights Mission; Eutaw Heights Baptist Chapel; Carolina Pines Trailer Park; Powell Tabernacle; Faymont; and Long Branch Church.

A fine spirit of cooperation was shown by all churches in their schools and in their reports. This year we had 7 churches reporting they had Standard Schools—Cedar Falls, Clement, Snyder Memorial, Walstone, Mingo, Mount Elam, and First, Spring Lake.

We also had 10 reporting AA Bible Schools: Bonnie Doone;

Report on State Missions

It is always a privilege to give a report on State Missions, though the response for State Missions from our Churches is not in proportion to the need or the value of this work within our Convention Territory.

The August 26, 1961, issue of the *Biblical Recorder* gives in simplest terms the picture of State Missions and its task. The Editorial "State Missions is People"—we read:

"State Missions is children of military personnel going to Vacation Bible School under a tent at Fort Bragg. It is providing a ministry to confused and mixed-up young girls at Samarcand Manor. It is building bridges of understanding and co-operation with our Negro Baptist brethren. It is giving serious-minded preachers a chance to go to school at Fruitland, even though they are 40 or 50 years old, and not in a position to go to college or seminary. It is teaching adults to read in the Western North Carolina mountains.

State Missions is giving assistance to struggling little congregations dreaming of the day when a lot can be purchased on which to build a church. It is working with Indians, with the Japanese-born wives of servicemen stationed in North Carolina, and with the silent who long to become mature Christians like their hearing friends. It is visiting lonely patients in a tuberculosis sanatorium.

State Missions is all of these—and more. Space does not permit a complete portrayal of the more than 30 phases of the State Mission Program. These ministries are worthy of better support. In recent years as other special offerings have grown, State Missions has not enjoyed the increased support that it deserves and must have."

With the growing realization of the urgency of the "30,000" movement of our Southern Baptist Convention, and the impact that would be felt within the bounds of our own State; a more solid financial support to the Program of State Missions is encouraged. Individuals of many areas and communities will then be able to rejoice in the fact that "others do care" that the Word be shared with those who otherwise would not know our Saviour.

Respectfully submitted,
Charles A. Stevens

Report on Sunday School

Southern Baptists are engaged in a Crusade to reach more of the unreached for Bible study and preaching services, that they may be won to Christ and to his service.

This has been the ultimate aim of the group who make up the Associational Sunday School Organization this year. Much effort has been put forth to improve the worker and the quality of work produced in the local Sunday School. The number one purpose in mind was that of helping each Sunday School to become a better Bible teaching, soul winning institution in the Kingdom of God.

Now as the results or "fruits of labor" in the aim or purpose of the organization, the group would be first to say that, not all was accomplished that was hoped and planned for. Mistakes were made in what was undertaken. Many worthy objects were not undertaken that would have been quite constructive to the Sunday School work. However, as the year comes to a close, and a close look is taken of the projects undertaken, one cannot but feel that it was a most successful Associational Sunday School Year.

For one thing, our Associational Bible School Superintendent led the Association through one of the most successful, well attended Bible School Clinics that has ever been held in our Association.

Also, the organization has criss-crossed the Association several times this year with their meetings, thereby introducing the work and availability of the group to the churches who were apparently not too conscious of this service. The general feeling of the group is that this should have profound effect upon the work.

Then, the kind of programs offered were of tremendous value. For instance, in November the program of "Training Literature" was offered. Following the conference period, the superintendent of training did a marvelous job of challenging all to become better trained workers. In January the group offered the subject, "Evangelism—Soul Winning Through the Sunday School." This subject is appropriate at any meeting of this nature. In February, the group went, by special invitation to Spring Lake to conduct a clinic for "Class Officers and Teachers." The Association was invited to this meeting. Many favorable comments came from this special meeting.

One of the "Highlights" of the year, the group felt, was the March meeting. This meeting featured "Audio-Visual Aids." The Program Services Department of our North Carolina Baptist State Convention, under the direction of Rev. Jimmy Morris, came and held a clinic—displaying and demonstrating many Audio-Visual Aids. Proper value cannot be placed on this meeting.

Another meeting, that can hardly be equalled in importance, was held in May; at which time our nursery superintendent equipped a beginner department with appropriate furniture, and gave a demonstration on how best to work with the young age groups—older nursery through primary.

The last of the regularly scheduled meetings was held in July,

at which time the theme of "Weekly Officers and Teachers Meeting" was offered.

The group met again in September to lay plans for the new year's work.

Report on Home Missions

The Home Mission Board of the Southern Baptist Convention is now serving in all of the United States, including Alaska and Hawaii, and in Cuba, Panama, and the Canal Zone. The Board, at the close of 1960, had 2,035 missionaries. In addition, it employed 525 summer student workers and 200 tentmakers during the summer of 1960.

There are 431 active chaplains; 676 reserve chaplains; 92 Air Patrol; 51 in Veteran's Hospitals; 99 in other hospitals; 73 in institutional ministries; and 10 in industrial plants.

There are 2,335 Southern Baptist Churches in areas not served by the Home Mission Board in 1940. About 15 new associations are being organized annually, and the Board is seeking to render a special ministry to these new associations. An average of 48 missionaries were appointed monthly in 1960, exclusive of summer workers and chaplains.

We submit the following highlights from the One Hundred Sixteenth Annual Report of the Home Mission Board:

1. A major share of the personnel and resources of the Home Mission Board are used in 30 states of the northern and western sections of the nation. Our Missions Division spends more than 62 per cent of its budget in this work.

2. The growth of new churches and missions has been greatly accelerated by the 30,000 Movement. The latest report by Dr. C. C. Warren showed 11,817 started by January 1, 1961.

3. Financial undergirding for church extension has come through a strengthening of the Mission Board's church site fund, a waiving of interest for 2½ years on site loans, and an allocation of $250,000.00 from the Annie Armstrong Offering of 1961.

4. The combined efforts of the denomination, led by the Mission Board, will be on church extension in 1962, with goals to start 6,000 churches and missions. To begin this big effort, more than 800 student missionaries were enlisted in 1961.

5. Baptists of Hawaii have asked the Evangelism Division for assistance, and other home mission programs will be started on these islands when requested. A survey of Puerto Rico is being made by the Home Board of needs and opportunities among the island's 2½ million inhabitants. Despite limitations of travel between the United States and Cuba, Baptist work continues to grow on the island. In Southern Baptist revivals, there were 5,116 conversions, and gifts to the churches increased by 20 per cent.

6. A home mission budget in excess of $4 million (60 per cent

from the Annie Armstrong Offering) supported 2,035 missionaries during the past year, the largest number ever employed in mission work in the United States, Cuba, and Panama. These workers reported 51,463 baptisms.

7. Despite a record force, urgent personnel needs were announced by Dr. Glendon McCullough, personnel secretary. "We need more than 250 workers now to fill requests, some vacant for two years because qualified personnel have not been found," he said.

Our hearts are warmed by these reports of the work of our Home Mission Board. In these dark days of international crises. Southern Baptists must lift the Banner of Christ to new heights. Our Home Mission Board is doing a most creditable work in this connection. Certainly, every Southern Baptist will support our Home Mission Board in every possible way.

John Robinson

Report on Annuity Board

The official name of the Relief and Annuity Board is now *Annuity Board of the Southern Baptist Convention.* Deletion of the words "Relief and" from the title was approved at the 1960 Southern Baptist Convention in Miami, and made official in March of this year, when trustees of the Board voted to change the charter to incorporate the new name. All Southern Baptists are urged to use the Board's new name.

New Members in all the Annuity Board's plans during 1960 increased by nine per cent over 1959, with the largest increase, 2,053 in the Southern Baptist Protection Plan.

On April 1, 1961, six states had enrolled more than 70 per cent of their churches and pastors in the protection program. Average participation of all states was 63 per cent.

In North Carolina there was 71 per cent of the churches contributing through the Cooperative Program enrolled in one of the Retirement plans as of September 1, 1960. During 1960, the Annuity Board concentrated its efforts toward reaching a minimum of 75 per cent of the potential (that is, churches sharing in the Cooperative Program) participating in the Board's protection program by January 1, 1961. The results of this goal are not available.

As we close the 1960-61 New South River Associational Year, our record shows 30 of the 70 churches participating in some phase of the Board's protection program. This is a gain of 4 churches when compared to the 26 which were reported last year. The Association provides for the missionary in this program also. According to our records, 40 churches of the Association do not participate in the Board's program. This should be of great concern to the churches which do not have a part in this most valuable protection program.

Field Work, or promotion of the Annuity Board Program, is administered by 15 field representatives now serving 22 states of the

Southern Baptist Convention. The continued increases in new members in the Board's protection program in recent years can definitely be attributed to the work of education and promotion being carried out by these men within the local churches and associations.

Rev. R. T. Greene, field representative for North Carolina has an office in the Baptist Building, 301 Hillsboro Street, Raleigh, North Carolina. He conducted a Regional Clinic at Whiteville last spring, which was attended by your Missionary and Annuity Board Representative for the Association.

The Brotherhood Department is responding to the opportunity to aid in promotion of the Annuity Board Program. A 35 mm filmstrip "Outstretched Hands" is available through the Associational Missionary's office. A variety of tracts and pamphlets are available for educational purposes. Any church or pastor who is interested in the program is urged to contact the Associational Missionary or the Annuity Board Representative of the Association.

Protection Provided for pastors is essential to present and future plans of local churches. Each church should be concerned enough to learn more about the Protection Plan, and provide for its pastor. The words of our North Carolina Annuity Program, "Every Pastor Deserves It, Every Church Needs It," should cause each church and each pastor to become mutually concerned about this important matter. It is the sure way to see that every pastor has this vital protection, which covers disability, death, and retirement. The church is protected as well as the pastor, because neither will have the burden of support when the need arises.

Respectfully submitted,
Charles T. Fulbright,
Representative Annuity Board

Report on North Carolina Baptist Hospital

Last year was the busiest year in the history of our Baptist Hospital. Provisions were made for the largest number of days of hospital care, and the largest number of patients visited the Clinics—78,000 visits to the Out-Patient Clinics, coming from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

The new Progressive Care Unit was opened in March, providing 80 beds for patients who do not require the more expensive and extensive care of the regular hospital.

Our Hospital is doing a great work, but it is handicapped to some extent, for lack of funds. We are overcrowded and seriously limited in the Out-Patient Department, Children's Center, and Psychiatry section of the Hospital. The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We need to urge the importance of this Fund, and the urgency for our churches to enlarge their Mother's Day Offerings.

This year we had a goal of $6,250.00 for the New South River

Association, which was a slight increase over the offerings of last year. As of September 1, 1961, we had reported a total of $5,374.38. This was an increase of $368.61 over last year. While this is good, we have not yet reached our goal; which means that some one will not get the medical care needed, because we failed. Many churches have increased their Mother's Day Offering, for which we are deeply grateful; yet there are several churches reporting no offering for Mother's Day. Let us pray that these churches may join the others, and that all working together will make this Offering worthy of the name, Mother's Day Offering.

Respectfully submitted,
R. E. Langdon

Report of Woman's Missionary Union

The Woman's Missionary Union has organizations in 69 of the 71 churches in the New South River Association. It is our desire to have a full graded W. M. U. in all of our churches.

We have the following enrollment and special Offerings:

State Missions	$ 1,845.61
Foreign Missions	12,932.77
Home Missions	3,796.46
Heck-Jones	1,367.61

We held a Leadership Training Clinic with approximately 300 attending; two well attended Mission Study Institutes; G. A. Rally with 200 children present; co-sponsored R. A.-G. A. Camp with 190 children; Sunbeam Camp for eight year olds, with 71 attending. At the R. A.-G. A. Camp there were 44 dedications and professions of faith.

We feel that the quality of work in the W. M. U. organizations has been strengthened as well as an increase in numbers.

Respectfully submitted,
Mrs. T. E. Koontz, President

Report on Foreign Missions

"The missionary enterprise must go forward upon the prayers of God's people."—Baker J. Cauthen, Executive Secretary, Foreign Mission Board, SBC.

Thus begins the report of our Foreign Mission Board. Dr. Cauthen calls on Southern Baptists to *pray*—even before we give. The work of the World-wide Mission enterprise is heartening. Consider the following areas of this vast Kingdom investment:

MISSIONARY PERSONNEL: Many Places of Need—Appointments totaling 137 during 1960 and 31 from January to May, 1961, bring the number of foreign missionaries in active service to 1,500. The appointment goal for all of 1961 is 160. The Board expects to have 2,000 missionaries under appointment by the close of Baptist Jubilee Advance in 1964.

At the end of 1960, there were 786 urgent requests for new missionaries. Among the most pressing needs are those for people in field evangelism and church development, theological education,

nursing, student work, and religious education. "Strong emphasis must be made to the effect that we cannot take Advance for granted. It would be a dangerous thing indeed to assume that just because God had blessed us in the response of increasing numbers of those whom he has called, that somehow these ranks will continue to swell regardless of what we do."—Elmer S. West, Jr.

MISSIONARIES SERVE: 45 Countries—Southern Baptists now have missionaries in 45 countries and separate entities. Southern Baptists foreign missions reached out to three additional countries in 1960.

WORLD EVANGELIZATION: The Ultimate Goal—Mission work is carried on through a varying number of institutions on each mission field—churches, schools, hospitals, publication plants, good will centers. But all are interactive and the goal of each is evangelization. Whatever their institutional duties, all missionaries participate in work of the churches in their stations. National pastors number 2,447. The 3,399 churches and 6,522 chapels and mission points reported a Sunday School enrollment of 389,138. There were 31,107 baptisms during 1960, and church membership reached the 452,975 mark.

EDUCATION: Training National Leadership—Educational work not only offers opportunities for evangelism, but also trains a strong national leadership. The 1,023 Baptist Schools, which enroll 159,352 students, are served by 5,347 national and 299 missionary teachers.

MEDICAL WORK: Unlimited Opportunity for Soul-Winning—Medical mission institutions include 18 hospitals and 72 clinics and dispensaries with a total of 1,233 beds. There are 55 missionary and 78 national physicians, plus 60 missionary and 249 national nurses.

RECEIPTS: Advance must Continue—Total contributions of Southern Baptists for foreign missions amounted to $17,312,163.35 during 1960. Funds from the 1960 Lottie Moon Christmas Offering totaled $8,238,471.07. The advance section of the Cooperative Program (75 per cent of funds after Convention-wide budget is reached) came to $819,396.62 in 1960.

Report of the Associational Missionary

Your Associational Missionary has worked in by invitation or attended services or meetings in 54 churches and 6 mission chapels in our Association this year. He has personally touched the work of every one of the churches and missions in some way.

The cold statistics show the following totals:

Personal Conferences	438
Group Conferences	82
Meetings Attended	66
Miles Traveled on the Job	22,124

The Baptist State Convention expects us to help with the work in other areas of the state from time to time, and men in other areas then reciprocate by helping in our Association-wide efforts. These efforts carried us to Greensboro and Garland for Church-Community

Surveys, and to the North Roanoke, Chowan, and Buncombe Associations for Schools of Missions. In our capacity of Regional Sunday School Superintendent, we held conferences in New River, Eastern, Wilmington, Brunswick, Columbus, Bladen, Burnt Swamp, and Robeson Associations.

When your missionary came to this position, he was informed by the Missions Committee that he would be expected to take advantage of as many training opportunities as possible, so as to provide informed leadership for the Association. In keeping with this understanding, we attended both the Baptist State Convention sessions, and the Southern Baptist Convention. We attended an Evangelism Leadership Conference, the State Associational Missionaries' Workshop, a portion of the State Sunday School Leadership Clinic, Briefing meeting for the Homes for the Aging, the conference on Evangelism, the Vacation Bible School Clinic, Campus Visitation Day at Campbell College, a conference on Church Buildings, the Regional Brotherhood Convention, a 2½ week Church and Community Workshop at Emory University, and Home Mission Week at Ridgecrest.

Outstanding projects in the Association have been the Bible Teaching Clinic, the simultaneous revivals, the establishment of the Eutaw Heights Baptist Chapel, and the summer Mission Vacation Bible School Program.

The Bible Teaching Clinic held at Snyder Memorial Church in October reached an average attendance of 388 from 28 churches.

The Eutaw Heights Chapel, located at Cain and Scotty Hill Roads, began operations April 23, 1961, and has reached a Sunday School enrollment of 103, a church membership of 54, and has won to Christ a total of some 28 people to date.

Our Mission Bible School program was directed by student workers Jim Langford and Frank Deitz. A total of 12 schools were held, reaching an enrollment of 921 in all the schools. Our Association received a gift of $1,000.00 from Heck-Jones Offering funds to purchase equipment for these schools.

While we may report here the facts and figures about meetings and programs and activities, the real progress report on the missionary's work will be given in the reports of the various organizations of the Association, and in the progress noted in the church letters to the Association. It is here that we learn whether the work of the Missionary has been effective.

Major events planned for the coming year include a Pastor-led Training Union Enlargement Campaign January 29 through February 2, Simultaneous Revivals, April 8th-22; and a survey of the City of Fayetteville, tentatively scheduled for September. We urge your participation in these programs.

In the light of the needs of our work as seen by your missionary, we bring the following recommendations:

1. We recommend that every church be requested to elect a Missions Committee, and that the Association instruct the Calendar Committee to set a date early in the year for a clinic for Church Missions Committees.

2. We recommend that the Association ask the churches to take note of their rapidly increasing non-resident membership, and that they be urged to take steps to correct this alarming situation.

3. That the Association recommend to the churches the use of "Operation Home Folks," proposed by the Sunday School Board as a means of enlisting our resident membership to active status.

4. That the Association call to the attention of the churches the serious plight of the Cooperative Program, and recommend to the churches that they give it their best possible support.

5. We recommend that the Association beg every pastor of its member churches to lead his Church to recapture a true concept of the purpose and place of the church, to recapture the lost art of prayer, and to seriously seek to deepen the spiritual lives of their membership. We recommend, further, that they be urged to face the fact of the serious harm being done to our churches by an ugly spirit among the members which is becoming so embarrassingly prevalent, and find the answer in recapturing the spirit of Christ as a basis of our relations one to another.

Respectfully submitted,
E. C. Watson, Jr.,
Associational Missionary

Report on Evangelism

These are tremendous days in which we live. Billions are being spent for getting men to the moon, while comparatively little is spent for getting men to God. Multitudes sit in darkness and many in despair while the forces of darkness move constantly in a dedicated abandon toward their objectives. The number of hopeless people—hopeless because they do not know Christ—grows daily. The world's population is increasing by 48,000,000 per year. All religions are winning only 10,000 per year.

Many of these lost people live in the territory of our Association. They live near our churches. In regard to their need for God, they have been deluded by the powers of darkness, and numbers of them disillusioned by the apathy and lack of dedication to Christ on the part of professed Christians. In this desperate day God's people must wake up to the fact that "business as usual" will not suffice. Surely this is the time for total dedication to Christ in His purpose of winning the multitudes to God.

To move forward we must start from where we are. Our Association is the best launching place for new frontiers in evangelism and missions.

Therefore, we recommend:

1. That we encourage ourselves in the Lord our God for the resurging interest in evangelism across our Convention, continuously praying that God may work in us and through us to bring the revival we need.

2. That our Association participate in the "Baptist Jubilee Revivals"

in 1962 through 1964. Our dates are as follows: April 8-22, 1962, April 1-14, 1963, and March 4-22, 1964.

3. That each church prayerfully and studiously consider participating in the Baptist Jubilee Revival, and that special emphasis in all revivals and week-by-week evangelism throughout the year be placed upon personal, face-to-face, heart-to-heart soul-winning and faithful teaching and preaching of the Gospel.

4. That all churches make full use of the Revival Plan Book for 1962, 1964, supplied free to all pastors by the Division of Evangelism, Baptist State Convention.

5. That our Association have an Evangelism Clinic following the suggested program supplied by the Division of Evangelism. The date of our next Clinic is November 7, 1961.

6. That our Association recognize the elected associational officers as the evangelism committee, the Chairman of Evangelism to be the Chairman of this committee, and that we pledge our wholehearted cooperation to this committee.

Charles A. Stevens

Report on Fayetteville Seminary Extension Center

The 1960-61 session of Fayetteville Seminary Extension Center was very fruitful. On the other hand, there is much room for improvement. One of our greatest areas of need is for increased enrollment.

2. *History Of The Bible 114:* A study of the origin of our Bible and a discussion of versions, prepared by Dr. Lee Gallman, Howard College Extension Director. Texts: *Our Bible*, by Adams; and *The Ancestry Of Our English Bible*, by Price.

3. *Church Leadership 135*: A study of the duties of the officers of the church and methods of enlisting and developing leadership, prepared by Dr. Lee Gallman. The Texts will be: *Enlisting And Developing Church Leaders*, by Milhouse; and *The Church Committee Manual*, by Graves.

Report on Training Union

The purpose of the Baptist Training Union is to train Church Members of all ages to be better members. Church Members — that is the body of Christ — need to attain spiritual growth. Members of our churches need to be informed, and to be able, skilled workers. The Training Unioin hour in our churches fulfills this need.

The New South River Baptist Association has 62 churches with Training Unions. These Unions have a total enrollment of *5,230*. We are proud of this number, and to have this many churches with Training Unions. While we are rejoicing over our blessings, let us also examine our responsibilities. While we have 62 churches with Training

Unions, we also have 9 without Unions. These stand not only as a challenge to the pastors and members of the churches, but also to our incoming Training Union Officers.

Though this Training Union year has not been historically significant in terms of earth moving events, it has been a good year. We started the year with an officers and leaders clinic, led by representatives from Raleigh. We observed Youth Week in a large number of churches, and captioned it with Youth Night at Mingo and Grace Churches. "M" Night was also observed in the Association. Eliminations for Sword Drill, Speaking Tournaments, Memory Work, and Bible Reading was observed.

Your Director visited a number of Group Meetings, taught a Study Course, and traveled many miles.

Thank you all for your fine cooperation. May God bless you in the coming year.

Respectfully submitted,
E. Nathan Keen, Jr., Director

Report on Brotherhood

The Brotherhood of the New South River Association held four Association-wide rallies during the past year at Pleasant Grove, Lebanon, Clement, and Mill Creek. These rallies were well-attended. The programs were educational and inspiring to the men. During the coming year, our Brotherhood will have a new president, Brother Horace Barefoot; and I am confident that he will lead the Brotherhoods in this Association to heights not yet achieved in past years. I urge you to give him your whole-hearted support.

We have heard it said that 65 to 75 per cent of the men on the rolls of Baptist churches are inactive. This is the point where the Brotherhoods meet the greatest need of our day. If our Brotherhoods will seek out and enlist these inactive men in the ministry of the church, the renewed strength of our churches will be felt on every mission field in the world. The chief weakness of our churches lies in that large body of men who are inactive, or are unwilling to become church members. It is at this point that the Brotherhood presents the greatest challenge ever presented to Baptist men.

The Brotherhood Department of our State Convention is endeavoring to bring the Bortherhood work to the highest level of efficiency in order to accomplish its aims: namely discovering men and their talents and enlisting them in every phase of the program sponsored by our churches and our denomination.

The future of the Royal Ambassador program of our State work is dependent largely upon the willingness of the men in our churches to give of their time, talents, and possessions to a vigorous program for the boys. In a real sense, the future of our churches will be influenced greatly by that which we do for our boys today.

Respectfully submitted,
J. V. Baggett

Report of Associational Music Committee

Our Associational Music program has given encouragement and assistance in several phases of our Associational work this year. Our work began last fall with a complete slate of officers, and some plans and goals were set forth with the purpose of enriching the worship services in our various churches through the use of the best of sacred music rendered by boys and girls and men and women who are so consecrated to their service as to want to prepare themselves to do their very best.

This year individual churches have been encouraged to have music training courses, and many individuals have benefited by these courses. It is hoped that still more churches may see the need of such courses to serve both the young and the adults.

One of the highlights of the music Association's activities for the year was the hymn-sing at Judson Church on February 9. Three different groups brought special music, demonstrating the value of graded choir activities where the churches care enough. Some three hundred people gathered together for this program of worship in song.

Many people from our Association have attended music leadership and training conferences at our summer assemblies, Caswell, Fruit-

land, and Ridgecrest. Others have attended college workshops in church music.

A considerable number of our churches have had groups who participated in our music festival programs this year. These programs are very beneficial because of their training, inspiration, and the increased appreciation for the better types of sacred music.

The Daily Vacation Bible School Clinic was another important event in which the music organization felt that it could be of real service to the music leaders of the various churches.

In spite of the evidence of progress toward more worshipful music in the past, we feel that there is much yet to be done. We pray that our organization may influence and help more and more of our churches to develop well-rounded music programs.

Associational Music Director

Report of Promotional Committee

The first meeting of the Promotional Committee of the New South River Baptist Association for the year 1960-61 was held at the Stedman Baptist Church on October 28, 1960. At this meeting the following committee chairmen were selected: Rev. E. C. Chamblee, Missions Committee; Rev. Y. C. Elliott, Program Committee; W. L. West, Finance Committee; Rev. G. N. Ashley, Ordination Committee; Rev. Louis S. Gaines, Petitionary Letters Committee; Charlie Starnes, Church Order Committee; Rev. E. C. Watson, Jr., Pastorless Churches Committee; Rev. C. T. Fulbright, Nominating Committee; and Rev. Fred Culler, Publicity Committee. Also the following members-at-large were elected to serve on the Execution Committee: L. C. Dowd, Ronald Loftis, A. W. Hundley, C. C. Jackson, and G. B. Williams.

A request was made by the Missions Committee that $650.00 be withheld from the 1960 balance, which sum would not be carried over into the new budget. It was to be used as follows: Heavener Acres Chapel, $175.00; Community Chapel, $300.00; and Cape Fear Chapel, $175.00. This request was approved. Approval of the purchase of fifty additional copies of the minutes of the Association was approved at the request of the clerk.

The second meeting of the Promotional Committee was held at the Stedman Baptist Church on December 4, 1960. At this time a complete list of the committees was read and approved.

The Missions Committee requested aid from the State Mission Board for the following churches: Cross Creek Mission, $600.00; Community Baptist Mission, $600.00; Bonnie Doone Baptist Church, $1200.00; Spring Lake Central, $1200.00. After a brief discussion these applications were approved and forwarded on to the State Mission Board. Mention was made of prospective new work near the Cape Fear Valley Hospital, in Eutaw Heights, and Pine Crest Development. The Missions Committee was directed to make further

study of these prospective locations.

The third meeting of the Promotional Committee was held at Stedman Baptist Church on February 17, 1961. The Moderator announced the names of the Committee on Constitutional Changes. They are as follows: Rev. James Cammack and Rev. Dan Jolly, whose terms expire in 1961; Rev. D. H. Lowder and J. V. Baggett, whose terms expire in 1962; Rev. J. P. Johnson and Rev. Charles Fulbright, whose terms expire in 1963.

At this meeting, the Missions Committee recommended that the work of establishing a mission station at the corner of Cain Road and Scotty Hills be approved. This was done, and the committee was authorized to proceed with the purchases of property at this point and attempt to secure a sponsor. If no sponsor was available, then the Missions Committee would assume the responsibility of sponsoring the new work.

It was also reported that Mr. Joe Andrews would give the New South River Baptist Association a lot for a church in his new development on the Rose Hill Road, known as the "Pine Crest Development." The Missions Committee was directed to investigate this offer and, if advisable, accept it for future new work.

The fourth meeting of the Promotional Committee was held at the Stedman Baptist Church on May 19, 1961. The Missions Committee reported that work had begun at the Eutaw Heights location, and that it was being sponsored by the Missions Committee of the New South River Baptist Association.

Robert Isner, President of Pineland College and E. M. I., appeared before the committee and requested that the first Sunday in October be designated as Pineland College and E. M. I. day, at which time the needs of Pineland and E. M. I. would be presented, and a request for contributions from the members of the church be made at a time to be decided by the church. This request was granted.

The fifth and final meeting of the Promotional Committee was held at Pleasant Grove Baptist Church on August 18, 1961. At this meeting final action was taken on a study of the possibility of some churches shifting to the Eastern Association from the New South River Association. The Committee recommends that these Sampson County Churches remain with New South River, unless they feel that they would benefit from a move. If they do desire to move, it has the approval of the New South River Association, but it is suggested that these churches request a letter of transfer, and send this request to the Associational Clerk along with their church letter. The Promotional Committee approved the above procedure.

The proposed budget for the new year was presented by the Finance Committee and approved by the Promotional Committee. A request was made to the State Mission Board for $1000.00 aid on the salary of the missionary. This is the same as last year.

It was reported by Rev. D. H. Lowder, Chairman of the Constitutional Changes Committee, that progress was being made on a new constitution, which would possibly be presented to the Asso-

ciation on October 11, 1961. Report on the progress of the work at Eutaw Heights Mission was made. A good work is being done there.

We have had a very progressive year in the Association, especially along the lines of mission and daily Vacation Bible School work; and we are looking forward to an even better year in 1961-62.

Report on American Bible Society

Please listen to this earnest appeal of a Chinese college student: "We students want to know Jesus. We must have this book." Then listen to another who says: "Your English Bible speaks to my head, but my Chinese Bible speaks to my heart."

The words of those students express two basic principles of mission work which are true in all lands:

> *People must have the Bible* because it presents Jesus Christ, the one hope of men and nations.
> *Each person must have the Bible in his own language* because it speaks to his heart as no other langauge can speak.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave—and keep on speaking to a person's heart. But, we must remember, in most lands people cannot afford even the cost of printing the Scriptures.

The American Bible Society helps missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost. In cases of special need, at home and abroad, Scriptures are given without charge. The Bible Society is an active partner of Southern Baptists and serves every form of Southern Baptist work around the world.

During 1960 the American Bible Society—

—Rejoiced that some part of the Bible has been published in 1165 languages, the full Bible in 221, a Testament in 277 more, and a Gospel or other complete book in 667 more.

—gave over a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veteran's Hospitals, as a vital link between the home churches and men in service.

—observed its 125th anniversary of supplying Scriptures for the Blind, far below cost, in Braille and other raised-letter systems and on Talking Book records.

—enlarged the ministry of the Finger-Fono, a phonograph operated by one finger, with Bible records in the languages needed, for use in areas throughout the world where many people cannot read. Records are now available in 30 languages, and others are being prepared.

—helped the Korean Bible Society to realize their long-sought goal of distributing more than a million Scripture volumes in a single

year; also rejoiced in the sustained interest in Japan where, for the last 5 years, Scripture distribution has averaged almost 2 million volumes.

—distributed throughout the world a record total of over 23 million volumes of Scriptures. This was over 5 million more than the number of volumes distributed in 1959, and over 8 million more than the 15 million-volumes-per-year-average for the past 9 years.

SOUTHERN BAPTISTS SUPPORT THE WORK

Because the Society serves mission work—and Southern Baptist missionaries depend on the Bible Society for Scriptures they need for their people—Southern Baptists believe in the missionary importance of giving to the American Bible Society.

In 1960 Southern Baptist Churches gave $151,626 to the American Bible Society. Gifts from all churches in the U. S. A. totaled $1,001,768.

Although gifts have increased and the work has expanded, the worldwide need for the Bible is still greater than the supply. The help of every Southern Baptist Church is needed. Has your church given this year? Here are suggestions, based on what many churches are now doing:

Every church can give *at least* these amounts each year—

Smaller Churches	$ 10 to $ 60
Larger Churches	60 to 300
Great City Churches	300 to 600 or more

Please send gifts to your Baptist State Office, marked "For the American Bible Society."

Glenn Dow

Report on Christian Literature

God chose to use "writing" as His means of self-revelation to the world. He made known His nature and will to men through writing. We wonder what the world would be today without the divinely-written revelation contained in the Bible. Since written words were used to reveal His will, God gave us an example to follow. When we think of all the good Christian literature which is available today, we are convinced that this principle holds true today.

When the Baptist of North Carolina think of their own literature, they think of the *Charity and Children* and the *Biblical Recorder*. The *Charity and Children* keeps us informed on the many areas connected with the Children's Homes and other information concerning Baptist activities in North Carolina. Since 1833, Baptists in this state have depended upon the *Biblical Recorder* as the main source of denominational information. The *Recorder* is edited so it will be of interest to all North Carolina Baptists. It contains many features each week; interesting editorials, Life in the Churches, The Family Page, The Sunday School Lesson, changes in the churches, complete coverage of all Baptist news, numerous pictures stories about your fellow Baptists, and many other features too numerous to mention.

Circulation which is the highest in history, continues to rise. At the present time it is more than 78,000, up more than 10,000 over a year ago. The goal for 1964 is 100,000, and the help of every church is needed to reach this goal.

At a workshop of Southern Baptist editors at Syracuse University this summer, the *Recorder* received high recognition from the Syracuse professors who praised it for its appearance and good content. The professors especially liked the covers and the large number of good pictures used in each issue.

It is the *Recorder's* job to keep the Baptists of North Carolina informed, but we must remember that this is a two-way street. Even though the *Recorder* may be judged the outstanding paper in the Southern Baptist Convention, if you are not receiving it, you have no way of knowing what you are missing. Also, you, as a Baptist, should report news of interest in your church. Our Association is well represented in the pages of the *Recorder* much of the time. Rev. E. C. Watson, Jr., our Association's Missionary, and others in our area, contribute much news and other items of interest for publication.

Three subscription plans are available, The Every Family Plan, The Club Plan, and The Individual Plan. The every Family Plan is best and simplest. Nearly 500 churches in North Carolina testify to the value of sending the *Recorder* to every resident family, at the cost of a four cents stamp each week, or $2.00 a year. It doesn't cost, it pays. As a starter, your church may want to get four or more people to take the *Recorder*, thus qualifying for the Club Plan, before going to the Every Family Plan. The churches in the New South River Association now receiving the *Biblical Recorder* are:

13—on Every Family Plan
40—on Club Plan
1,715—Subscriptions in the Association

The *Recorder* staff pledges itself to get out a paper that will justify the confidence your church places in it. Nowhere else will you be able to get so much for so little.

Report of Special Committee to Study a Builders Club or Missions Investors Fund

To:
New South River Baptist Association,
Stedman, N. C.

We recommend the following:

1. That the New South River Baptist Association have a Missions Investors Fund, through which individuals may invest in mission churches in the bounds of this Association.

2. That this Fund be raised through the membership of each church.

3. That no person be asked for funds more than three (3) times

a year, or more than once within any quarter, and, that no one be asked for more than $5.00 per quarter or $15.00 per year.

4. That each gift be transmitted through the local church treasurer, and each church to be credited with this gift to Associational Missions over and above their regular monthly contributions to the Associational budget.

We suggest as a goal for each church, 7 members per 100 resident church members.

We also suggest, that you use your Promotion Committee member to spear-head your membership drive in each local church—unless your church has a better plan for the promotion of this Club.

Respectfully submitted,

Report of Historian—1961

We remind the Association again that there is a complete file of the Association Minutes on record in the Associational Missionary's office. We thank our Associational Clerk for the historical facts gleaned from the letters from the churches in 1961. At the time of this report some 78 churches, or 100 per cent, have sent in letters. Twenty-seven of these churches have reported historical facts as follows:

Clement put duct heat in the pastorium, and folding doors in basement of church to provide more classroom space. *Corinth* added two sliding doors uniting Sunday School rooms to auditorium, varnished floors, and added an outside bulletin board. *Cumberland* is building a new auditorium and started full time service October 1, 1961. *Bonnie Doone:* Heavener Acres began preaching service, Training Union, prayer meeting. Bonnie Doone contracted 2nd floor of educational building, and renovated the main auditorium. *Carroll Memorial* called Rev. J. Richard McDuffie on April 2, 1961, installed a new directory sign on church yard, and proudly reports an approved and honored Sunbeam Band for the first time in the history of the church. *Immanuel* completed payment for educational building and painted it. *Snyder Memorial* called Mr. Charles Gatwood as minister of music. *Temple* began the institutional Sunday School mission at the Cain Rest Home in January. *Walstone Memorial* now has a Sunday School Class for retarded children. Because of this ministry they have been been able to reach and enlist parents and children that have been heretofore unenlisted. They also have a VBS class for these children. *Faymont's* pastor, Rev. Guy Futral, resigned April 12, 1961. On September 1, 1961, Rev. E. T. Walton assumed the duties as pastor. *Elizabeth* completed a church and community survey. *LaFayette* called Rev. John Robinson as pastor in February 1961. Their new educational building is now under construction. *Harmony* purchased a new piano and started a building

fund. *Lebanon* built a new pastorium next to the church and organized Eastover Nursing Home Mission October 2, 1961. *Mill Creek* installed memorial windows in the sanctuary and finished three classrooms in the basement. All fifteen classrooms are now in use. *Mingo* purchased a new organ and piano, held their dedication service September 17, 1961, and now has the *Biblical Recorder* in every home. *Mt. Gilead* had a new piano donated to them by an anonymous donor. *Peter's Creek* called Rev. Edwin Carroll as pastor November 20, 1961, purchased new pews, pulpit furniture, and new Baptist Hymnals. *Pleasant Grove* called Rev. Glen Dow as pastor June 1, 1961. *Shaw Heights* bought and remodeled a building for their auditorium. *Stony Point* painted outside of their church and repaired the roof at the cost of $100.00. *First Baptist Bamburg, Germany* accepted the resignation of their pastor, S/Sgt. Major Jones, July 1, 1961, due to his return to the States. On July 5, 1961, they called Sfc. Harold Bell as interim pastor. *Community Baptist Church* installed restrooms, water fountain, remodeled most of the Sunday School area, and completed a church and census survey. *Cross Creek* held their first Bible School with 133 enrolled, 116 average attendance, 10 conversions. They held their first revival and on first Sunday in February completed their first year in their new building. *Eutaw Heights* formed their church from a census taken in December, 1960. This church is sponsored by the New South River Baptist Association, Sunday School, Training Union, and full time preaching service was started April 23, 1961. Chaplin David Sperring served as interim pastor until October, 1961, and Donald Palmer served as Minister of Music. *Heavener Acres* called Rev. Earl Gibson as pastor in June, 1961. *Spring Branch* completed their educational building and hope to begin their new Sanctuary within two years. The entire three acre church lot was seeded with permanent rye grass, the parking lot was laid out, and permanent tables were built. They held an early Thanksgiving service, a Sunrise Easter service, and a Memorial service for members that have passed away. This Memorial service is held in October of each year.

We challenge these 27 churches, and all our churches, to give to the Association more historical facts in 1962.

R. F. Marshburn, historian

DEDICATION

JESSE VENON BAGGETT

To Whom This Annual Is Dedicated

Col. Jesse Venon Baggett died February 26, 1962, and with his sudden death, the state of North Carolina in general and the New South River Baptist Association lost a man of unusual loyalty and devotion.

In his 68 years, Venon Baggett accomplished many things in many areas of service. He served as Moderator of the New South River Baptist Association for seven years, was Mayor of the Town of Salemburg for more than 10 years. He was active in church, educational, and civic affairs. He taught in Pineland College-Edwards Military Institute for many years and later served some two years as Dean of Admissions and Director of Public Relations. He had been for many years a deacon of the Salemburg Baptist Church, Superintendent of the Sunday School and teacher of the Baraca Class. Following his service as Moderator of the Association, he served as the Associational Brotherhood president. He served on the General Board of the Baptist State Convention.

He was born August 27, 1893, in Sampson County, state of North Carolina, the son of Valentine T. Baggett and Ida Faircloth Baggett. October 24, 1919, he was married to Miss Julia Tolar, who was a faithful and devoted companion until she preceded him in answering the last roll call April 21, 1961. They rest together in Memorial Gardens, near Salemburg, N. C.

Surviving are one foster daughter, Miss Darlene Kettner of the home, three brothers, Eugene, of Raleigh, Marshall, of Fayetteville, and Milton of Washington, D. C.

He received his preparatory education at Pineland College. He took college work, law and teacher training at the University of North Carolina.

He was a man who was always ready to listen to one's needs or problems and to lend a helping hand freely when he could. His kindness, graciousness and helpfulness have been greatly missed in his Community, church and Association.

No true evaluation of Jesse Venon Baggett can be made without recognizing him as one of the most dedicated and active Baptist laymen in his Association.

Resolutions

Whereas, the host churches, Spring Branch and Roseboro have done such a fine job of entertaining the messengers and visitors to our annual Association, and have provided adequate facilities for conducting of special conferences.

Therefore be it resolved, that we express our heartfelt thanks for these blessings and to Brother Hoyle Langford and Charles Gatwood for the fine way that they have conducted our meeting in the Association. We would also express our appreciations for the fine job that the program committee has done in bringing to us the effective speakers that so blessed our hearts. Rev. Yancy Elliott, Rev. George Simmons, Rev. Jimmy Morris, Rev. Charles Allen and Rev. Windell Belew.

Our appreciations to Pineland College Committee for the efforts that they put forth in securing the needed information that would enable our Association to come to some definite conclusions as to what we should do concerning the matter of trying to take over the sponsorship of said college.

Be it resolved that the dissolving of the committee by no means lessens the interest in seeing Pineland College and Edwards Military Institute by this Association.

We further express our thanks to Radio Station W.F.A.I. for the free time that they are giving for the presentation of the Baptist

Hour Program on Sunday mornings. Our Clerk having been instructed by this Association in session to write a letter of appreciation to said station W.F.A.I. radio station.

REPORTS

Report on American Bible Society

"Sharing Christ with the Whole World" is the aim and theme of the Baptist Jubilee Advance. Sharing the Bible with the Whole World is an essential part of this program of advance.

If the *people of the world* are to know Jesus Christ the one hope of men and nations, they *must have the Bible.*

Each person must.. have the Bible in his own language because it speaks to his heart as no other language can speak.

But, in most countries, people *cannot afford even the cost of printing* Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave—and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves mission work at home and abroad. It helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the Blind, it supplies Scriptures in Braille and other raised-letter systems and on Talking Book records.

During 1961 the American Bible Society—

—rejoiced that some part of the Bible has been published in 1181 languages; the full Bible in 226, a Testament in 281 more and a gospel or other complete book in 674.

—distributed a record total of over 24 million Scripture volumes in over 100 countries on 6 continents. Of these, more than 11 million volumes went overseas. Distribution abroad showed, for the second consecutive year, an increase of 20 per cent over the year before.

—realized anew, from sharp increases in Scripture distribution in Cuba and Congo, that the demand for the Bible often rises dramatically in areas of political tension and revolution.

—continued to enlarge the worldwide ministry of the Finger-fono, a special phonograph for Bible records, operated by one finger, for use in areas where many people can not read. Records are now available in 40 languages and others are being prepared.

—gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.

—expanded its distribution of Scriptures to persons of special needs: Cuban refugees and others from overseas; hurricane and flood victims; patients in hospitals and nursing homes; inmates of jails, reformatories and prisons; migrant farm workers—and many others.

SOUTHERN BAPTISTS SUPPORT THE WORK

Because the Bible Society serves mission work—and Southern Baptist missionaries depend on the Society for Scriptures they need

for their people—Southern Baptist Churches believe in the missionary importance of giving to the American Bible Society.

In 1961 Southern Baptist Churches gave $164.342 to the American Bible Society, Methodist gifts were $163,593. Gifts from all churches in the U.S.A. totaled $1,065,649.

Southern Baptists *can continue to lead—if every church will give.* Has your church given this year?

Please send gifts to your Baptist State office marked "For the American Bible Society."

Report on Homes for the Aging

The past year in our N. C. Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth Home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy, and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years the Homes have increased by 8 times our ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four homes—Resthaven and the Hayes Home in Winston-Salem, the Albemarle Home at Albemarle, and the Hamilton Home at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our ever-growing population of aging people who need our care.

The Special Day Offerings from our churches are at an all-time high, and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings, and we would urgently appeal to each church to continue giving as liberally as possible through this vital medium. Ninety percent of the residents who live in our four Homes are financially needy people, and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age!", is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

J. M. Gibbs, Chairman of Committee

Report on Christian Literature

Christian literature in its highest form is the Bible, which—in our day—has been translated into more than a thousand tongues. Through the written word, inspired of God, the will of God for man has been revealed. Written communications have always been of great importance, the most important being God's communication of His will and purpose through the Holy Scriptures and the intercommunications between His saints in the churches for the purpose of disseminating intelligence concerning the far-flung work of His Kingdom.

We commend the fine publications of our Baptist Sunday School Board, the Baptist Brotherhood, and the Woman's Missionary Union. No finer literature for Bible teaching and for the propagation of denominational enterprises has appeared from any quarter. HOME MISSION, the publication of our Home Mission Board (Atlanta), and THE COMMISSION, the publication of our Foreign Mission Board (Richmond) are strongly commended to fellow Baptists who really wish to be abreast of the times. Likewise, we commend CHARITY AND CHILDREN, our efficient and informative weekly, published in the interest of child care.

THE BIBLICAL RECORDER is deeply indebted to North Carolina Baptists for the manner in which the rate increase of July 1, 1961, was accepted. This was the first such increase in many years and frankly, there was some concern about how it would affect circulation. You will be pleased to learn that the increase has and franklin, there was some concern about how it would affect circulation. You will be pleased to learn that the increase has had little—if any effect on the circulation of the RECORDER. Such acceptance on the part of our Baptist people provides great encouragement to the RECORDER staff and directors.

Even though the BIBLICAL RECORDER will be 130 years old next year, it continues to be as fresh and up-to-date as the morning headlines. Our state paper is solid and dependable, yet keeps an open mind to that which is progressive and that which will help Baptists to do a better job.

As all of us know in our local churches, an accurate channel of information is necessary. This is as true in our denomination as it is in our churches. THE RECORDER is that channel to keep you in touch with each activity of Baptists around the world. In addition to keeping you informed, the RECORDER also is an open forum for discussion of issues in which all of us are interested. Being a free people. Baptists are never afraid to discuss their problems in a Christian spirit. This has been evidenced in the RECORDER during the past year.

More than 1,700 churches now have RECORDER clubs, but that number should be at least 2,000. This goal can be attained if pastors and church leaders will put forth a little special effort. The EVERY FAMILY PLAN, costing only 4¢ per family per week is the best way as more than 500 churches can testify. Even the Club Plan is only

a nickel a week or $2.50 per year.

Our circulation of the BIBLICAL RECORDER now exceeds 77,000. Those connected with the BIBLICAL RECORDER consider it an honor as well as a responsibility to serve North Carolina Baptists.

Louis S. Gaines, Fayetteville

Report of Military Personnel Minister

Ministries to military personnel is a ministry of the Baptist State Convention Division of Mission which is designed to promote the TOTAL PROGRAM of the LOCAL CHURCH.

We have tried to attend all associational meetings. Also we have worked in 1 school of mission in the Yates Association. Other statistics show the following:

237 Days worked
10874 Miles traveled on field

11 Mission V. B. S. (helped with)
3 Surveys (helped with)
1 Layman's revival
405 Prospects names furnished to churches
10 Professions of faith
9 Additions by letter
15 Rededications

The above report is as of September 25, 1962, covers 9 months on the field.

There are more than Seventy-five thousand military personnel in North Carolina. Many are members of Baptist churches back home and need to be enlisted in to the local church. Also many have never heard the name of Jesus, and as they come our way may we not pass by on the other side.

Our tent V. B. S.'s was the best part of the summer. We are grateful to Roy Hood who was with us all summer, also we had a Youth Evangelism Team from the state BSU Department working with us for two weeks. During the two weeks they conducted three Bible schools and one youth revival. I would like to share with you what one member of the team wrote after being here in our area. "I'm still overwhelmed by the fact that some of those kids didn't know

what Sunday School is or who Jesus is. It's shocking to realize just what a responsibility we had in introducing those young folks to some knowledge of Christianity." The above statement comes from a college student after only two weeks in our home area. For us who live and serve here may I recommend that we also realize just what responsibility we have.

May I also request your concern, prayers, and co-operation in every way possible as we together try to carry out the Command of Jesus to "MAKE DISCIPLES."

Respectfully submitted,
J. N. Beatty, Sr.
Military Personnel Minister

Report on Evangelism

Someone has said, "Two things make our age unique. It is the age of total revolution, and it is the age of terrible urgency."

If this is a total revolution, then it means that it will sweep the entire world in its onslaught. This certainly provokes a terrible urgency. This is not another crisis. The world has had numbers of these. This is total revolution, and it can only be met with any degree of success with total dedication, on our part, to our Lord and Saviour, Jesus Christ.

The past is behind us and the future is before us. What can we do in a practical way to meet this present threat? Evangelism offers us a commendable contribution through our local church, our association, and our Convention.

IMPORTANT MEETINGS AND PROGRAMS

Our associational clinic on evangelism will be held February 7, 1963, (Place to be announced). All pastors and associational officers should attend, along with the teachers and officers of all church organizations.

Soul-Winning Commitment Day, January 6, 1963. We must train soul-winners by using "The Guide for Training Christian Witnesses"—pastor's edition—(which will be mailed free to every pastor on November 15, 1962, by the Training Union Department). Also, "Learning to Witness" to be ordered along with Sunday School Quarterlies from the Sunday School Board, Nashville, Tennessee.

In January, it will be worthwhile to start your three months of cultivative witnessing, training our people to witness for Christ in preparation for our Baptist Jubilee Revivals in March and April.

February 11-13, 1963, State-wide Evangelistic Conference, Greensboro, every church would do well to consider sending its pastor to this spiritually refreshing conference. Lay people should attend too.

February is transfer Church Membership Month. The non-resident church membership problem should have special attention at this time to be followed with perennial efforts.

March and April—Baptist Jubilee Revival Crusades. The date for the Baptist Jubilee Revival in our association is March 24-April 7, 1963.

July 2-4, 1963, Convention-wide Evangelistic Conference, Dallas, Texas. Many people are praying and planning for this to be the greatest conference on evangelism ever held among Southern Baptists.

March and April, 1964, World-wide Baptist Jubilee Revival. The date for our association is March 8-22, 1964.

All things point up the need for full committal to Christ in His redemptive purpose NOW. . . . Nothing less than this would be enough. In face nothing less than this has ever been enough.

Respectfully submitted,
Charles A. Stevens

Report on Vacation Bible School

The New South River Associational Bible School Clinic was held on Monday, March 26, 1962, at Trinity Baptist Church, Fayetteville, with 405 people present, representing 53 churches and 3 missions.

The Clinic began promptly at 4:00 p.m., with various conferences being led by very capable leaders in each department—Nursery, Mrs. Ralph Faires, Fayetteville; Beginners, Miss Hilda Mayo, S. S. Department in Raleigh; Primary, Mrs. Wayne Lee, Dunn; Junior, Miss Maxie Ann Warren, Roseboro; Intermediate, Rev. Ellis Lanier, Dunn; Principals and General Officers, Rev. Richard Smith, S. S. Department, Raleigh; Records, Mrs. Thomas Weeks, Fayetteville; Music, Mr. Charles Gatwood, Fayetteville; Creative Activity, Rev. T. C. Williams, LaGrange; Baptist Book Store Display, Rev. E. C. Watson. For lunch we enjoyed barbecue, served by Harold's Barbecue, at the church.

Schools are over, now it is reporting time. We had 60 church schools and 12 mission Bible Schools, a total of 72. Ten churches reported STANDARD schools: Cedar Falls, Central, Eutaw Heights, First Spring Lake, Mingo, Mt. Elam, Snyder Memorial, Tabernacle, Trinity, and Walstone. There were also 9 schools reporting a grade of AA: Baptist Chapel, Cumberland, Calvary, Bonnie Doone, Carroll Memorial, Grace, Lafayette, Mill Creek, and Pleasant Grove.

We are so thankful to our State Mission Board for sending Mr. Ned Beatty to help us in Vacation Bible Schools, and thankful to Brother Beatty for his untiring efforts.

Our student worker was Mr. Roy Lee Hood, a mission volunteer, now a student at Southeastern Seminary. He worked hard and faithful in 10 mission Bible Schools, for his desire is that the lost and dying world will come to know our Savior. Other capable workers included a Baptist Student Union Team, led by George Patrick. These Schools were: Camden Road Mission, sponsored by Cumberland; Carolina Pines Trailer Park and Frank's Trailer Park, sponsored by First Church Spring Lake; Carolina Sands Trailer Park, sponsored by Central Spring Lake; Community Mission, sponsored by Second Church; Cool Springs Mission, sponsored by First Fayetteville; Cross Creek Chapel, sponsored by Second Church, Farrell Street Mission, sponsored by Bonnie Doone; Heavener Acres, sponsored by Bonnie Doone;

Pinecrest Acres Tent, sponsored by Trinity; Roseboro Mission, sponsored by Roseboro Church; Williams Heights Mission, sponsored by Central Spring Lake.

The Word of God was planted in our Clinic and all our schools, and brought forth fruit with 203 persons professing Christ.

The Spirit of Cooperation that was shown by our churches this year, makes us anticipate a more wonderful year of Vacation Bible School work in 1963.

Respectfully submitted,
Mrs. F. E. Edens, Supt., V.B.S.

Report on North Carolina Baptist Hospital

The demands on the services of our Baptist Hospital continues to increase. Last year the already evercrowded Clinics of the Out-Patient Department received 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two thirds of these were by our Baptist people.

There are many pressing needs. The enlargement of the facilities of the Out-Patient Department, and the urgent need for a building to provide adequate space for the Hospital's eight schools for the training of nurses, technicians, and other medical personnel. These must be met if the Hospital is to provide good medical care for the ever increasing number of our Baptist people.

The care of Service Patients (Patients who must have help) remains at the heart of the work of the Baptist Hospital. It is for these patients the Mother's Day Fund is used. Mother's Day money cannot be used for Private Patients, nor can it be used for building or equipment. Only for assistance toward the cost of treating of these Service Patients.

Many of our churches have responded well to the challenge, and have, in some cases, increased their Mother's Day Offering. Others have not done so well. Some have not given at all. Perhaps, there is a misunderstanding about the use of the Co-Operative Fund in the budgets of our churches. Some may think that a part of this fund is used for the care of needy patients in the Baptist Hospital. This is not the case. Money from the Co-Operative Program is used for Capital needs, none for the ministry to needy sick. Unless the churches set aside in their budget an amount for these needy patients, they are making no contribution to this worthy cause.

Our offering this year is not as much as last year, perhaps more will come in yet. Our last report is $3,904.65.

Please, we beg you leaders of the various churches, give this worthy need your prayers and efforts, that we may increase our aid in the care for our people, who are less fortunate than ourselves.

R. E. Langdon

Report on Brotherhood

In every man there is a desire for fellowship, an urge to be a part of a group, a hunger to do something, a wish to gain more self-confidence, a craving to express his personality, and an appetite for affection and praise.

A Baptist Brotherhood is the ideal place for fulfilling all of these basic desires, and for creating a spirit of "unity" and "belonging" among the men of the church. This comes when men work together, eat together, play together, and pray together.

The local Brotherhood is a group of men who have banded themselves together for the purpose of enlisting all the men of the church in the work of the church. This we hope to achieve here in our Association by way of four channels. They are: *1*—To enlist the men. *2*—To discover their talents. *3*—To develop their talents. *4*—To utilize the men and their talents in the areas of Royal Ambassador Work, Christian Witness, Personal Stewardship, and World Missions.

Here is a brief run-down of some of the work that has been done in the Brotherhood Department of our Association.

On November 20, the Associational Brotherhood met with Mt. Gilead Baptist Church in Fayetteville. The program was in charge of Mr. D. L. Bunce of Stedman, Associational World Mission Leader. It can truly be said that the mission field was brought to us through the camera eye of Mr. W. A. Mitchiner of Oxford, N. C. We feel that the Brotherhood made a worthy contribution to the Lottie Moon Christmas Offering through this meeting.

Our second meeting was held on February 5, at Lafayette Baptist Church, Fayetteville. We emphasized Christian Witnessing. Dr. William F. Grimes, our Christian Witness Leader, was in charge of the program. Capt. Paul Drake, U. S. M. C., brought a message built around the three things needed to be an effective witness: *1*—A daily prayer time. *2*—A daily intake of God's Word. *3*—The power of the Holy Spirit. This meeting helped prepare our men for the spring revivals.

On May 7, we met with the Mingo group in the Mingo Church, Dunn, Rt. 1. This meeting was devoted to our Royal Ambassador Work, with Rev. Edwin A. Bullock in charge. Trophies were awarded to Cumberland, Hope Mills, Clement, and First Baptist. Mr. Bill Jackson, our State R. A. Secretary, delivered an inspirational message.

One of the most spirit-filled meetings was held in the Antioch Church, Falcon, N. C., on August 6. The program emphasized "Personal Stewardship." Every man and woman in the Association would have profited by the personal testimony of Brother Dearl Bunce of Stedman Church, Brother Donald Gainey of Magnolia Church, and Brother Jack Barnes of Carroll Memorial Church.

Someone has said, "A Brotherhood is men marching shoulder to shoulder in one great team, where each man heeds the command to "take up his cross daily and follow me," (Luke 9:23). Wouldn't you like to be a part of a team such as this?

Report of the Associational Missionary

The combined monthly reports of your associational missionary reveal the following statistics: Personal conferences, 858; group conferences, 59; meetings attended, 136; professions of faith, 12; new church members received 30; total working miles traveled, 22,271.

The reports also indicate that your missionary worked by invitation in some manner in the following 50 churches and missions: Antioch, Beaver Dam, Baptist Chapel. Autryville, Cape Fear, Center, Clement, Corinth, Cumberland, Elizabeth, Evergreen, Calvary, Carroll Memorial, Fayetteville First, Grace, Immanuel, Powell Tabernacle, Snyder Memorial, Trinity, Walstone Memorial, Harmony, Highland, Hope Mills First, Judson, Lafayette, Lebanon, Long Branch, Macedonia, Magnolia, Mill Creek, Mintz, Mt. Gilead, Mt. Pisgah, Piney Green, Pleasant Union, Shaw Heights, Spring Branch, Central, Spring Lake First, Stony Point, Tabernacle, Union Grove, White Oak, Eutaw Heights, Eureka, Community, Cool Springs, Roseboro Mission, Village Drive Chapel, and Mingo.

A closer examination of the records would show that we touched in a personal way the work of 20 other churches and missions, through consultation with individuals, etc. It is also our expectation that by the time of the Annual Session we shall have visited in every church at least once.

Much of the work that has been done by your missionary is reflected in the reports of the organizations and the Executive Board.

We believe the following to be the most significant accomplishments of the year:

1. The coming of the Minister to Military Personnel to work in the Ft. Bragg area.
2. A successful Training Union Enlargement Campaign.
3. The moving of the office from the missionary's home to 217 Green Street in Fayetteville (Olive Building), where joint offices have

been established for the missionary and the Minister to Military Personnel.

4. Establishment of closer cooperation between the chaplaincy at Ft. Bragg and Pope Air Force Base, and the civilian churches.
5. Summer Mission Vacation Bible School program.
6. Growth and development of the Eutaw Heights Chapel, with its formal organization into a fully constituted church.
7. First steps toward the establishment of the Village Drive Baptist Chapel in the Cape Fear Valley Hospital Area.
8. Successful Youth Rally in April (second largest in the state), and a successful Fall Youth Roundup.
9. Moving toward a working, cooperative, interracial relation, through assisting First Baptist Church, Fayetteville, (Negro) with the Mission V. B. S. it sponsored at Teems Trailer Park, Spring Lake.
10. Use of the Youth Evangelism Team by the Association. This proved so valuable to the young people involved that the State BSU Department plans to enlarge this sort of work in coming years.
11. Action of the Executive Board of the Association in its August 17 meeting, approving the construction of an office building on the Walstone property, as soon as plans and financing can be arranged and approved.

Report on North Carolina Baptist Colleges

North Carolina Baptist colleges have closed another record-breaking academic year (1961-62). All seven colleges reported their largest enrollment—a total of 8,447 students having been enrolled in the seven institutions. Of this number, 2/3 were members of the Baptist Church. About one out of eight was preparing for the ministry or some other church related vocation.

The past year saw many new buildings planned, started, and in many instances completed. The total plant assets of these colleges are in excess of $45,000,000. For the past ten years Baptists have provided about $500,000 per year to help with these capital needs. The total operating budget of these seven colleges during the year was about $12,000,000. Of this amount, the Cooperative Program paid about 5%. Nearly one half of the operating costs are paid by students and other sources of income, such as endowments, rental of dormitory rooms, dining room profits, etc. There is still need for additional funds.

Salary raises have enabled these colleges to secure more and better qualified teachers. This year Campbell College is adding its senior year of a four year school, and next year Mars Hill College will do the same, making both of these colleges four year schools.

Some increase in cooperative giving has helped these schools,

but the need is not being met by the expanded Cooperative Program as outlined by the Convention. It is necessary that all churches increase their gifts through the Cooperative Program so that the needs of our colleges may be met.

The future of Christian education in America is at stake. With increased state and federal aid to higher education, more and more students will attend these institutions. These schools cannot and will not provide the Christian education needed. It is up to our churches to see that our colleges are adequately supported, so that these seven colleges can still serve North Carolina Baptists well.

Report on Baptist Children's Homes

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the Adults who share tomorrow's world. *NO* task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these, leaving 476 for whom no room was available. Provision should be made immediately to expand greatly our Foster Home Program to meet the needs of these children. This can be done through the increased Thanksgiving Offering.

Increasingly, your homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide, on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Progrom	33 Per cent
Thanksgiving Offering	30 Per cent
Once-a-month Offerings	16 Per cent
All Other	21 Per cent

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering

continues to be vital to our existance, providing 30 per cent of income. We sorely need an increase of one hundred-thousand-dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian Home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible—especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

Charity and Children, our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55,000 copies are sent to churches and individual subscribers throughout the state and beyond. You are invited to be among these readers and thus stay informed of our child care ministry and other denominational endeavors throughout the year.

Report of Woman's Missionary Union

Woman's Missionary Union is an Auxiliary to the New South River Association. The Word "Auxiliary" means "helper." It is the sincere desire of the W. M. U. to be helpers in our churches and in our Association. We do not desire to have independent action. It is our desire always to cooperate.

W. M. U. Activities of the Year are as follows:

The Annual Meeting was held at Lebanon with Mr. J. G. Goodwin, Missionary to Korea, and Miss Miriam Robinson, State Executive Secretary as guest speakers.

Rally at Spring Lake with 400-500 girls present; Co-sponsored with the Brotherhood, a R. A.-G. A. Camp with 316 boys and girls and 22 leaders; and a Sunbeam Day Camp for 8 year-olds with 60 present.

Statistics:

Membership: W. M. S. *2189,* Y. W. A. *152,* G. A. *857,* Sunbeams *824*
Total *4,022*

Offerings: Lottie Moon *$44,477.* Annie Armstrong $5,901
State Missions *$3,921* Heck Jones
Total Gifts *$54,299*

1962-1963 is the 75th Anniversary of the Conventional W. M. U. and the 50th Anniversary of G. A. Believing that prayer should precede and undergird all our work, we have had a 75 Day Prayer Period with each church having a special day for a Prayer Retreat.

An Associational Prayer Retreat was held at Cedar Creek and a State Prayer Retreat at Snyder Memorial. We covet the prayers of the Association that our W. M. U. may make worthy progress this 75th Anniversary Year and that we may catch a new vision of Christ Our Savior and re-dedicate our lives in His service that we may be truly "Laborers Together with God."

Report on Training Union

As Paul told his friend Timothy we should study to show ourselves approved unto God a Workman that needeth not to be ashamed, rightly dividing the word of truth.

A man who makes shoes, trims the leather. A seamstress cuts the threads. The secretary makes corrections. Bank tellers count accurately. These do their work well and are thus, unashamed.

Paul wanted Timothy to be a workman without shame. Christ wants laborers in his harvest, hard working laborers. But he needs skilled workmen and willing workers as well as trained workers. There is a big labor surplus in our churches. The line of unemployed is very long. There are a few things essential for a worker who is unashamed.

God's workers needs to be regular in attendance, punctual, good attitude, and he must prepare himself and train for the job. The man who goes to work at 6:00 a.m. must prepare himself and make preparations for 6:00 in the morning. He must get his clothes ready, set the alarm and be sure to have the proper rest for his job. A well trained army who has prepared and made preparations for battle usually is the one who wins, at least he has a better chance.

The purpose of Training Union is to Train Church Members to be better soul winners and better Christians and to be better workers unashamed.

As your Director, I would like to thank each director, Pastor and officer for the wonderful support I have received this past year. I have traveled 1,214 miles in the association, taught in four study courses, helped in two enlargement campaigns, visited in 28 churches. I also attended two regional meetings, attended the State Planning, Training Clinic at Fruitland, taught in three State Planning, Training Clinics. We have organized two training unions, 15 new unions and 5 new departments. We now have only five churches without training unions in our association.

Prayer for our Training Program and for unashamed workers, workers who have no reason to be ashamed because they do the simple things.

Respectfully submitted,
W. H. Ledbetter, Director

Report on Home Missions

The task of the Home Mission Board, as stated in the Convention's constitution, is "the promotion of Christian missions at home." As any agency of the Convention, the Home Mission Board aids the churches in their task of missions and evangelism. Seven programs have been instituted by the Board in an effort to effectively witness to all of our people in all fifty states, Panama, The Canal Zone, and Cuba.

These seven programs are as follows: Associational and Pioneer Missions; the Chaplaincy Program, including Military, Hospital, Institutional, and Industrial facets; Church Loans; City Missions, with special emphasis on the spiritual problems of "Big Cities;" Evangelism; Language Groups Ministries; and work with National Baptists. Special Mission ministries include the student summer mission work, Tentmakers, Correspondence Bible Course, and Woman's Missionary work in pioneer states.

The Home Mission Board employs some 2,000 missionaries exclusive of summer workers, and this figure should reach 2,500 by the close of the Third Jubilee Program in 1964. In excess of 600 college and seminary students worked in the summer program in 1961 and 1962. The missionaries reported 54,899 conversions last year, while 5,813 pupils made professions of faith under the Vacation Bible School teaching of the student workers.

A review of the work of the Home Mission Board points vividly to the role it plays in meeting the challenging needs of our fast-paced and rapidly-changing America. The rally of churches, through state conventions, to meet the recent Cuban Refugee problem is only one case in point.

In January of this year, the 30,000 Movement goal was near the half-way mark. 14,210 Missions and churches had been started with the 1962 goal at 6,000.

The Home Mission Board's budget for 1961 was $4,425,000.00, but Cooperative Program receipts did not meet expectations, hampering the "Big Cities" movement. With 95.3% of every mission dollar going *directly* to mission services, it behooves every Baptist to pledge anew to the magnitude and urgency of our task. The Home Mission Board is doing a monumental work. It deserves our prayers and support in meeting the challenge of its crusade in home missions.

Mrs. Jasper D. Jackson

Report on State Missions

State Missions play a very vital part in the mission program of every church. If we are to uphold the meaning of the great commission "Go ye therefore and teach all nations," we must do more and give more toward our State Mission Program.

Our State Missions Program supports 17 ministries and through

these more people are reached for Christ. More churches established and as a result more missionaries are sent to other areas and nations.

"We wouldn't have a church today if it were not for the assistance of State Missions." These words have been spoken many times through out North Carolina. Here in our own association several churches have had vital assistance from State Missions. Just this year Eutaw Church was helped and is being helped through missions. It is a proven fact that new churches gain more converts, and enlist more than most older churches. Many Vacation Bible Schools were held locally this year with aid from State Missions.

Some facts about the work of State Missions that I'm sure, most of us don't know or maybe realized how important they are. 1. The ministry to the deaf—5,000 deaf in North Carolina and need to be reached for Christ. 2. Cherokee Indian Work—we have two workers and 17 churches with 16 of these in need of developing. 3. 556 New Missions and churches in the state and many of these need help quickly. 4. 200,000 were reached by the School of Missions last year, during 1963, 10 weeks of schools will be conducted for World Missions. 5. Youth Camps and Retreats, deacons schools etc. are carried on by State Missions. 6. Extension Centers reached 480 Christian leaders for further training. 7. Church development, promotes training and leadership in our churches and association. 8. Promotes work toward reaching the Military in four large Military Areas. 9. The Associational Mission Ministry—57 associations receive financial assistance from the State Convention. 10. This year 161 missions and churches will be aided through Pastoral assistance, new church lot gifts and church loans. There were 200 requests for financial assistance in the amount of $300,000 but only $194,000 is available.

The budgeted special offering goal this year was $200,000 and twice that amount could easily be used. We are indeed proved that offering for Home and Foreign Missions have reached several times that amount, but Baptists at home have a grave obligation which we cannot escape. According to the latest census 56% of our state's population are not affiliated with any church.

This in a nutshell is the basic work of State Missions. We cannot say we will try to do more, we must say we will do more. The fields of North Carolina and our own community are very very white.

Respectfully submitted,
M. A. Williford

Report on Music

Church Music is worship: Music is an agency through which part of the educational responsibility of the church is channeled. Music is a vital part of the evangelistic activities of the church.

To assist our churches, small and large, to develop music programs which will help their people to use music as a means of self expression in the worship experience; to train *all our people,* from the younger to the older, to use the voice as a means of spiritual expression through

choral or through congregational activities; to assist the music leadership of our churches in the development of more active and more meaningful music programs: to encourage our churches to train boys and girls and men and women to develop and to use God-given talent; to remind all our people more forcibly that Church Music—even the music from the pew—is a part of individual stewardship; to use music whenever possible to enlist the unenlisted and to reach the unsaved so that uncommitted lives would become new creatures of purpose through commitment to Christ;—these are the purposes of our associational music activities and the goals of the music officers of your association.

During the past year, music emphasis in the association has been on training. During the coming year, two projects will be emphasized: (1) participation in the festival program of our state—not for the sake of having larger festivals but, rather, for the good that will come through festival participation to the individual choir members as well as to churches whose choirs will be participating, and (2) a project of planned visitation in which each pastor of our association and as many music directors as possible will be visited personally by the associational music officers for the sole purpose of discovering how the music organization of our association can better serve *all* our churches.

Toward the accomplishment of these two projects your music officers dedicate themselves. May these two projects be stepping stones toward the complete fulfillment, within each of our churches, of the purposes and goals of a church music ministry.

Charles Gatwood,
Associational Music Director

Report on the Annuity Board

Benefits Paid:

A total of $2,879,816.21 was paid in benefits by the Annuity Board during 1961. More than $2,654,222 of this went to approximately 4,500 ministers, denominational workers or their families who participated in one of the Board's retirement plans. The remaining amount was paid in relief benefits to 826 aged ministers and widows. During the Board's 43 years of operation, it has paid out benefits totaling more than $37,304,916.

New Members:

Total membership in all plans of the Annuity Board was 23,214 on January 1, 1962. In 1961, 1,808 new members were enlisted in the Southern Baptist Protection Plan and 789 churches were enrolled. At the end of the year, 64% of the churches in the Convention were participating in the Board's program. Of this number, 43% were paying total dues for both church and pastor. The Institution Protection Program, for employees in colleges, hospitals, orphanages and other

institutions of this type, enlisted 32 institutions in 1961. Five were new accounts. The others transferred from another plan to the new program.

Delay Penalty is "Waived":

In their April meeting, the Executive Committee of the Annuity Board voted to waive the penalty for delayed participation in the Southern Baptist Protection Plan for those who join before January 1, 1963. This action was made possible because of the continuous increase in the number of churches and pastors who have joined the Plan in recent months. At the end of the first quarter of this year, some 67% of all churches in the Southern Baptist Convention had enrolled.

According to the Protection Plan certificate, a person must join within a year after he begins denominational service or after his 25th birthday, whichever is later. For each year he delays joining the Plan, his widow and disability benefits are reduced. Now, because of the trustees' action, anyone joining the Protection Plan before January 1, 1963, will have this penalty removed. The waiver affects only the Southern Baptist Protection Plan.

The waiver also removed the penalty from any person currently in the Protection Plan who may have been affected by it, and it allowed the Annuity Board to make adjustments in annuity checks to widows and disabled persons who were penalized because of delayed entry into the Plan. This adjustment was made affective with the May 31 checks.

After January 1, 1963, any person who delays joining will penalize himself according to the participation clause.

Field Work:

The Annuity Board now has 14 field men working in 21 state conventions. Their program of education and promotion is conducted through state and associational meetings, on college and seminary campuses, in local churches and through conferences with laymen and pastors.

Guy Cain, field representative for N. C. has his offices at the state convention headquarters, 301 Hillsboro St., Raleigh. Contact him for meetings in your church or association or for personal conferences. He will be glad to come and talk about the Annuity Board's ministry.

Officers of the Annuity Board:

Administrative officers of the Board are: R. Alton Reed, Ex. Secy.; Floyd B. Chaffin and L. T. Daniel, Associate Secy's.; Fred W. Noe, Treasurer and Investment Director; Owen Henly, Assistant Dr. of Investments; and Mable H. McCartney, Registrar.

Report of Historian—1962

We remind the Association again that there is a complete file of the Association Minutes on record in the Associational Missionary's office. We thank our Associational Clerk for the historical facts gleaned from the letters from the churches in 1962. At the time of this report some 27 churches, have sent in letters. About twenty-seven of these churches have reported historical facts as follows:

Baptist Chapel built and dedicated a new pastorium and called Pastor O. W. Pulley for full time service. *Clement* called the Rev. Robert T. Tilley as pastor September 2, 1962. *Corinth* installed an air conditioner given to the church by member. *Cumberland* dedicated the new church building November 12, 1962. *Carroll Memorial* called the Rev. A. C. Tatum as pastor September 12, 1962. The new church sanctuary is nearing completion and the educational building is being remodeled. Some changes are being made on the parsonage with a new fence around the parsonage. *First Baptist Fayetteville* installed a new Allen T-6 Transistor Organ at a cost of $24,000 installed. *Elizabeth* has organized a brotherhood and is using the church and community survey. *Grace* called the Rev. Marvin Faile as pastor in August 1962. *Harmony* has added about $2,000 to the building fund. *Massey Hill* celebrated their 62nd anniversary and had their Home Coming on July 8, 1962. *Hope Mills First Baptist* called the Rev. David McGugan as pastor March 4, 1962. They adopted the rotation of deacons, and entered their pastor in the Southern Baptist Protection Plan. *Lafayette* entered their new $40,000 educational building. *Magnolia* voted to go full time in June 1962. *Peter's Creek* put new carpet in the church and finished paying for the pews. *Pleasant Grove* started construction of their new sanctuary. *First Baptist Spring Lake* sponsored two missions Vacation Bible Schools. *Tabernacle* called the Rev. F. E. Edens as pastor in November 1961. *Wade* purchased a new pastorium. They called Rev. Clyde Sanders as pastor to begin work October 1962, and they are building a new educational plant to be dedicated before Christmas 1962. *White Oak* laid carpet in their church in April as a gift from Mr. O. R. Boone. Prior to July 1, 1962, *Community Baptist Chapel* was sponsored as a mission by *Second Baptist Church* of Fayetteville, as of July 1, the sponsorship was assumed by New South River Association through its missions committee. *Massey Hill Baptist Church* is carrying Community Chapel members as an addition to its membership roll until such time that Community Chapel is constituted as an organized church. *Temple* added air condition in educational building and Sanctuary, and driveway paved around the church. *Cumberland Union* built a fellowship building and called Rev. Willie Mac Roberts as pastor. *Autryville* carpeted the aisles and platform. Bought nineteen choir robes, and landscaped the yards of pastorium. *Cedar Falls* purchased property for a new Sanctuary for the price of $3,000.00. *Peter's Creek* recently installed new pews matching the pulpit furniture, and new carpet for the floors.

We challenge these twenty-seven churches and missions, and all

our churches, to give to the Association more historical facts in 1963.

Respectfully submitted,
R. F. Marshburn, Historian

ANNUAL SESSION ROSEBORO CHURCH, OCT. 24
OFFICE BUILDING COMMITTEE

Upon the instructions of the Executive Board of the Association in its August session, the Missions Committee appointed a special committee to prepare building plans for an Associational Office Building to be located on the Walstone Property, and to devise a plan for financing such a building.

This Committee is composed of: W. L. West, Chairman; Mrs. T. E. Koontz, Mr. Fred Atkinson; and the Moderator and Missionary, Ex-Officio.

It is the present thinking of your Committee that a building plan should include arrangements for private offices for the Missionary and Military Personnel Minister, an office for a secretary, a stock and storage room, a work and mimeographing room, a conference room-library room combination, and possibly a small additional room to be used by summer workers, associational officers, and others who need to come to the associational offices and do some of their work.

It is also the thought of your Committee that any building to be erected should be financed from anticipated budget receipts, and that there be no fund drives or special requests for contributions.

The Committee felt that to bring a plan at this time would require that they act too hastily and without due study and thought, therefore, it is the recommendation of your Committee that the Association give the Executive Board power to act upon this matter in its regular sessions, after due notice.

Respectfully submitted,
W. L. West, Chairman

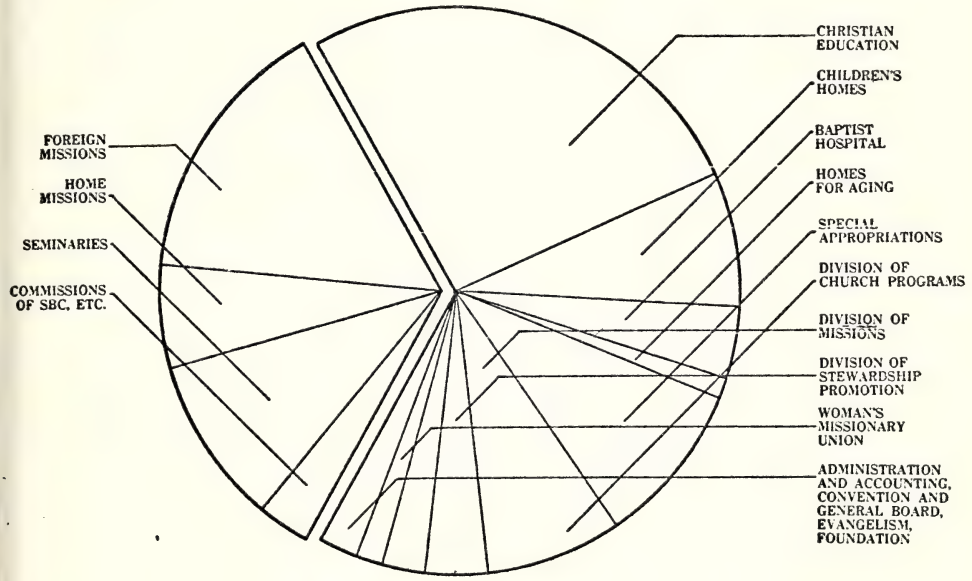
THE COOPERATIVE PROGRAM DOLLAR



IS AT WORK FOR YOU IN

WORLD MISSIONS

Foreign Missions is not World Missions; nor is Home Missions; nor State Missions. However, we can join together these areas of endeavor with that in our association, our Christian Colleges, our child and Medical Care Institutions and other programs to meet world need and all together we have true World Missions.

This is what Baptists have in the **Cooperative Program.** Use it as the Channel by which you, through your church, may help win a lost World to Jesus Christ.

★ **Every Church Giving at least 10%**

★ **Every Church Moving up 2% each year**

CONSTITUTION AND BY-LAWS
FOR
NEW SOUTH RIVER BAPTIST ASSOCIATION

PREAMBLE

We, the members of Baptist Churches in the County of Cumberland and adjacent territories in Sampson and Hoke Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I—NAME

The name of this body is the New South River Baptist Association.

ARTICLE II—PURPOSE

It shall be the purpose of the Association to advance Christ's world redemptive mission among men, to foster and nurture fellowship among the Baptist Churches within the bounds of the Association, and to promote the causes of the Baptist State Convention of North Carolina and of the Southern Baptist Convention.

The means of accomplishing these ends shall be in strict conformity with the teachings of the New Testament.

ARTICLE III—MEMBERSHIP

Section 1. The Association shall be composed of cooperating Baptist Churches in the area of the Association. A cooperating church shall be any church that maintains a spirit of cooperation, and supports the objects of this association.

Section 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and By-Laws. Member Churches may also withdraw as they desire.

Section 3. Churches desiring membership in the Association shall apply to the membership committee, and if recommended by this committee and accepted by the Association, shall agree to come under the watch care of the Association for a period of one year. At the end of one year, upon recommendation of the committee, membership within the Association of such churches shall be confirmed by vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. This Association shall not maintain fellowship with any church that neglects to preserve gospel order, maintain a spirit of cooperation with the Association, or support the causes fostered by the Association, or that departs from the principles of the Christian faith as taught in the Bible and believed by Baptists.

ARTICLE IV—MEETINGS

Section 1. The Association shall meet annually on Wednesday and Thursday after the third Sunday in October.

Section 2. Special Meetings may be called by the Moderator, provided two weeks' notice is given to the member churches.

Section 3. Each church shall elect annually one messenger to the meeting of the Association for each 50 members of the church, provided each church shall have not less than three nor more than fifteen messengers.

In addition to these, pastors of member churches shall also serve as messengers. These shall constitute the voting body of the Association. The names of messengers printed in the minutes shall include only those attending and registering at the Association.

ARTICLE–V–AUTHORITY

It is understood that each church in this Association is independent and sovereign in its own affairs, and the Association has no authority over the churches, except in an advisory nature.

ARTICLE VI–OFFICERS AND THEIR ELECTION

Section 1. The officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Financial Recording Secretary, Auditor, Historian and Parliamentarian.

Section 2. The officers shall be elected on the last day of the annual meeting for a term of one year each. The nominees shall be contacted and nominated by the Committee on Nominations (By-law IV, Section 6). Committee Nominations shall not preclude nominations from the floor.

REPORTS

AMERICAN BIBLE SOCIETY

The world is moving forward today as never before in history.

Population is increasing at a staggering rate.

There are 70 million newly literate persons each year.

Industry is booming and pre-industrial nations are fast becoming industrial.

Atomic energy is becoming a reality for peaceful, as well as destructive, purposes.

Man is not only contemplating space—he is exploring it.

As Tennyson perceived long ago, "The old order changeth, yielding place to new."

The world is moving forward. Scripture supplies have not kept pace. When Christians are confronted with the fact that church membership is increasing at the rate of 20 million persons each year, and the United Bible Societies is able to distribute only 7½ million complete Bibles and Testaments annually, we suddenly realize the tremendous challenge which confronts us.

Recognizing the urgency for moving forward in Scripture translation, publication and distribution, the United Bible Societies, meeting in Tokyo in June of this year, inaugurated an intensive program of advance.

Scripture distribution in 1962 exceeded 51 million copies for the first time. This year should see a further increase. With the resolution launched in Tokyo, the United Bible Societies look forward to a vigorous campaign aimed at tripling Scripture distribution during the next three years.

The three yearly goals are as follows:

1964— 85 million copies
1965—110 million copies
1966—150 million copies

The American Bible Society is responsible for raising its annual distribution to 75 million by 1966 as part of the world goal of 150 million Scriptures. Having distributed 31½ million copies in 1962, the American Bible Society needs to more than double its distribution by 1966 when the Society commemorates its 150th Anniversary.

In this age of progress the inherent power of the Bible can do much to change the world if its precepts are read, understood and practiced by concerned Christians everywhere. As such the Bible truly becomes "God's Word for a New Age."

With the publication of at least one book of the Holy Scriptures in 1202 languages by the end of 1962, the written Word, potentially at least, can now reach 97 percent of the world's population. There are 228 languages which have received entire Bibles and 285 other languages which possess New Testaments. However, the task of spreading the light is not complete. Millions of people as yet have nothing of the Word of God in their own language, and there is a tremendous amount of work still to be accomplished, since these people represent more than 1,000 mutually un-intelligible languages and dialects.

The American Bible Society is continually at work, helping missionaries and others translate and revise the Scriptures in many languages, publishing them in inexpensive missionary and evangelistic editions and distributing them in more than 100 countries. As the agency of the churches to carry on this worldwide mission of the written Word, the Society needs your prayers and gifts.

Respectfully submitted,
Mrs. T. E. Koontz

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with His goodness.

We are now able to serve 160 residents in our four Baptist Homes—the Hayes Home and Resthaven in Winston-Salem, the Albemarle Home, at Albemarle, and the Hamilton Home, at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents, and the halls have been ringing with the laughter and the happiness of the residents there since. This beautiful facility has greatly lengthened and strengthened the arm of our total ministry, and has already brought much joy to our Baptist people in Eastern North Carolina. We are looking forward to the day in the future when the arm of compassion can be extended to reach and serve more of our aging people in Western North Carolina.

The greatest single need is for more space continually. Today there are 160 people waiting for admission, from all areas of our great State, and it is a heart-breaking experience to keep these dear people waiting who so urgently need to come.

The average age among our residents is 80. Our youngest resident is 65, and our oldest resident will be 102 in July. Between this age span, we are seeking to meet almost every conceivable life need of the individual. Each person, in an atmosphere that is distinctly Christian, is surrounded by love, peace, and security. Perhaps one of the greatest single contributions that is made is the nursing care that is given in the event of illness. The resident is assured that he will receive tender loving care in sickness as well as in health. Years are literally added to the life of a person in our care, we feel.

The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Cooperative Program. Inasmuch as we receive only 1 3/10% of the State Convention's share of the Cooperative Program, or $7.92 out of each $1,000.00 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

Respectfully submitted,
Gary Long
Homes for the Aging Representative

REPORT ON CHRISTIAN LITERATURE

Christian literature in its highest form is the Bible, which—in our day—has been translated into more than a thousand tongues. Through the written word, inspired of God, the will of God for man has been revealed. Written communications have always been of great importance, the most important being God's communication of His will and purpose through the Holy Scriptures and the inter-communication between His saints in the

churches for the purpose of disseminating intelligence concerning the far-flung word of His Kingdom.

We commend the fine publications of our Baptist Sunday School Board, the Baptist Brotherhood, and the Woman's Missionary Union. No finer literature for Bible teaching and for the propagation of denominational enterprises has appeared from any publication source. HOME MISSIONS, the publication of our Home Mission Board (Atlanta), and THE COMMISSION, the publication of our Foreign Mission Board (Richmond) are strongly commended to fellow Baptists who wish to keep abreast of the latest developments in domestic and world missions. Like wise, we commend CHARITY AND CHILDREN, our dynamic and informative weekly, published in the interest of child care.

THE BIBLICAL RECORDER has literally grown up with North Carolina Baptists and the State Convention that they support. The convention was organized in 1830 at Greenville, and only three years later in 1833 the BIBLICAL RECORDER made its first appearance. As the Convention has grown, the BIBLICAL RECORDER has grown in influence and circulation. Today, 130 years old, it has more than 80,000 subscribers, the largest circulation in its history.

There are, at least, six good reasons why the BIBLICAL RECORDER should be coming weekly into every North Carolina Baptist home: 1—INDOCTRINATION: Baptists need to know what they believe, and why. 2—INFORMATION: Participation follows information. 3—ENLISTMENT: No church can interest its membership in the support of a program of work which they know nothing about and in which they have no interest. 4—INSPIRATION: Helpful inspirational articles appear weekly dealing with life's day-by-day problems. 5—COMMUNICATION: Our State Baptist Paper provides a dependable means of communication with reference to the work and the workers. 6—UNITY: Our progress through the years is the fruit of unity, and the Biblical Recorder has been the chief means of developing and maintaining our spirit of togetherness.

The Apostle Paul exhorted his fellow-worker, Timothy, to: "GIVE ATTENDANCE TO READING!" (I Timothy 4:13) Preaching is informative, so is reading; the two should have a welcome place together in our thinking. Baptists have always believed in "publishing salvation." We will ever be grateful to those who have faithfully prepared and presented Biblical truth and Baptist intelligence in printed form.

Respectfully submitted,
Louis S. Gaines

REPORT OF THE MILITARY PERSONNEL MINISTRY

The Military Personnel Ministry—now in its second year is a cooperative Ministry with the Home Mission Board, Baptist State Convention of North Carolina and the New South River Baptist Association.

The duties of the Military Personnel Visitor are to relate the Military family to the Baptist Churches in the area. He will co-ordinate his activities with the chaplaincy of the post, visit in the homes, enlist churches to provide a ministry to the military and hold Vacation Bible Schools in the trailer courts and other areas where needed. The late Dr. Douglas M. Branch wrote to Chaplain Thomas Q. Whitmire, "Captain Beatty's presence there is in no sense to be identified with the work of the Military Chaplains on the Post. He is simply there to assist local churches in securing information about Baptist and unaffiliated families who live in the area."

The Military Personnel Visitor is grateful to God for His continued blessing upon our labors and to Dr. E. L. Spivey and fellow convention co-laborers for the wonderful cooperation during this year. I am grateful to the New South River Baptist Association, Hoyle Langford, Moderator; Charles Stevens, Missionary; to the pastors and churches for their increasing interest in our work and to Chaplain Thomas Whitmire and the chaplaincy on the post for their cordiality, understanding, and cooperation.

We regret that it has been impossible to assist every request this year. We are still in the process of trying to understand just how we can best carry out our mission.

It seems to me that the work among the Military of North Carolina is growing in statue, and it is our prayer that we may soon have Military Visitors at Jacksonville, Havelock and Goldsboro. Our Military Personnel are going into at least twenty countries where our Foreign Mission Board does not have missionaries as well as into all countries where our Missionaries serve.

We were able to help in planning and co-ordinating 30 Mission Vacation Bible Schools and still did not get into all the places where a school was needed, however we are grateful to God for these we have had and for the children and adults we were able to reach. Our goal for 1964 is 40 Mission Vacation Bible Schools.

In the Fayetteville-Fort Bragg Area, we need a Baptist Military Center to provide significant means for involving single Military men in Christian growth. It could serve as a facility for church-related endeavor to assist the local churches in meeting the needs of our Young Military Men.

This has been truly a most wonderful year. It has taken us into almost every part of our state. Other statistics show the following:

1. Spent 312 days on the field
2. Traveled 17,333 miles on the field
3. Visited 61 churches
4. Delivered 81 sermons and addresses
5. Conducted 23 Prayer Meetings
6. Taught 42 classes
7. Made 778 Religious Visits
8. Made 142 Personal Evangelism Visits
9. Distributed 148 Bibles and 4,300 tracts
10. Helped plan and co-ordinate 30 Mission V. B. S.
11. Helped plan and co-ordinate work of Japanese Missionary
12. Helped plan and co-ordinate 8 community surveys
13. Professions of Faith—67
14. Additions by Letter—33
15. Re-dedications—85
16. Life dedications—4
17. As a result of Bible Schools 2 new Missions began

To God we give thanks for the high privilege of serving with North Carolina Baptist as we pioneer this Military Visitor work for Him. We dedicate anew ourselves and your prayers that we may be equal to the task.

Respectfully submitted,
J. Ned Beatty, Sr.

REPORT ON EVANGELISM

As we close the record book upon another associational year, we humbly thank our heavenly Father for the victories won, and we turn our attention to the task that lies before us.

During the year the churches have reported additions as follows:

BY BAPTISMS 923 BY LETTER OTHERS TOTAL

There is much to be done as we continue our efforts to get ready for the great endeavor before us in 1964. We, in our own strength, cannot bring about a revival, but there is no record in history of a revival among God's people against their will. History rather reveals that every SPIRITUAL REVIVAL has come only when God's people had longed for it and earnestly prayed for it. Also, a fervent proclaiming of the Gospel has always been in evidence when God poured out His Spirit in power upon His people. Of course we know that revivals are of God, but we also know that God uses His people in them.

1964 has been designated as the climatic Jubilee year for our best effort under God in EVANGELISM. Plans call for Jubilee Revivals in every Baptist church on the North American Continent.

Southern Baptist's TOP PLANS for 1964 are listed below. We should prayerfully study them and follow them as the Holy Spirit leads.

REPORT ON VACATION BIBLE SCHOOLS

It has been a wonderful year in Bible Schools in our Association. Beginning with two clinics, Monday, April 29, 1963, at Salemburg, Tuesday, April 30, 1963, at Snyder Memorial, with 65 churches and missions represented, 43 pastors, and a total present of 552.

Both clinics began promptly at 4:00 p.m. with various conferences being led by very capable leaders in each department—Nursery, Mrs. J. N. Beatty and Mrs. Ralph Faires—Beginners, Mrs. Marion Rogers—Primary, Mrs. W. L. Lee—Junior, Rev. and Mrs. Lawrence Childs—Intermediate, Mrs. H. E. Langford—General Officers, Dr. Herman Ihley, Sunday School Department, Raleigh—Music, Mrs. Charles Gatwood—Records, Mrs. Jack Taylor—Baptist Book Store exhibit, Rev. Ellis Lanier—Intermediate and Junior hand work display, Rev. F. E. Edens.

There were 6 workers from our Association that attended the State Vacation Bible School Clinic at Wingate College this year.

We had 68 church schools and 30 mission schools, making a total of 98 V. B. S. Eleven churches and one mission reported STANDARD schools; Cedar Falls, Central, Eutaw Heights, Grace, LaFayette, Second, Snyder, Spring Lake First, Stony Point, Tabernacle, Walstone, and the Mission school at Village Drive. There were nine churches and two mission schools that reported grade AA. These missed Standard by just a few points, Baptist Chapel, Bonnie Doone, Cumberland, Massey Hill, Mill Creek, Mingo, Mt. Elam, Peter's Creek, Trinity and the missions at Brookwood Trailer Court (Grace) and Lake Rim (Tabernacle).

I would like to recognize ALL the ones that did such a wonderful work in our church and mission schools, we thank God for you and what each one of you did. Without the tireless and faithful help of Charles Stevens, Ned Beatty, and Mary Phillips of our Association office, these mission schools would not have been possible. We hope the wonderful example of the six young ladies from Mingo Church, Miss Ann Barefoot, Miss Ella Nora Butler, Miss Betsy Dell Carroll, Miss Beverly Lockamy, Miss Doris Naylor and Miss Marine Naylor, who did all of the work in one of our hardest mission schools, will be an inspiration to other churches to do the same next year.

Rev. and Mrs. Roy Hood, our student workers, principaled and worked in as many as three Bible Schools a day. Such dedication is another reason why we were able to have 30 Mission Bible Schools this year.

Again let me say "THANKS" to our State organization for money, our Association organization for time and energy, our churches for workers, and God for His blessings. We covet your prayers as we begin NOW, our plans for next year's V. B. Schools.

Respectfully submitted,
Mrs. F. E. Edens, Supt., VBS

REPORT ON BAPTIST HOSPITAL

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will be greater than the population of one of medium-sized North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life. What a privilege it is to serve these friends in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budgets designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Co-operative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

BROTHERHOOD REPORT TO THE ASSOCIATION

The Brotherhood movement actually began in 1907, but it did not spread very rapidly until the last few years. Its primary purpose is to enlist men and boys in the affairs of Christ's kingdom.

Brotherhood leadership in North Carolina has set forth a program which is designed to develop a strong missionary movement of Baptist laymen. They like to think of the Brotherhood as the missionary arm of the church. A very definite program of missionary education for men and boys is underway in the associational and church Brotherhoods. Already some are engaged in practical missionary activities. These activities involve enlistment of men and boys already on the church roll, in witnessing to the lost, and giving of their time, talent, and possessions through the church. Activities are a necessary part of the missionary education program for men because men learn more about missions when they are involved in missions. In other words, men learn more by doing.

In North Carolina, 1450 Brotherhoods, with an enrollment of 35,000, and 2,000 Royal Ambassador Chapters, with an enrollment of 25,000, provide a vast reservoir of strength to be used for world evangelization. Still, in Baptist churches of North Carolina, there are approximately 200,000 men and equally as many boys who are not enlisted. This is a tragic waste of manpower. This fact is an indictment against everything our churches

have proposed as methods of calling church members to mature, dedicated service for Christ and our Lord.

There will be hope for world evangelism as long as there are men and boys in our churches who organize themselves for the purpose of becoming better informed about world needs. Unfortunately many of the churches in our own association do not have Brotherhood organizations. Each pastor should make an effort to have a brotherhood organized in his church at an early date. Your church is wasting a lot of power by not utilizing the manpower of the church.

We held four associational meetings during the year. The meeting at Bonnie Doone Baptist Church in November 1962 emphasized World Missions. We had a returned missionary as our speaker. The second meeting at Cumberland Baptist Church emphasized Christian Witnessing. Rev. Clyde Davis, State Brotherhood Secretary, was the principal speaker. The third meeting was held at the First Baptist Church in Fayetteville. The Royal Ambassador chapter of that church put on a model Chapter meeting. The fourth meeting was held at Salemburg. The emphasis here was on Stewardship. Rev. Fred Culler brought a very inspiring message on this subject.

Brotherhood work in our association needs a boost, so please fall in behind your new officers for the coming year and let's make it a banner year.

Respectfully submitted,
R. W. Boling
Associational Brotherhood President

R. A. LEADERS REPORT

Since becoming your R. A. Leader in May of this year most of my work has been becoming familiar with the Association R. A. Program. We sponsored two R. A. Baseball Leagues with 18 teams from 12 churches participating.

One of our most thrilling experiences was our RA-GA Camp at Salemburg, August 12-16. We had 354 boys and girls and 25 staff members in our camp. This is the largest camp we have had to date. Next year we are planning two weeks of camp for ages 9-12 and 13-17.

There are many churches without R. A. Programs. Let's try, this year, to have R. A. Chapters in each church of our Association.

Respectfully submitted,
James W. Roberts

REPORT OF THE ASSOCIATIONAL MISSIONARY

I became your Associational Missionary March 1—just a little over seven months ago. When I think of the new work I found myself in—the opportunities and challenges of needs as well as responsibilities of leadership, I can not help but thank God for the helping hands, encouraging words and prevailing prayers that have been extended to me, Brother Ned Beatty, our Military Personnel Minister, and Mrs. Kenneth Phillips our Associational office secretary. Through the patience and understanding of you across the Association, our church leaders as well as our pastors, I have been able to adjust to the change, to some extent at least.

I have been unable to get into every church and mission as I had hoped to do before the Association met. I trust this will be accomplished in the very near future. One thing I think that I am profiting by now, is an awareness that we are not able to meet the needs of churches and individuals as readily as we should. In the future as we plan our activities of service in the local churches, we will more and more, try to go to the people sharing with them the available helps and services. However there will always be that realization that we are to be used, if needed and desired, by the people and churches rather than our using them to bring into being a particular "Brain" child of our own.

If we can aid in enlarging the vision of our people in these days of critical needs, in strengthening the home bases into more fully developed New Testament churches, as well as growth in the grace of faithful systematic stewardship of all His blessing, then we will not have failed. We can all the readily claim our communities for the Lord Jesus Christ through such growth and development.

Our work has included among other things:

Interim Pastor of Village Drive Baptist Mission
Individual Conferences 746
Group Conferences 77
Meetings 54
Miles Traveled 9,492

Above all else, continue to remember your Associational Staff in prayers as we attempt the task we feel we have been called into.

Respectfuliy submitted,
Charles A. Stevens

REPORT ON NORTH CAROLINA BAPTIST COLLEGES

The seven Baptist Colleges had an enrollment of 9,189 for the year 1962. This enrollment was divided as follows: Campbell 1,727, Chowan 851, Gardner-Webb 615, Mars Hill 1,189, Meredith 880, Wake Forest 2,915 and Wingate 1,012.

Of special interest this year is the fact that Campbell College graduated its first senior class as a four year college and Mars Hill will graduate its first senior class in the spring of 1964.

The advancement of our program of Christian education continues to be made possible through the gifts of the local churches through the Co-operative Program. The Baptist colleges of North Carolina deeply appreciate what has been done through the Christian Education Advance. The benefit from this program will be felt by the colleges for many years to come. We urge all Baptist churches to cooperate with Director R. T. Greene as we move into the final year of the campaign.

We are more strongly convinced than ever that the denominational college plays its most vital role in its production of Christian leadership, not only in Christian vocations such as the ministry, missions, evangelism, church music, religious education and related fields; but, more particularly, it is contributing a vital leadership through laymen who are serving in many capacities in local communities.

Therefore, mindful of the real dangers which our denomination faces with a decline in the number of young people answering the call to full time Christian service, your Baptist colleges, working through the Council on Christian Education, have designated Christian Education for 1964 as **Christian Vocational Day**. This will be a day when the colleges will join with the churches in appealing to young people to heed the call to the ministry, missions, and evangelism, to prepare themselves to accept positions of leadership in religious education, church music, and in many of the special fields related to them.

For that reason, we hope to make the Christian Education Day offering next year a great offering to help those young people answer the call to full time Christian service and to go to college. This is a field that has too long been neglected. While thousands of dollars are available in scholarship funds in this country for those who want to study science, technology, teaching, or many other professions there has been no corresponding effort to help the Christian vocational workers overcome their financial problems.

We conclude this report then by an appeal for all churches and all Christian people in our state to join hands with us in 1964 in making it a great year when we call out the called and in which we provide adequate funds for helping these young people go to college.

Respectfully submitted,
R. W. Boling
College Representative

REPORT ON CHILDREN'S HOMES

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance—the Thanksgiving offerings, once-a-month offerings. Cooperative Program gifts, food, clothing and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.
2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and Church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian Service.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-month Offerings	16 Per Cent
All Other	21 Per Cent

Charity and Children, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist People. It has long been one of the best religious papers published among its Southern Baptists. Every family in every church is invited to be among its readers to keep informed about our child care program and the world mission of our Lord. An issue of Charity and Children can be enjoyed each week during the year for only sixty cents. See that your church receives it.

W. M. U. ANNUAL MEETING—1963

The annual meeting of the Woman's Missionary Union of the New South River Baptist Association met April 8 and 9, 1963, at Snyder Memorial Church in Fayetteville.

Mrs. Creech, president, opened the meeting with a word of welcome saying in this our 75th year, God has blessed us, we should give our very best to God.

The hymn "O God, Our Help In Ages Past" was sung.

Mrs. D. J. Dudley, prayer chairman, led in the reading of Psalm 100. She read the call to prayer and then introduced Rev. J. C. Cammack, pastor of Snyder Memorial Church, who, after a word of welcome, brought the devotion, and prayer.

Mrs. Creech thanked Snyder Church for the preparations made, for their parts on the program, and the pageant they would give.

Mrs. Donald Beard, president of Snyder WMU gave a word of welcome expressing the wish we would receive a blessing for having come.

A pageant "Through the Years" was presented by the Snyder WMU, showing costumes of the women in WMU work through the past 75 years. Narrators told of the progress and the history of the WMU along with the fashions modeled.

The hymn "To God Be The Glory" was sung.

Mrs. Vernon Goodwin, vice president, introduced the missionary speaker, Mr. Michael Ray, a native North Carolinian. He is a missionary to India by arrangement of the Southern Baptist Board with the American Baptist Board, because we have no work there.

A trio of YWA girls from Calvary Church sang "My All For Thee," after which Mrs. Goodwin had the closing prayer.

Registration Monday night was 158 with 33 churches represented.

The Tuesday session began at 9:30 a.m. with the singing of "Christ For the Whole Wide World."

Mrs. Dudley led in reading the 100th Psalm in unison and then read the prayer calendar and introduced Rev. Charles Stevens, Association Missionary, who brought the devotion and prayer.

Mrs. Creech welcomed those present, and then Mrs. Beard of Snyder gave a word of welcome and invited everyone to stay for the lunch following the meeting.

In her president's report, Mrs. Creech said there are 72 churches in the association, and missionary societies in 69 churches. 19 churches have YWA's, 37 have GA's, and 33 have Sunbeams. There are 2,189 members in WMS, 152 in YWA's, 857 in GA's, and 824 in Sunbeams, making a total WMU membership of 4,022. Mrs. Creech said she felt there were more but from reports received she arrived at this number. The Lottie Moon offering was $44,477 in the Association, Annie Armstrong offering $5,901, Heck-Jones offering $1,000, and the State Missions offering $3,821. Mt. Elam Church was the only Honor WMS in the association, but Spring Lake Church deserves honorable mention as it had the most points.

In observance of the Girls' Auxiliary 50th anniversary, Mrs. Rice, GA Counselor, talked on "Committed to Our Trust." She said it is our obligation to give our children to God for whatever he wants them to be.

The hymn "We've A Story to Tell" was sung.

Mrs. M. H. Dameron of Florence, S. C., a former president of the association, gave the history of the New South River WMU, which had been compiled and written by Mrs. R. G. Creech. She went on to say that this is the 67th anniversary of the WMU in our association, and the 75th anniversary in the Southern Baptist Convention WMU. Particular mention was made of the late Mrs. D. C. Rogers who was president of the association in the formative years, serving 26 years, also to Mrs. S. A. Howard and Mrs. C. S. Royal. She said, "We rise and call them blessed."

Mrs. Creech read a history she had written of the youth work in the association. Mrs. W. D. Early a former association president and a leader for many years in the youth work was to have read this, but was unable to attend because of illness.

Mrs. Creech recognized past officers and asked Miss Elizabeth Rogers, daughter of Mrs. D. C. Rogers, to stand. All officers who had ever held office in the association were asked to stand.

Mr. Ned Beatty, association military worker, spoke on "With Christ Into Tomorrow."

The hymn "A Charge To Keep" was sung.

The committee on committees' report on committees was adopted.

The time and place committee reported that Carroll Memorial Church had extended an invitation for the 1964 annual meeting, which will be held April 6 and 7, 1964.

The budget committee's report was adopted.

The treasurer's report was adopted.

Mrs. L. G. Carter of the appreciation committee read a report giving thanks to God for leading us these 75 years; to the officers for their faithful work and for the wonderful program.

The nominating committee read its slate of officers for 1963-1964 which was adopted. These new officers came to the front and stood as Mrs. T. E. Koontz had the prayer of dedication.

Mrs. Vernon Goodwin introduced Mrs. Emily Walkingstick of Cherokee, N. C., and after special music by a trio of ladies from Snyder, Mrs. Walkingstick brought the missionary message.

Mrs. Walkingstick said she brought greetings from Cherokee reservation, and gave an interesting talk about the Cherokees and our mission work among them.

Mr. Walkingstick who accompanied his wife, had several Indian objects and maps on display and handcrafts made by the Indians. He had a Bible written in Cherokee language. He sang some hymns in Cherokee language.

The benediction and blessing on the lunch was given by Mrs. J. S. Snyder of Snyder Memorial Church, after which the ladies of Snyder Church served a delicious lunch.

There were 38 churches represented on Tuesday with 176 registered.

Mrs. E. C. Jackson, Secretary
Mrs. R. G. Creech, President

SUNDAY SCHOOL REPORT

In reporting on the work of the Association Sunday School Department last year we would like to call your attention to some hopeful signs. One such sign was the increased emphasis on training. In February and March the churches of the Association joined in Group Training Schools which were very successful.

Another hopeful sign was the larger number of churches engaging in Preparation Week. A number of churches in the Stedman area joined together for a united preparation week.

During the coming year more emphasis will be placed on having group meetings rather than Associational wide meetings. This will enable us to get into more churches and reach more people. The core of Sunday School workers have pledged their willingness to go to any church in the Association that requests help from us. If your church would like some type of help, call on us.

The theme for this coming year is, "Outreach for the Unreached—Spearhead for Evangelism." Let us launch out with renewed efforts to reach, teach, win and develop people for the Master in 1963-1964.

Respectfully submitted,
L. Lawrence Childs, Jr.
Acting Sunday School Supt.

REPORT OF BAPTIST TRAINING UNION

The purpose of the Training Union is to train church members of all ages to be better members and soul winners for Christ. Members of our church need to be informed, and to be able, skilled workers. The Training Union hour is to fulfill this purpose.

The Training Union this year has been a very good year as our enrollment has increased in many churches. We have organized two Training Unions and nine more units in our work. We also had one church (Center) with a Standard Intermediate Union. Our Training program has been very rejoicing although our number of churches has been small in taking part. We still have five churches in our association without a Training Union.

Our Association observed M night with a wonderful attendance, third in the state, a large number of churches observed Youth Week. Our association should be proud that we had a very good number of Juniors for our elimination memory work. Our sword drill winner won the regional contest and was runner-up in the State. Our better speakers winner was also a regional winner. We are very proud of all our young people. We are planning to have many more this year taking part.

We are planning a three year program this year with all officers planning to work for three years at least to make our association the best in the state. To do this we must continue to have the wonderful cooperation of our pastors and Training Union Directors. We plan a Training Union in every church, 10% increase in membership, 2500 study course awards and at least three churches with a Standard Training Union.

To have a better church, win more of our people to Christ we must have better trained workers.

Your Director has traveled 6,713 miles, visited 29 churches, attended State Planning Meeting in Winston-Salem, taught in five Study Courses and worked in three other Associations in Training programs.

Your Associational Officers wish to thank all of our Baptists for a wonderful year in our Training Program.

Respectfully submitted,
W. H. Ledbetter, Director

REPORT ON STATE MISSIONS

Our "Samaria" Acts 1:8

Since other reports will be made on varied ministries of State Missions, it is not necessary to list them again, but will pin-point some of our neediest areas.

For example, 127 churches in 61 associations received $91,000 last year on their pastors' salaries. New ministries such as the Seminary Extension Centers in the western section of the state are filling a vital need. The military population in the state, much larger than anyone thinks, is served in various ways. An estimated 400 places in the state need new Baptist churches and missions. Most of these struggling congregations always ask for aid in purchasing lots. The fact that the Cooperative Program provides only one-third of the State Missions budget makes the success of this offering more urgent.

This year's emphasis is on evangelism and a study of the decline in baptisms explains why. In 1954, there were 35,705 and 35,607 in 1955. In 1957 and 1958, the totals dropped to 33,798 and 34,836, respectively, but in 1959 the total rose to 36,600. Since that year, however, the decline

has been more evident. In 1960, there were 30,337 baptisms and in 1961 the total was 32,485. Last year's statistics showed another low of 30,881 with more than 500 churches reporting no baptisms. In the last decade while these figures have fluctuated, new churches have been organized and the state's population has grown several hundred thousand.

Of the 3,400 Baptist churches in the state today, more than 2,000 of them were aided in one way or another by State Missions in the early stages of their organization and growth. These include many of our largest, strongest churches as well as hundreds of smaller ones in rural and village areas. This is how strategic and far-reaching the State Missions ministry is today and has been for more than a century. No Baptist dollar has been spent more wisely than that which has gone into this work.

Dr. E. L. Spivey, director of the Division of Missions, is right when he says that "sometimes we are so busy looking at the world that we fail to see people right here in our own State." The test of Christianity, he continues, is not necessarily our love for missions in foreign lands, but our love for people here and in distant countries.

By all means, Baptists should support Home and Foreign Missions, but let's not forget those who are our responsibility here in North Carolina.

Respectfully submitted,
Charley Starnes

REPORT ON FOREIGN MISSIONS

"Statistical figures can never tell the story of missionary labor; they can only give a rough idea of some of the visible evidences which have come about. They can never tell the story of the deep dedication, patience, forebearance, and long-suffering which characterize God's servants as they meet the realities of mission ministries in many lands."

Appointments totaling 129 during 1962 and 47 from January to May 1963, bring the number of foreign missionaries in active service to 1,685. Seventeen missionary associates are included in this number. At the end of 1962, there were 790 urgent requests for new missionaries. Among the most pressing needs are those for people in field evangelism and church development, theological education, nursing, student work and religious education.

Mission work is carried on through a varying number of institutions on each mission field—churches, schools, hospitals, publication plants, good will center. But all are interactive and the goal of each is evangelization. Whatever their institutional duties, all missionaries participate in work of the churches in their stations.

National pastors number 2,701. Most of the churches have Sunday Schools, and many have other church-affiliated organizations. In 1962, the 3,783 churches and 6,850 chapels reported 433,379 enrolled in Sunday School, 35,509 baptisms, and 487,943 church members.

Educational work not only offers opportunities for evangelism, but also trains a strong national leadership. The 1,060 Baptist schools, which enroll 169,178 students are served by 5,656 national and 290 missionary teachers. Among the schools are 41 theological institutions with 1,394 students and 6 women's training schools with 467 students.

The primary aim of missionary medicine is the healing of the whole man—both spiritually through a personal knowledge of Jesus Christ and physically through the best possible practice of medicine. Medical mission institutions include 18 hospitals and 46 clinics and dispensaries with a total of 1,156 beds. There are 55 missionary and 82 national physicians, plus

56 missionary and 207 national nurses. They served 328,898 patients during the year, of whom 35,144 were inpatients.

Strong churches need not only trained leaders, but also literature for evangelism and religious education. The largest mission publication centers are located in El Paso, Texas (Spanish), and in Rio de Janeiro, Brazil (Portuguese). The major plant for Chinese literature is located in Hong Kong. Several other Missions have plants of varying sizes. Publication work was begun August 2, 1962, in Saigon, Vietnam. At Nairobi, Kenya, a new publications building was constructed.

Total contributions of Southern Baptists for foreign missions amounted to $19,673,232.93 during 1962. Funds from the 1962 Lottie Moon Christmas Offering totaled $10,323,591.69.

The advance section of the Cooperative Program was not reached in 1962. It is our strong hope and expectation that the 1963 Convention budget will be fully reached, and that the advance section will bring strong reinforcement for sustained work.

Respectfully submitted,
Mrs. Donald Beard

REPORT ON ANNUITY BOARD 1963

Special Death Benefit Added to Southern Baptist Protection Plan

The Southern Baptist Protection Plan now provides a special death benefit for all members, both ministers and denominational workers, under 40 years of age. It covers both natural and accidental death.

If the member dies a natural death before age 40, the benefit provides a cash settlement to the member's widow or estate equal to the average salary on which dues were paid. If he dies because of an accident, the cash settlement will be double the average salary.

There is no added cost for this special death benefit, which is in addition to the regular retirement, widow and disability benefits of the protection plan.

The benefit is easy to figure. Suppose a member dies at age 32 of natural causes and the average salary on which he paid dues in the Protection Plan was $3,550. His widow or estate would get a cash settlement of $3,550.. plus the regular widow benefits. If he is killed accidentally, his widow or estate would receive twice this amount, $7,100, plus regular widow benefits.

Benefits Paid

More than $41 million have been paid in relief and annuity benefits by the Annuity Board since its beginning in 1918. Last year these benefits totaled more than $3 million, and were paid to more than 4,500 ministers and denominational workers or their families, who were members of a retirement plan, and to approximately 750 on the relief rolls.

Membership in Retirement Plans

As of April 1, 1963, there were 15,964, or 49%, of the total churches in the Southern Baptist Convention participating in the Annuity Board's retirement program for their pastors. Out of a total of 212 educational institutions, hospitals, children's homes and homes for the aged, 121 are enrolled in an Annuity Board retirement plan with their employees. Total membership in all the Board's retirement plans is approximately 25,000.

AUDITOR'S REPORT

We have examined the statement of recorded cash receipts and disbursements of New South River Baptist Association.

For the Fiscal Year ended September 30, 1963. Our examination of recorded cash transactions was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statement presents fairly the recorded cash receipts and disbursements of the New South River Baptist Association for the Fiscal Year ended September 30, 1963, on a basis consistent with that of the preceding year.

Respectfully submitted,
David H. Gaines
Certified Public Accountant

REPORT OF HISTORIAN—1963

Some Historical Facts Concerning New South River Baptist Association

In 1904 we find that the South River Baptist Association held its 28th Annual Session with the church at Baptist Chapel, October 19, 20, and 21. Bro. J. M. Fleming was the missionary for the association and he reported $338.20 given to all associational objects. Twenty-eight churches reported 2838 members, 122 baptisms, with 1421 enrolled in twenty three Sunday schools.

In 1924 we find that South River Association became New South River Association and held its First Annual Meeting with Autryville Baptist Church October 15, 16, and 17, 1924. Before that time it was composed of the Cumberland and the South River Associations. During this year there were fifty churches that reported some 5920 members, 250 baptisms, 5968 enrolled in Sunday school, $39,273 given to local work, $18,782 given to denominational causes other than the 75-million campaign gifts.

During the year 1934 there were forty eight churches that reported 7890 members, 244 baptisms, 6482 enrolled in Sunday school, $35,102 given to local work and $30,885 given to mission causes.

During the year 1944, ten years later, the number of churches had increased to 53. These churches reported 9665 members, 382 baptisms, 6804 enrolled in Sunday school, $112,758 given to local work and $30,965 given to missions.

During the year 1954 the number of churches had increased to 66. These churches reported 15,184 members, 950 baptisms, 15,639 enrolled in Sunday school, $607,446 given to local work and $91,158 given for all mission objects.

During the year 1962 the number of churches totaled 73, missions 6. members 21,099, baptisms 864, enrolled in Sunday school 18,563, expended for local work $946,850, and given for all mission work $176,976.

What will our record be for 1963? A careful study of the progress of the churches through the years in Training Union, W. M. U., Brotherhood. and V. B. S., work would be equally as interesting as the historical facts above. We shall be grateful to our associational clerk for the historical facts gleaned from the letters from the churches in 1963. These facts are included in our associational minutes for the churches.

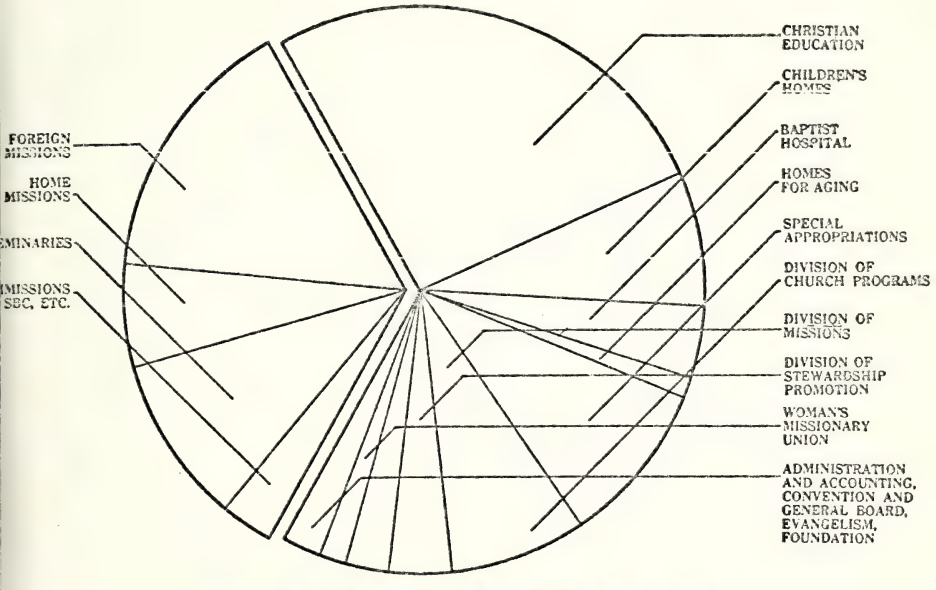
THE COOPERATIVE PROGRAM DOLLAR



IS AT WORK FOR YOU IN

WORLD MISSIONS

Foreign Missions is not World Missions; nor is Home Missions; nor State Missions. However, we can join together these areas of endeavor with that in our association, our Christian Colleges, our child and Medical Care Institutions and other programs to meet world need and all together we have true World Missions.

This is what Baptists have in the Cooperative Program. Use it as the Channel by which you, through your church, may help win a lost World to Jesus Christ.

★ Every Church Giving at least 10%

★ Every Church Moving up 2% each year

AMERICAN BIBLE SOCIETY

That we are now living in "The Space Age" is a fact that no one can deny. Believing that the Bible is a Book for our time and all time, the

American Bible Society has adopted a theme for 1965: "GOD'S WORD FOR A NEW AGE." It is more than a slogan, however—it is a dynamic program which seeks to make the Scriptures available everywhere, to every person in the language he can best read and understand.

Our Nation has furnished military assistance, economic aid, and physical advancement to other peoples of the world; but, we have failed to cast the Bread of Life upon these waters. For example, in Northern India 40 years ago one Portion of Scripture was available for every ten literates. Today, there is one portion for every 300 literates. This would indicate that, while we are doing more than ever before in Scripture distribution, we are not keeping up with the population explosion.

In Africa there are 800 languages. The whole Bible has been translated into 59 of them. There are only 1,216 languages and dialects in which some-part of the Holy Scriptures has been published. This means that 1,000 languages and dialects have NO PART OF THE BIBLE. Only 231 languages have entire Bibles; 290 more have the entire New Testament.

We must get the Word of God to these people before the seeds of false doctrines are sown. It should be a matter of grave concern to Christians that, already, **one and one-half billion dollars annually** are being spent for the distribution of atheistic literature. And yet, all denominations in America combined last year gave $1,120,277.10 to the American Bible Society for the translation, publication, distribution of the Scriptures throughout the world.

Believing that "Faith cometh by hearing the Word of God," the American Bible Society has adopted an ambitious program which deserves the help of Christians everywhere:

(1) To distribute 150 million Scriptures annually by 1966.
(2) To place a Bible in every Christian home.
(3) To put a New Testament in the hands of every Christian.
(4) To give a Gospel to every one who can read.
(5) To furnish an opportunity for those who care to share the Scripture.

Marvin E. Faile

HOMES FOR THE AGING REPORT

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with much enthusiasm. God has blessed these brief years with an abundance of His love and with the good things of life. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering. We have come from 1 resident and 1 building, since March of 1951, to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we cannot care because of lack of bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of these who are sick, or invalids, at admission.

The choicest bit of news for 1964 is the development of a 5th Baptist Home, to be located at Yanceyville, North Carolina. We are hoping to begin construction on this new project during this year, and thus, the burden of our hearts will have been relieved, in a measure, by being able to care for 30 additional residents. The Home at Yanceyville is the greatest single bequest that has ever been left for us in our ministry. Enough land at Yanceyville and money were given to the Baptist Foundation of

North Carolina for us, by the late R. Sterling Graves and his sister Mrs. Sallie Willie Graves Bradsher, to build and equip the Home there. Even so, we will still need to look to our Baptist people for the maintenance of this Home and for assistance in supplementing needy residents who will live there through the years.

Today North Carolina Baptists are contributing an average of $90.00 a month on the cost of care of 90% of the residents who live in our four Baptist Homes at Resthaven and the Hayes Home in Winston-Salem, at the Albemarle Home and Hamilton Home. This support comes through the Special Day Offerings, received in the churches on the third Sunday of February each year, through designated gifts from church budgets, and through the Homes' share in the Cooperative Program. These needy residents could not possibly be with us nor could they receive the loving care that they do, if it were not for the gifts from our 3400 Baptist churches. Earnest heed should be given by each church therefore, towards increasing the amount of Special Day Offerings and designated gifts to the Homes. This should be emphasized especially in view of the fact that there was a 5% decline in gifts to the Homes during 1963. We will not have an accounting on gifts for 1964 until September, but we can only hope that there will be a considerable increase.

Life among the residents these days is most interesting and filled with a variety of experiences. The youngest resident celebrated her 66th birthday in January, and the oldest her 103 birthday in July. Some are doing creative writing, others sewing, gardening, teaching, painting, and living a good life in general. All are praying for a world and its needs. All are expressing thanksgiving to God for the people called, "Baptists," and for the happiness and security of the Homes that our Baptist people are helping to make possible for them.

There is nothing to prevent our receiving any needy aging person, 65 years old and above, who is reasonably well, mentally and physically, except lack of space. Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in this great area of human concern and give an answer to as many of these dear people as possible.

Respectfully submitted,
Gary Long

REPORT ON CHRISTIAN LITERATURE

The Apostle Paul exhorted his fellow-worker, Timothy, to: "GIVE ATTENDANCE TO READING," (1 Tim. 4:13) First, in order of importance in the consideration of Christian literature, is the Bible in its various translations and versions, which are available in various grades of excellence at nominal prices. Books in the field of Christianity dealing with Bible exposition, doctrines, sermons, devotions, sociology and world missions can, and should be made available in our church libraries. Periodicals such as quarterly lessons and programs are flowing from our Southern Baptist presses for the use of our Sunday School, Training Union, Woman's Missionary Union and Brotherhood forces. Periodicals are issued in magazine form such as THE COMMISSION (Richmond) dealing with world missions outside the bounds of our country, HOME MISSIONS (Atlanta) dealing with the varied forms of Christian work in our nation, Cuba and Panama, and the various Baptist State Papers in which our chief interest centers in THE BIBLICAL RECORDER (Raleigh) and CHARITY AND CHILDREN (Thomasville).

An investment in good Christian literature is an investment in spiritual growth and increased usefulness. Every Christian home should be provided with an abundance of the best of reading materials to counteract the cheap, tawdry and often salacious printed matter that sometimes intrudes its way into our homes. Alert Christian people should spurn the latter with all diligence and lend their influence to the condemnation and annihilation of that propaganda of the adversary which can only hurt and hinder the Cause of Christ.

This report usually gives prime consideration to the Biblical Recorder, our excellent state Baptist weekly, which is in its 131st year with a circulation in the 80,000's. Among our 74 churches in New South River Baptist Association there are 45 churches supporting **Biblical Recorder** Clubs and 8 churches supporting the Every Family Plan, a total of 1,304 copies of the paper coming into our churches weekly. It can, therefore, be safely estimated that 28% of our churches are not receiving the highly helpful ministry of the Biblical Recorder. Four or more subscriptions at $2.50 each can constitute a club. The Every-Family Plan subscription is $2.00. We can easily remedy this situation and what we can do we ought to do in this regard. **Charity and Children,** our excellent child-care weekly can come into the home at the individual rate of $1.00 per year, Clubs of 10 or more—individual address 75¢, clubs of 10 or more— same address 60¢.

Our carefully prepared Baptist literature seeks to INFORM, to INTERPRET, and to INFLUENCE, the wonderful progress of our denomination through the years is in no small part due to the fine ministries of our various publications. We will ever be grateful to those who are dedicated to the faithful preparation and presentation of Biblical and Baptist intelligence in printed form.

Respectfully submitted,
Louis S. Gaines

MILITARY PERSONNEL MINISTRIES

The Military Personnel Ministries—now three years old is a cooperative Ministry with the Home Mission Board and the Baptist State Convention of North Carolina.

More than 57,000 of our finest Southern Baptist youth enter, and a like number leave Military service each year. North Carolina ranks fourth among all 50 states in the number of military stationed in its borders, one out of ten people living in North Carolina are here as a result of Military Service. The tremendous importance of National defense to North Carolina is pointed up in the fact that the number of Military Personnel on active duty in North Carolina is approximately 100,000 with their annual pay and allowance being more than $350 million.

As long as the present system of military enlistment continues and the end is nowhere in sight, we may expect three out of four of our young men who are mentally and physically qualified to become "Military graduates." The kind of "graduates" a youth becomes will depend largely on two factors, namely, (1) his character before Military Service, and (2) the influences thrown around him during his tour of Military duty.

It is hoped that every church will realize the need for an effective ministry to its youth facing, engaged in, and returning from Military Service.

The churches have in the steady stream of youth into and out of military service an unparalleled Missionary opportunity. If one out of ten of our Southern Baptists serving in the military services of our Country should

be possessed of the will to witness where ever he went, more than 5,700 missionaries at home and abroad could be added to our present force. Let it be said that many are serving at home and in foreign countries as dedicated witnesses for Christ.

Besides this, many of these "Military Missionaries" will return to their Churches fully committed to the causes of World Missions. Others will have heard and answered the call to full-time Mission service.

It is our prayer that in the coming year we will have a wider and more realistic approach to our current program; (1) In our four major Military Areas, i.e.; Fayetteville—Fort Bragg Area. Jacksonville—Camp Lejeune Area, Cherry Point Area, Goldsboro—Seymour-Johnson Area; that we work toward associates to our present Military Worker or Associational Missionaries who could devote approximately half-time to Military Ministry, (2) That in the Fayetteville—Fort Bragg Area we may do something about meeting the need for a Baptist Military Center to provide significant means for involving single Military men in Christian growth. It could serve as a facility for church-related endeavor to assist the local churches in meeting the needs of our Young Military Men.

This year we have had the opportunity to work some in the Cherry Point and Camp Lejeune Areas, as well as many other parts of our state. Other statistics show the following:

1. Spent 306 days on the field
2. Traveled 19,760 miles on the field
3. Visited 87 churches
4. Visited 2 Missions
5. Delivered 81 Sermons and Addresses
6. Conducted 24 Prayer Meetings
7. Conducted 1 Revival
8. Made 119 Soul-Winning Visits
9. Made 1,379 Other Religious Visits
10. Distributed 58 Bibles and portions
11. Distributed 9,700 tracts and Literature
12. 1 School of Missions
13. 258 Conferences with individuals
14. 82 Conferences with committees
15. Taught 36 Classes
16. Professions of Faith—49
17. Additions by Letter—46
18. Re-dedications—101
19. Surveys Made—2

As Director of Military work I thank God for his continued blessings upon our labors, and to Dr. W. Perry Crouch, Dr. E. L. Spivey, Dr. William Smith, and for other fellow co-laborers for the wonderful cooperation during this year.

My family and I count it a privilege to serve with the North Carolina Baptists in this ministry for our Lord.

EVANGELISM REPORT

The special Baptist Jubilee Advance five year effort in evangelism and missions on the part of the Baptists of North America came to a close at the joint meeting of the groups in Atlantic City in May, 1964. What was

done is now history and we cannot go back and improve the record.

THE INEVITABLE QUESTION ARISES, "WHERE DO WE GO FROM HERE?" WHAT SHALL WE DO IN 1965?

Most of us need to take a fresh look at evangelism as it is practiced in our personal lives and in our local church. To do this on the right basis we must first make an earnest effort to see what evangelism is as it is revealed in the New Testament. EVANGELISM is the outreach of the church by the confrontation with the gospel of Christ to bring people to a personal faith and commitment to Christ as Saviour and Lord, in order that the committed may become a part of the outreach.

This wonderful experience of Christ confronting the lost through His people will not become a reality in a life or a church merely by accepting and adopting a creed, a statement of faith and doctrine, a set of rules for conduct. There must be the experience of being IN CHRIST and a perennial vigilance in seeking to be used of Christ in His purpose of redemption. In the light of these and other pressing truths we should ever keep before us these objectives:

(1) To keep all programming and activities aimed at creating a spiritual atmosphere for evangelism in every church.

(2) To keep alive a perennial awareness of the urgency of personal witnessing on the part of every Christian.

(3) To refine and intensify our revival efforts.

(4) To seek to keep the message positive, practical, scriptural, and spiritual with unceasing prayer and diligence.

(5) To spare nothing in seeing that the new and old church members become a part of the outreach.

The record of our association reveals the following additions to the churches in 1964: BY BAPTISM 935, BY LETTER 1,448, TOTAL 2,383.

Respectfully submitted,
Fred Culler, Chm. of Evangelism

REPORT ON VACATION BIBLE SCHOOLS

We had three Bible School Clinics this year in our Association. Beginning on Monday, March 23, 1964, at Salemburg; on Tuesday, March 24, at Temple and Thursday March 26, at Eutaw Heights. The two clinics in Fayetteville were intergrated with a grand total of 325. The following Associational Clinics workers attended the State VBS Clinic at Wingate this year: Mrs. Marion Rogers, Mrs. W. H. Ledbetter, Rev. Jack Lewis, Rev. Lawrence Childs and Rev. and Mrs. F. E. Edens.

We have reported 68 church schools and 29 mission schools, making a total of 97 Vacation Bible Schools (one less than last year). STANDARD schools reported were Bonnie Doone, Cedar Falls, Eutaw Heights, First Spring Lake, Grace, Highland, Mingo, Stoney Point, Trinity and Walstone Memorial. Eleven schools were grade "AA," five were "A," twelve were "BB" and four were grade "B." Forty-two (42) schools were grade CC and below. The grade matters little of itself, but the grade is usually indicative of the type of preparation and work done in the schools which does mean a great deal! Thus the grade may mean the difference between glorifying God and wasting God's valuable time.

We wish to thank every church and each individual who sponsored and helped in Vacation Bible Schools. Few of us know the sacrifices made by many of these workers! Few of us know the eternal joys experienced through such missionary opportunities.

Lets each of us pray and plan for our own church VBS next summer and also that each church will help in at least one Mission School.

REPORT ON N. C. BAPTIST HOSPITAL

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express their thanks for our Mother's Day gifts which make this service possible.

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. Within our state there are many older people who live on a meager Social Security or Old Age Assistance income, by long and serious illness, and great numbers who cannot rise above the poverty line. All who come must pay for their medical care in so far as they can, but there are great numbers who simply cannot pay the full cost. Our hospital tries to get all the help it can for these persons from welfare and health agencies but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bridging a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve in our communities, on our mission fields, and wherever these trained persons are so badly needed. The people of the Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

This is a heavy burden on those who are responsible for the operation of our hospital. We are confident that if our people are informed of the work and the great need, they will provide the necessary means. We call upon our pastors and other church leaders to lay this upon the hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom he would minister through us.

A. C. Tatum

SEMINARY EXTENSION REPORT

During the 1963-64 session 8 students were enrolled in the Seminary Extension Center in Fayetteville with Dr. R. F. Marshburn as teacher.

The Extension Center this session is operating in three areas of our Association with a total of 20 students enrolled.

Rev. Charles Thorne is teaching New Testament at Salemburg, Rev. Horace Barefoot is teaching Missions in Fayetteville, First Baptist Church and Rev. J. P. Johnson is teaching the New Testament Course at Spring Lake. Three other teachers had been secured to teach other classes that have been dropped through lack of interest.

Plans include the continuation of these three area centers in the Association for this next semester. Support and encouragement from pastors and church leaders is needed if the Center is to continue.

Glen Henderson, Chairman

REPORT ON BROTHERHOOD

Every church should have a Brotherhood. Such an organization is a group of men who have banded themselves together for the purpose of enlisting all the men of the church in the work of the church. With this in mind, the Brotherhood has placed a new emphasis on missions and on the

training of young boys in the work of the kingdom through the Royal Ambassador work.

Camp CaRAway, the state Royal Ambassador camp, completed its first full season with 998 boys plus staff registered for the ten weeks period. The final payment on the 1,050 acre campsite will be made in January, 1965. This is a wonderful training ground for young boys.

In the local Brotherhood organization, we had three meetings this year.

The first meeting in November 1963 was held at Temple Baptist Church. Chaplain John Lindvall brought us an inspiring message on the work of the army men and chaplains while in service in foreign countries. They are our missionaries.

On February 17, 1964, at Eutaw Heights Baptist Church, Mr. W. A. Mitchiner of Oxford, North Carolina, showed us pictures of his travels in different countries as he and his wife witnessed for Christ among all kinds of people. It was an inspiring message.

The third meeting was held at Cedar Creek Baptist Church on August 3, 1964, Brother Frank Ingram, Associational Missionary, brought us a fine message on Christian Witnessing and Christian Stewardship.

This was a good year for the Brotherhood. It joined with the W. M. U. in putting on the RA-GA Camp at Salemburg. Many boys and girls dedicated themselves to Christ during this camp period.

If your church does not have a Brotherhood, organize one immediately.

Respectfully submitted,
R. W. Boling, President

R. A. LEADER REPORT

This past year, we had one, one-night training clinic for R. A. Leaders in November.

The Association R. A.'s sponsored basketball and baseball for the R. A. Chapters this year.

The Associational RA-GA Camp was one of the highlights of the year with Rev. Lloyd Hales as Camp Director.

There are many churches in the Association without RA Programs. Let s try this year to have R. A. Chapters in each church of our Association.

Respectfully submitted,
James W. Roberts, R. A. Leader

REPORT OF THE EXECUTIVE BOARD

The four regular meetings of the Executive Board were held during the year at the Autryville Baptist Church. At each meeting the different departments gave reports, including the Treasurer, which were encouraging. The action taken by the Executive Board in each of the meetings are herein set forth:

Village Drive	3,000
Eureka	1,000
Cross Creek Mission (2nd B/C)	600
Community	1200

PURCHASE OF CH. LOTS

Village Drive	$4,000
Community (new location on west side, US 301 S.)	2,500
Heavener Acres	4,000
Eutaw Heights	1,500

February 18

In the February 18 meeting approval upon request of First Church, Dunn, to a joint working relationship with Spring Branch sponsoring a mission in the Midway area. Approval was also given to the request of the Shaw Heights Church for guidance and financial assistance in securing and holding the Shaw Heights Church two acres of land adjoining the church property.

May 15

In the May 15 meeting the Executive Board approved the purchase of a Portabs Unit as soon as funds are available. These funds must come from some source other than the budget, subject to the approval of the Finance Committee.

Upon the recommendation of the Missions Committee the Executive Board approved the appointment of an Interracial Committee the appointment to be made by the Moderator at the next Executive Board Meeting.

It was also approved that increase in Pastoral Aid for the Community Baptist Church be made retroactive to May 11, based upon the fact of the pastor being called full time.

Approval was made of a loan from the Home Mission Board and the State Convention for the building of a new Community Baptist Church to be known as the Lake Lynn Baptist Church.

It was also approved that the Seminary Extension Center be opened on an Interracial basis.

The Finance Committee recommended that the churches increase their Associational giving one percent until the goal of 5% is reached, that our Association may more adequately meet the Mission needs all about us. This was approved.

It was also recommended that our Association have the Stewardship Development Program for Associations in the year 1965. This was approved.

At the August 21 meeting the new budget for the new year was presented. After an explanation and discussion of the expansion of the Director of Military Ministry to a state-wide office, the salary for which has been assumed by the state mission office in Raleigh, it was agreed that the $4,000.00 remain in the budget in the hope of obtaining a full-time worker for, and with-in this Association. With this explanation the committee received the proposed budget from the Finance Committee.

The recommendation of the Mission Committee was as follows: "We recommend that the proceeds from the sale of the Associational Parsonage be made available for use by the Missions Committee in implementing new work and strengthening some of the existing work within our Association." After some discussion the Executive Board voted that the matter be referred to the Annual Session of the Association.

Upon an order from a previous Executive Board meeting the Moderator

appointed an Interracial Committee as follows:

Three Ministers:	Rev. Harold Bridges, Chairman
	Rev. W. H. Calcutt
	Rev. Gordon Shaw
Two Laymen:	Mr. W. J. Blanchard
	Mr. R. W. Boling
Two Ladies:	Mrs. Wayne Lee
	Mrs. R. G. Creech

A motion was made that this Committee become a standing Committee, and that the Committee on Constitution be asked to work out the necessary changes to make the Inter-racial Committee part of the Associational Organization.

Respectfully submitted,
G. N. Ashley

ASSOCIATIONAL MISSIONARY REPORT

Our Associational work has been marked, we feel, by an increased spirit of unity and concern for the total progress of our Baptist work. For this we give thanks to God.

The Association has responded to the request of a member church for guidance and financial help without endangering the autonomy of the local church. Such response reveals a Christ-like approach in meeting a need by stretching forth a hand of love in a time of crucial circumstances. In this way we not only make valid our professed concern for the churches of our fellowship, but we strengthen the ministry of the gospel in this particular case, in the Shaw Heights community and to the uttermost parts of the world.

This year has been an encouraging year in the growth of the Missions Investors Club. The opportunities and challenges that may be realized through this club is of unparalleled significance at this time. Our largest response to any single "call" this year amounted to nearly $1,000.00, more than doubling that of any previous call. For this we are deeply grateful.

When it seemed that our Mission Bible School program would be much weaker than last year, concerned leadership in several of our churches across the association enabled us to have 29 Mission Bible Schools with an enrollment of over 1900. Some churches gave designated financial assistance while others enlisted the teachers and workers as well. Some of these workers commuted as many as 30 or 40 miles one way for the entire week to sponsor Missions Schools.

Financially, encouragement is seen across the Association. Nearly every church has made some financial contribution to the Associational Program. Several churches started giving on the **percentage basis** this past year.

Our Executive Committee suggests and encourages the churches to increase their giving by 1% of the total church receipts each year until the goal of 5% is reached.

More churches are changing to the percentage basis giving and other churches are making the 1% increase. A church may be like individuals who give a few more dollars this year than the year before but percentage wise are actually giving much less.

Increased giving by individuals and churches can well be a healthy indication of the spiritual concern and burden for the multitudes about us

who need our Saviour. What is the giving trend of your church and what does it indicate?

Some of the missionary's work this year may be summarized as follows:
—visited or spoken in about 70 of our churches and missions
—1,610 personal conferences
—95 plus group conferences and committee meetings
—attended Associational Missionaries Conference at Louisville
—participated in a School of Missions in Robeson Association
—18,000 miles traveled

Charles A. Stevens

REPORT ON NORTH CAROLINA BAPTIST COLLEGES

During the past 25 years North Carolina Baptist Colleges have enjoyed a phenomenal growth. Today in these seven Baptist Colleges, we have enrolled more than 11,000 students. The property value of the seven colleges exceeds $60,000,000. They have graduated almost 50,000 students. Of special interest to our church people is the fact that enrolled in these seven colleges are 426 young men and women studying to be pastors, missionaries, directors of religious education, and leaders in church music.

The Southern Association of Colleges and Schools requires a guaranteed annual endowment or income before a school can be accredited. Without this accreditation, students should not enter the ministry or practice a single profession. The Cooperative Program income represents an endowment of approximately $33,000,000. It is imperative therefore, that we increase our Cooperative Program giving as rapidly as possible.

Our Council on Christian Education is trying to make a Christian Education available to all who desire it. A fine Christian doctor said recently, "I enrolled as a freshman in a North Carolina Baptist College at the age of sixteen. This college had more to do with the shaping of my life and Christian commitment than any other experience outside of my own family." This Council on Christian Education has prepared a pamphlet directed towards young people in the local church who wish to attend a Baptist College. It shows parents how to figure the actual college cost, what financial help is available, and how to get information about these Baptist Colleges and about admission procedures. Copies may be obtained by writing the Council Office in Raleigh, North Carolina.

The colleges would like to take this opportunity to express through the Association to our Baptist Churches a genuine appreciation for the support which is making possible the continued operation of these colleges.

R. W. Boling, College Representative

REPORT ON BAPTIST CHILDREN'S HOMES

Helping Children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present, and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value.

They are provided food, and clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again . . . learn to trust in themselves, in adults and in God.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: "Living at one of the homes has give me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow and to serve Christ as my Saviour, I want North Carolina Baptists to know how very much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love and care."

Application for the admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in child care await our attention. Many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Genuine appreciation is expressed by those who direct our child care program for all who have helped to make this ministry possible. Income through the Cooperative Program, through the Thanksgiving Offering and through special gifts are vital to the services which are provided those who need our help. Financial support for the past year has come from the following sources:

Cooperative Program	36 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-month Offerings	15 Per Cent
All Other	19 Per Cent

Most North Carolina Baptists are well acquainted with **Charity and Children,** official publication of the Baptist Children's Homes. This unique Newspaper is published each week and goes to more than 55,000 subscribers. Well over half the Baptist Churches in the state receive it in bundles for distribution to the members on Sunday. See that your church receives **Charity and Children** so that every family may be better informed about the work of North Carolina Baptists, and particularly the program of child care. The subscription price is sixty cents per year in bundle form.

ANNUAL SESSION OF WOMAN'S MISSIONARY UNION

The New South River Woman's Missionary Union held its Annual Session April 6 and 7, 1964, at Carroll Memorial Church. Mrs. R. G. Creech, president, called the meeting to order by reading the Proclamation of the Third Jubilee of Baptists, the 150th year of Baptists of North America.

Mrs. Johnnie Rice, prayer chairman, read the calendar of prayer and the Rev. Charles Stevens, Associational Missionary, gave the devotion and prayer.

A cordial welcome was extended by Mrs. Creech and Mrs. Henry Harden, W. M. U. president at Carroll Memorial at both evening and morning sessions.

The Missions Investors Club was explained at the evening session by Mrs. Creech and at the morning session by Mr. Stevens.

Mr. Stevens presented Chaplain John Lindvall, Senior Chaplain of the 82nd A. B. Division at Fort Bragg, who spoke of the many places where he has served in the world, saying that the Gospel is desperately needed every place and urged this great sleeping giant, The Southern Baptists Group to awake to the urgency.

Miss Theresa Anderson, Missionary to the Philippines and formerly in China was introduced by Mrs. Vernon Goodwin. Prior to Miss Anderson's discussion of her work in the Philippines, a trio from Calvary Church sang the "Ninety and Nine."

Registration for the evening session was 106 with 24 churches represented, and for the morning session 96 registered.

A Pageant, "Candles Can Talk" was given at the morning session by the officers of the Association. This was a very effective way to urge Christians to see their responsibility of working for Christ.

Special speakers for the morning session were Mr. Ned Beatty, Military Liaison State and Home Missionary, and Miss Theresa Anderson, foreign missionary.

The report of the W.M.U. was given by the president. There were: 1 honor W.M.S., Mt. Elam; 1 honor Y. W. A., Spring Lake First; 2

honor G. A.'s Mt. Elam (9-12), and Snyder Memorial (13-15;) 1 honor Sunbeam, Center (4-8), and the advanced and approved were also reported.

An inspiring solo "So Send I You" was sung by Mrs. Jack Morgan of Eureka Church.

An invitation for the 1965 meeting from Grace Church was accepted.

The reports of all the committees were given.

New Officers were elected. A prayer of dedication was given by Rev. Charles Stevens.

An offering of $100.42 was taken for Miss Theresa Anderson as her home had been destroyed by fire while she has been in the States on furlough. She thanked everyone for their generosity.

Mrs. Creech thanked the women for their cooperation during her three years as president and recognized Mrs. Rice, the new president, Mrs. Rice thanked everyone for their confidence and asked for a standing vote of thanks to Mrs. Creech.

Rev. Tatum, pastor of Carroll Memorial, led the closing prayer and the blessing for the delicious lunch, which was served by the W.M.U. of Carroll Memorial Church.

Respectfully submitted,

SUNDAY SCHOOL REPORT

The Great Commission of our Lord is just as relevant in our generation as it was in the first Christian century. We are to "**Go** and **teach** all nations, **baptizing** them in the name of the Father, and of the Son, and of the Holy Ghost; **teaching** them to observe all things."

The Sunday Schools of our churches have been assigned the tasks of outreach, teaching the Bible, leading all church members to worship and witness daily, providing opportunities to perform the personal ministries of the church, furnishing workers for various projects, and interpreting the work of the church and denomination.

Dr. A. V. Washburn, secretary of our Southern Baptist Sunday Schools, says "Before outreach can become a continuing reality, our churches must get their programs in the right order. The natural order is the reaching of people, the winning of the lost, and the development that should come out of it."

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal we must gain approximately 30% in the next six years. In North Carolina we are challenged to reach a Sunday School enrollment of one million by 1970, or a gain of 29%. This tremendous task of outreach must have priority.

We are asking each Sunday School in our association to accept an enrollment increase of 2% for 1965, 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. **Evangelism, stewardship, missions, discipleship**—all of these wait upon Outreach. People must be our concern.

These enrollment gains can be realized by organizing new Sunday Schools (a new Sunday School will gain 30); the creation of Extension Bible classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and Young People Away departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday School.

If we will follow the simple growth formula advocated by Dr. Arthur Flake many years ago—locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people—we will experience the glorious opportunity of reaching people for Bible study that they might become followers of Jesus Christ.

Along with an accelerated emphasis upon outreach, each Sunday School is urged to observe January Week of Bible Study, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities of training in the Church Study Course, to cooperate in the Adult Thrust effort to reach thousands of adult church members not enrolled in Sunday School, to participate in the associational Sunday School projects clinics, conferences, enlargement campaigns, and to encourage workers to attend the Sunday School emphases at the N. C. Baptist Assembly, Fruitland, and Ridgecrest. As our Sunday Schools go, so will our churches go.

Lawrence Childs, S. S. Supt.

TRAINING UNION REPORT

Looking back over our figures and records for this year, we did not meet all our goals which we were hoping to reach. Statistical figures can never tell the story of the results of our Training Program. Although our total enrollment is not as great as several years ago, I do see the results from the churches who have strong Training Unions. Looking at our churches who have strong Training Unions, you see better leadership in the church, more people being won to Christ, strong organizations within the church. This is the purpose of Training Union to train our Church members. A church without a Training Union is like an army without a General, like a football team without a Coach. How many Churches do we have on Sunday evening with closed doors? Where are our church members? This is a question we should all be concerned about. Where are the leaders of tomorrow coming from?

We are setting our goals high for the coming year and we have great things in the planning as we think last year was a very good year in our Training program. Last year we had twice as many Juniors in our memory work. Our Intermediate Sword drill winner was a four year winner and reached the State finals. Our "M" night was a great success as it has been in the past years.

Your Director has attended the State Planning Meeting at High Point, taught in four study courses, visited 31 churches, and traveled 4,714 miles, helped in two other associations in training programs.

Continue to support your training program that we may have many trained workers and no church in our association will be dark on Sunday evening.

W. H. Ledbetter

STATE MISSIONS REPORT

It is not a simple matter to tell the whole story of State Missions. It is a varied ministry with many facets and channels. Through necessity, there are programs, plans and procedures, but let's remember this: people constitute the heart of State Missions.

State Missions is children of Military personnel going to Vacation Bible School under a tent at Fort Bragg. It is providing a ministry to confused and mixed up young girls at Samarcand Manor. It is building bridges of understanding and cooperation with Negro Baptist brethren. It is giving serious minded preachers a chance to go to school at Fruitland even though they are 40-50 years old and not in a position to go to college or seminary. It is teaching adults to read in the Western North Carolina mountains or far to the east in Edenton.

Assistance on pastors' salaries alone in churches across the State will amount to $86,840.00 aid on lots for churches will be about $41,800 this year. Of the more than 2,500 churches and missions in the State nearly 2,000 of them have aided the State Missions in early stages of development.

Over $10,000.00 has been allocated for our own Association this calendar year for pastors aid, on purchase of lots and assistance in our Association Program. There are more than 30 phases of the State Mission Program. These are more deserving of better support than has been received in recent years. The goal this year is $165,000.00, a conservative attainable figure. With Baptists comprising nearly one-fourth of the States 4,000,000 plus people and about one-half the states-church membership, the challenge of our states' mission needs should be matched with tangible evidence of our concern through a worthy response to the State Missions Offering.

HOME MISSION REPORT

The Southern Baptist Home Mission Board in session at Ridgecrest asked the 53 year old director of its huge mission division to become its executive secretary, the fourteenth in its 119 years of service. He is Dr. Arthur B. Rutledge, who for the past five years has directed the departments which employ most of the agencys, 2,342 missionaries serving in the United States, Cuba, and Panama. Dr. Courts Redford will close on December 31, his eleventh year as Executive Secretary.

The change in top leadership of the mission agency comes at a time when a new promotional program must be announced since this year closes five years of Baptist Jubilee Advance. The programs of each of the agencies of the Southern Baptist Convention are being studied and those of the Home Mission Board are yet to be adopted by the Convention.

A new ministry adopted by the Home Mission Board is being instituted this fall. The ministry, know as the "US-2," is an attempt to keep 50 students at work continuously on mission fields. Twenty-five will be appointed each year. US-2 is designed to appeal to the laymen, not just the mission volunteer. It is an expansion of our ten-week student summer missionary and our permanent tentmaker ministries. The US-2 appointees will work with missionaries or take the place of missionaries on leave or in language school. Such work will include Nursing Centers, Good-will Centers, Mission Centers, language areas or new missions and churches throughout the United States.

After eight years of intensive promotion by the denomination the 30,000 Movement is drawing to a close. When the reports are all in, it seems most likely that some 26,000–6,093 churches and 16,875 missions will have been started. It is true not all churches within the convention participated actively within the movement but when 85% of a goal of this magnitude

is reached, surely no one can conceive of the effort as a failure.

In the Pioneer Areas where 20 years ago Southern Baptist Churches could have been counted on your hands and toes, there now is numbered some 3,000. The Home Mission Board is committed to a continued effort of church extension as has been seen in the 30,000 movement.

The success or failure of a program does not depend on plans as such but on those individuals who are in the heart of the work. Home Mission appointees must be those who are themselves willing to reject the glamour of other areas, the security of other work, the ease of working with established work or with their own race. They must be prepared to be rejected by some because of the people with whom they work. The task of being a home missionary demands the love, conviction and willingness to reject and be rejected in order to share the message of God's love. Let us pray for these continually.

Respectfully submitted,
Lloyd Foster

REPORT ON FOREIGN MISSIONS

As of April 1964 there were 1806 active missionaries (including 25 missionary associates and 2 special project nurses) and 184 emeritus missionaries of the Foreign Mission Board. Others have been appointed in recent months and would be added to this number. There is the fact that on the average there are 17 missionary losses based on factors other than retirement. Therefore the number of active missionaries does not automatically increase by the number of appointed.

The greatest incidence of loss occurs after five to nine years of service. The second highest rate of loss is during the first five years.

We are now moving into a great new thrust calling for 5,000 new missionaries at the earliest possible date. This new advance emphasis is called the Missionary Journey-man Program.

The Missionary Journey-man Program is designed to mobilize Baptist youth for Christian witnessing abroad. By September 1, 1965, the first 50 Missionary Journey-men will be selected and trained for assignments overseas. They will serve in many of the 56 countries where Southern Baptists now have Mission work.

The Journey-men will be Baptist young people under 27 years of age who are leaders in the fields of education, youth work, medical profession and clerical positions. The hours will be long and the pay low, but the rewards are great.

The Lottie Moon Christmas Offerings always has a significant place in the total Foreign Missions Program. This past year we came short of the goal of $11,700,000 by nearly $750,000. The total gifts for Foreign Missions in 1963 (gifts from the Cooperative Program and the Lottie Moon Offering) amounted to $21,431,202 or 3.9% of the total gifts for all our Southern Baptist work. If Southern Baptists had tithed their total income, 3.9% of this tithe would have amounted to $99,089,961.

Of the $21,431,202 received by the Foreign Mission Board, 92.55% was used in Service in Foreign Fields with only 7.45% being used for administrative and promotional expenses at home.

As in previous years, we express again the hope that every church will enlarge its support of missions through the Cooperative Program. Surely each church should increase by at least 2 percent in 1965 the amount for this, the basic plan of support for the world outreach of our denomination. Its potential is yet to be realized.

Let us be much in prayer for our Foreign Mission Board and the work on the foreign fields, and remember to support our missionaries with our prayers and our gifts.

Respectfully submitted,
Mrs. E. C. Jackson

REPORT ON ANNUITY BOARD 1964

New "Life Benefit Plan" Is Offered to Church and Denominational Employees

Every pastor, church and denominational employee is eligible for the new group term life benefit plan being offered by the Annuity Board, regardless of whether they are a member of one of the Board's retirement plans.

Cost is Low—The new plan provides low cost life protection to members while in active service, during disability or in actual retirement. Cost is only 1% of the annual salary basis, with minimum basis of participation set at $4000 and maximum at $12,000. Minimum payments will be $3.34 a month and maximum payments, $10.

Benefits are Large—The widow or beneficiary of a member 45 or under will receive 2½ times his salary basis of participation in event of his death. Thus the widow of a man 44 years of age who was paying on a $12,000 salary basis would receive $30,000. After the member passes 45 benefits are scaled downward by 1/10th of a percent each year as he gets older. At age 65, the member who joined during the first year of eligibility and paid at least 10 years continuously prior to retirement will have a paid up benefit of $1,000, or an amount equal to total contributions, if less than $1,000. In case of total and presumably permanent disability, the members payments are waived, but his coverage continues.

Membership In Retirement Plans

As of May 1, 1964, there were 16,251, or 50% of the total churches in the Southern Baptist Convention participating in the Annuity's Board's retirement program with their pastors.

AUDITOR'S REPORT

For the Fiscal year ended September 30, 1964. Our examination of recorded cash transactions was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statement presents fairly the recorded cash receipts and disbursements of the New South River Baptist Association for the fiscal year ended September 30, 1964, on a basis consistent with that of the preceding year.

REPORT OF HISTORIAN

In 1904 the South River Baptist Association held its 28th Annual Ssession with Baptist Chapel Baptist Church, October 19, 20, and 21. This indicates that the South River Baptist Association had its beginning close to the year 1875 and its First Annual Session in the fall of 1876. At this time, in this Association, Pineland College (1875) had its beginning in Salemburg, N. C.

In 1924 the South River Baptist Association (in connection with its 48th Annual Sessions united with the Cumberland Baptist Association and made the New South River Baptist Association a reality. This new Associa-

tion held its First Annual Session with Autryville Baptist Church October 15, 16, 17, 1924. During this year there were fifty churches that reported 5,920 members, 250 baptisms, 5,968 enrolled in Sunday School, $39,273 given to local work, $18,782 given to denominational causes other than the 75-million campaign gifts.

During the year 1963 (some 40 years later) the number of churches totaled 71, missions 7, members 22,332, baptisms 923, enrolled in Sunday School 19,613, expended for local work $1,038,190, and given for all mission work $193,847.

The outstanding challenge for recent years, and especially for the present year, has been the Fayetteville—Fort Bragg—Spring Lake Area. On January 1, 1962, the Division of Missions of the Baptist State Convention, assisted by the Home Mission Board, placed a Military Personnel Visitor in the Fort Bragg Area, to work in close cooperation with the chaplains, the churches, and the Association. His responsibility was and is to help find and enlist in the churches the Baptist and the other un-enlisted. Since this date, the New South River Baptist Association, through its Missions Committee, Missionary, and Military Personnel Worker, has been promoting whole-heartedly the establishment of new missions of all types. There are at present 8 mission chapels, 20 institutional type missions, 3 Bible study classes, and one preaching station a total of 31 missions in the Association. During the summer of 1963 thirty Mission Vacation Bible Schools were held in this Fort Bragg Area, reaching a total of 2,135 children. Here is a challenge for all of us in each church to give and to pray that the Lord's workers may be equal to this challenging task.

What will our total record be for 1964 (our 41st Annual Session)? A careful study of the progress of the churches, in each phase of work, will be most interesting and challenging. Again we shall be grateful to our Associational clerk for the historical facts gleaned from the letters from the churches in 1964. These facts can be included in our associational minutes for the churches. We hope every church and mission will report their special accomplishments for His glory during this eventful year.

R. F. Marshburn, Historian

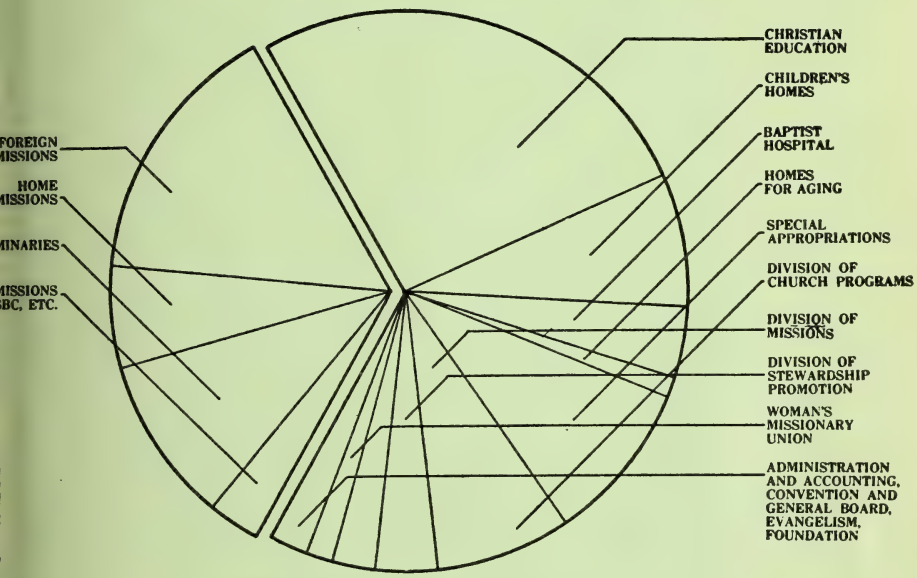
THE COOPERATIVE PROGRAM DOLLAR



IS AT WORK FOR YOU IN

WORLD MISSIONS

Foreign Missions is not World Missions; nor is Home Missions; nor State Missions. However, we can join together these areas of endeavor with that in our association, our Christian Colleges, our child and Medical Care Institutions and other programs to meet world need and all together we have true **World Missions.**

This is what Baptists have in the **Cooperative Program.** Use it as the Channel by which you, through your church, may help win a lost World to Jesus Christ.

★ **Every Church Giving at least 10%**

★ **Every Church Moving up 2% each year**

The Report entitled: METROPOLITAN MISSONS INSTITUTE, NEW SOUTH RIVER BAPTIST ASSOCIATION, FAYETTEVILLE, N. C. This report was prepared under the guidance of Rev. E. C. Upchurch, Church Development Department of the Baptist State Convention, assisted by Dr. Clovis Brantley, Director of Mission Centers work of the Home Mission Board and Dr. Bill Crews, Director of the Juvenile Rehabilitation work also of the Home Mission Board. Members of the Associational Council, Military Personnel Ministries Committee, Missions and the

Staff of the Association participated and assisted in the study. The report is printed following the minutes of this meeting. The Clerk placed the matter in motion. It was seconded, and motion carried unanimously. The pastor, Rev. Jack Weaver, expressed appreciation to the Association and to all who gave assistance in the formation and growth of the Village Baptist Church.

4. The Powell Committee Report was called for by the Moderator. It was presented by Brother Parker Poole who placed its adoption in motion.

REPORT OF SPECIAL STUDY COMMITTEE

October 20, 1965

Following an urgent appeal from Mrs. W. H. Powell, a Special Study Committee was appointed by the Moderator to study the advisability of establishing a nursing-rest home on the Powell property. The committee appointed was:

C. Parker Poole, Chairman
Sidney Autry
Frank Ceruzzi
Lacy Collier
Ruth Faires
I. B. Julian
H. H. Langford
W. L. West

This recommendation came from the Study Committee after months of meetings, study and research. Valuable help was given by the Cumberland County Welfare Department, the N. C. Welfare and Health Department, and the County Hospital Boards' study and survey.

Every group contacted stressed the urgent need for such services, now, and the dire need that we face in the next few years.

The Committee expressed the feeling that:

1. Baptists' applications would be given priority.
2. The Association would not be involved in spending any money.
3. The idle land—as valuable as it is—should be put to a christian use.
4. The entire tract of land should be developed along with the project so that it could be used as an Association Retreat Area.

The following recommendation was passed by the New South River Association Executive Committee on August 20, 1965, and by the Pastor's Meeting on October 4, 1965:

"The Special Study Committee recommends to the New South River Association that it approve a plan for establishing a combination rest home and nursing home and that the Trustees be authorized to mortgage the

Powell property in a sum sufficient to finance the construction of a building suitable for the operation of the home. It was further recommended that a committee be appointed to form a non-profit corporation to operate the home under lease from the Association. (With the stipulation that Federal Funds not be used.)"

Respectfully submitted:
C. Parker Poole, Chairman

The motion was seconded, and after some discussion the vote was taken and the motion carried.

5. The Clark presented the Digest of Letters and Organizational Reports.

6. The clerk read the report of Nominating Committee and it was adopted.

7. The Association then stood to sing a hymn.

8. A message on the "Tithe Now" program was presented by the Rev. Harold White, Promotion Secretary, Division of Stewardship, Baptist State Convention.

9. The Treasurer's report was presented by the Treasurer, the Rev. H. E. Langford, and was adopted by the Association.

10. The Moderator pointed out the reports of the Children's Home, the Homes for the Aging and the Baptist Hospital in the Advance Reports. These reports were adopted by the Association.

11. A Quartet composed of Jack Alexander, Roy Walker, Dwane Campbell and Charles Gatwood sang "God of Grace and Glory".

12. Dr. English Jones was not able to appear and his place was filled by Mr. Pendergraph of Pembroke College, speaking for the Social Service Committee of our Convention.

13. The Association was adjourned until 4:00 P.M. Thursday afternoon.

GRACE BAPTIST CHURCH

OCTOBER 21, 1965—THURSDAY AFTERNOON

1. Moderator G. N. Ashley called the meeting to order at 4:10 P.M.

2. After a period of worship consisting of two hymns: "I Love Thy Kingdom, Lord," and "On Jordan's Stormy Banks I Stand," Scripture reading by the Rev. Robert P. Steinmetz and prayer by the Rev. Tom Barnes, the moderator declared the session open for Miscellaneous Business.

3. The Rev. James Cammack, who announced that he voted

for the Powell Property recommendation on the previous day, moved that the matter be opened for re-consideration. The motion carried. The motion adopted was as follows:

"I move the reconsideration of this body's action to establish a Nursing home on the Powell Property."

4. Brother Cammack then said:
   1. In light of Mrs. Powell's willingness that land be used for any worthy religious cause
   2. In light of numerous complications entailed in our Association entering such a highly specialized field as a Nursing Home
   3. And in the light of the possibility of hindering the expansion of our total Associational ministry

   I move you, sir, that the matter of the establishment of a Nursing Home by our Association be referred to the Associational Council for long range planning, and that it be studied in its relationship to all other anticipated projected programs of the Association, and that the final decision be brought back to the Executive Committee or the Association along with any other long-range programs for consideration before any final action is taken.

   The motion carried without an opposing vote.

5. The Moderator requested the clerk to brief the Association on the matter of the Metropolitan Missions Institute Report which had been presented the day before and upon which action had been delayed until this time. The motion as read by the clerk was as follows:

"The New South River Baptist Association hereby approves the recommended Metropolitan Associational Program of work and authorizes the missionary, Associational Staff ad the Associational Council to co-ordinate and implement the said plans of the suggested program. This work is to be done in cooperation with Associational Officers, committees, and organizations as needed.

The Superintendent of Associational Missions, Staff and Associational Council will:

1. Indicate the Associational Officers, committees and organizations those portions of the Association Development Program which requires ac-

tion(s) by them or with them in assuming their specific responsibilities in carrying out the plans.

2. Establish a system of regular reports by which Associational Officers report periodically to the Association Council and/or the Association on their actual accomplishments in carrying out the Associational development plans.
3. Provide for systematic evaluation of Associational-wide accomplishments of the Development Plans and report this evaluation to the Annual Association.

An amendment was made by Brother Jack Weaver as follows (indicated by bold face words): "The New South River Baptist Association hereby approves the recommended Metropolitian Associational Program of work and authorizes the missionary, Associational Staff and the Associational Council to co-ordinate and implement the said plans of the suggested program, **subject to the approval of the Executive Committee or the Association.** (no further change in original motion) The amendment carried, and then, after much discussion, the motion as amended carried.

6. The Rev. James C. Cammack brought report on Evangelism. Report was adopted.

7. The Report on State Missions was pointed out in the Advance Report by the Rev. H. E. Langford. This report was adopted. The Rev. Jack Weaver brought a testimony on the importance of the Pastoral Aid of State Missions. Mr. James Sasser presented some Japanese Ladies who had been won to faith in Jesus Christ partially through the ministry of State Missions.

8. Christian Literature – **Biblical Recorder** Report was presented by Mrs. Ralph Faires in a most dramatic way. Mrs. Faires came to the platform wearing a dress made of **Biblical Recorder** front covers and began her report with the remark: "I'm all wrapped up in the **Biblical Recorder.**" Roger Branch spoke briefly for the **Recorder.**

9. The Rev. D. H. Lowder brought the report of the Finance and Budget Committee. He presented the budget as printed in the Advance Report. The budget was adopted.

10. The Association joined in singing "All Hail the Power of Jesus' Name".

11. The report on Christian Education was presented by Brother Dwane Campbell.

a. The first resolution read as follows: "Resolved that the New South River Association express its appreciation to the Mingo and Grace Baptist Churches for the hospitality and the labor of love which was expressed in the well-prepared meals." Adopted.

b. The second resolution was handed to the Chairman of the Resolutions committee by the Rev. Roy Hood and read as follows: "Since the Christian gospel is a prophetic gospel, a gospel of truth, a gospel of love, a gospel of compassionate concern for all people, and since our Saviour set an example of the eternal worth of every person in which He came in contact, and since our Bible and our Saviour teaches us to love

our God with all our heart, soul, and mind, and our neighbor as ourselves, therefore, be it resolved:
FIRST: that the New South River Baptist Association be true to her God as revealed in Jesus, her Bible which reveals that God is no respector of persons, her Baptist hertiage of one gospel for all people, and her profession of Christian faith in prophetically preaching new life in Jesus Christ – new life to replace the old, new faith to replace blinding fears, new power to overcome binding obstacles, new love to overcome blatent prejudices, bigoted hatred, and sinful racial pride, new vision to see that in Christ Jesus, all people are one and the same body, the body of Christ.
SECOND: That this association of Baptists go on record as opposing any person or group that uses the sacred symbol of the Christian gospel in promoting sinful, sinister disintergration of a church, a community, a state, a nation or the world.
THIRD: that this association of Baptists go on record and publically announce its strict opposition to the Ku Klux Klan along with any other group of the same nature." Adopted.

c. Third resolution was handed to the Committee by the Rev. Marvin Faile and was read as follows: "Whereby a Communist has been invited according to the newspaper reports to speak on the Campus of Wake Forest College, whereas this action is unchristian, unAmerican and unnecessary, whereas the administration of Wake Forest College has apparently done nothing to rectify this deplorable situation be it therefore resolved that the New South River Baptist Association go on record asking the administration and student leaders to reconsider this action.
Be It Further Resolved that a copy of this resolution be sent to the Fayetteville Observer, the Biblical Recorder and the president of Wake Forest College." Adopted.

5. The Moderator called for the report from the Committee on Place and Preacher. The Committee reported that they recommended the first day meeting with the Salemburg Baptist Church,

and the second day at the Walstone Baptist Church, with the Rev. Berkley Helms preacher, alternate, the Rev. Jack Weaver. Adopted.

6. A motion was made that the Association give a vote of appreciation to the moderator and the Associational Missionary. The Association gave a rising vote of appreciation.

7. Our memorial service was led by Dr. Louis Gaines. The Association stood for a moment of silence in memory of those who have gone on before, after which Dr. Gaines led the Association in prayer.

sions was presented by Mr. and Mrs. W. A. Mitchiner, members of the Home and Foreign Missions Boards.

11. The Moderator presented the gavel to the new Moderator, the Rev. Horace Barefoot.

METROPOLITAN MISSIONS INSTITUTE
NEW SOUTH RIVER BAPTIST ASSOCIATION
FAYETTEVILLE, N. C.

This study has been made at the request of the 1964 Annual Meeting of the New South River Baptist Association, under the guidance of Rev. E. C. Upchurch, Church Development Department of the Baptist State Convention.

He was assisted in the study by Dr. Clovis Brantley, Director of Mission Centers Work of the Home Mission Board and Dr. Bill Crews, Director of the Juvenile Rehabilitation work also of the Home Mission Board. Members of the Associational Council, Military Personnel Ministries Committee and Mission Committee, as well as the Staff of the Association participated and assisted in the study.

RECOMMENDATION

I. LOCATION OF ASSOCIATIONAL OFFICE AND BAPTIST CENTER

a. We recommend that the New South River Baptist Association look with favor in establishing a downtown Baptist Center on the corner of Rowan Green Street. This Baptist Center should include office space for the present and the proposed Associational workers with conference rooms, Library-reading rooms, information center and welfare center in keeping with an expanded Metropolitan Associational Ministry.

b. Alternate: Consider the purchase of the present Olive Building and adapt it to meet present and proposed Associational needs as stated above. Our preference is to purchase (if possible) stated in (1) above

and use the existing building on this property until a new building can be constructed.

c. We recommend, because of its location, that the Powell Property, if unavailable to convert to other usage for furthering the Association Program, be released back to the owner, rather than possibly jeopardize the immediate projection of the Metropolitan Development Program.

II. CHURCH EXTENSION AND DEVELOPMENT

a. The possible establishment of church-type mission and/or Sunday School Missions should be considered in the future for the following areas:
(1) Lake Rim Areas (on Raeford Road near Hoke County Line)
(2) Montclair Area
(3) Arran Lakes & Arran Hills Area
(4) Harnett Lakes Area
(5) Ponderosa Area
(6) College Lakes

b. Consideration should be given to establishing three to five home fellowship groups and trailer park chapel missions each year until all areas of needs have been reached.

c. It is recommended that churches be established on a population, density plus distance criteria rather than a mileage basis alone.

d. It is recommended that churches participate in a church member location study.

e. It is recommended that the new work be nurtured through the State Convention and Home Mission Board plans for church development.

III. MISSION CENTERS AND WEEK-DAY MINISTRY (proposed by Dr. Clovis Brantley)

"After visiting the areas and studying the available information, it is my recommendation that the long-range plan include the following areas of work:

1. Mission Centers

a. Cross Creek Chapel sponsored by Second Baptist Church should do full mission center work as described below.

b. Cool Spring Mission sponsored by First Baptist Church should develop full Mission Center Program as described below.

c. That Cross Creek Chapel and Cool Spring Mission should be combined under one director and wife to develop programs at both places working at each center with a well-planned week-day program.

d. That this work be made an Associational project.

e. That sponsoring churches continue through the Association to support financially the centers.

f. That the directors will train and use associational volunteers.

g. That the total mission center project be made part of the Associational Program Budget.

h. That the operating committee (a sub-committee of the Associational Missions Committee) be named to operate the Centers.

A system for training and assigning volunteer workers to assist be developed in centers and church programs week-day ministries.

(It is understood that this is a suggested projected plan and if adopted by the Association, the fulfillment of such plans will of necessity be dependent upon agreement of details involved between the Association and the sponsoring churches of the Mission.)

2. Church Community Week-day Program could be used in the following churches:
   a. Second Baptist Church
   b. Massey Hill Baptist Church
   c. Shaw Heights Baptist Church
   d. Bonnie Doone Baptist Church

(Trinity, Calvary, Spring Lake First and Central, Eureka, Walstone and other churches could use this program.)

Volunteer workers should be enlisted, trained and assigned to perform work in these churches. Other churches may do a modified week-day program as described below.

From the following items ministries could be selected for reaching people for salvation and Christian development:

1. Education—kindergartens, day care, literacy classes, study hall for children, adult education
2. Clubs—mothers, fathers, teen-agers — graded by age and sex, activities for the aging.
3. Bible study—weekday Bible Teaching at all age levels
4. Human welfare—social, health, welfare projects, contacts with courts and the department of welfare
5. Visitation—with the purpose of knowing and helping, not just inviting
6. Recreation—athletics, etc.
7. Music—graded and expanded music program
8. Special activities—photography, sewing, cooking, ceramics, flower arranging, first aid, medical clinics, dental clinics, legal aid, handcrafts, library, mechanics, hat making, budget planning, lesson helps for school children etc.

IV. CATHOLIC INFORMATION

(a) Schedule an Associational Catholic information clinic

(b) Schedule an Associational inter-faith marriage conference.

V. JUVENILE REHABILITATION (Recommendation for the New South River Baptist Association copied from the report of Dr. L. William Crews, Director of Juvenile Rehabilitation, Home Mission Board) Section IV.

a. That the Association adopt the ministry of juvenile rehabilitation as outlined by the Baptist State Convention and the Home Mission Board.
b. That the Association secure a well qualified person to give leadership and direction to the ministry. This service could be established on a volunteer basis or part-time employment.
c. That an associational committee be appointed to serve as an action committee in developing and providing service to youth and families.
d. That churches appoint similar committees to meet any special need in ther respective communities.

e. That conferences be held with the court personnel to determine what services the association of churches can provide

AMERICAN BIBLE SOCIETY

"God's Word for a New Age" is the theme for the 150th Anniversary of the American Bible Society to be observed in 1966. It is also the theme of a program of missionary advance in which national Bible Societies throughout the world are seeking to provide greatly increased quantities of Scriptures urgently needed for mission work around the globe.

People must have the Bible because
it presents Jesus Christ, the one hope of men and nations.
Each person must have the Bible in his own language
because it speaks to his heart as no other language can speak.
In most countries, people **cannot afford even the cost of printing** the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave — and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves mission work at home and abroad, helps missionaries translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the Blind, it supplies Scriptures in Braille and other raised-letter systems, Talking Bible records, and tape recordings.

The goal for the years just ahead is to increase the total worldwide Scripture distribution to 150 million volumes per year, which is three times the recent global distribution, with half of this goal (75 million volumes per year) being undertaken by the American Bible Society. The long-range goals are:

A Bible in every Christian home
A Testament in every Christian's hand
A Scripture Portion for every reader
Supplies of Scriptures for Christians to share

During 1964 the American Bible Society—

—rejoiced that some part of the Bible has been published in 1,232 languages; the full Bible in 235, a Testament in 290 more, a Gospel or other complete book in 707 more — but counted over 1,000 more languages in which not one book of the Bible has yet been published.

—gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.

—continued special programs in Latin America for training laymen in Scripture distribution in their own communities and planned for similar work in Southeast Asia, India and Africa.

—distributed a record total of over 48 million Scripture volumes in 492

languages, in more than 130 countries — with almost half the total going to other countries and continued in the task of greatly increasing its annual distribution to meet urgent worldwide needs.

Southern Baptists Support the Work

Because the Bible Society serves mission work — and Southern Baptist missionaries depend on the Society for Scriptures they need for their people — Southern Baptists believe in the missionary importance of giving to the American Bible Society.

In 1964 Southern Baptist churches gave $190,334 to the American Bible Society and ranked first among all denominations. Gifts from all churches in the U. S. A. totaled $1,186,960.

The help of every Southern Baptist church is needed. **Southern Baptist churches can continue to lead — if every church will give.** Has your church given this year? Here are suggestions, based on what many churches are now giving:

Every church can give **at least** these amounts **each year:**	
Smaller churches	$ 10 to $ 60
Larger churches	$ 60 to $300
Great city churches	$300 to $600 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The day that North Carolina Baptist launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle Home in Albmarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two very vital avenues —— the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all-time high and exceeded $96,000.00. Through these gifts we were able to supplement from 80% to 90% of our needed residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

C. Parker Poole

BIBLICAL RECORDER REPORT

With serious moral issues facing us on every hand, Baptists need an accurate and comprehensive source of information. Secular papers cannot meet this need. These papers cover so many — sports, society, business, obituaries, entertainment, national and foreign affairs, to mention a few. All too often religion is found only on a Saturday church page — if at all.

In the past year those who look to the secular presses for coverage of Baptist events were disappointed on more than one occasion. The Southern Baptist Convention in Dallas and the Baptist World Congress in Miami Beach provide two examples. Even the best of the daily papers had no more than one article a day on these meetings.

Where can Baptists get coverage of these and other significant meetings? The BIBLICAL RECORDER, their dependable medium of information for 132 years. Typical of its service, the RECORDER devoted special editions to these important meetings at Dallas and Miami Beach. Many people who read these issues said they felt like they were there. This is the RECORDER'S job — to be our eyes and ears when we cannot be there.

In many other ways the RECORDER serves its readers. For example, a bill was introduced in the 1965 General Assembly that would have legalized distilleries in our state. Editorials in the RECORDER aroused our people and they, in turn, contacted their legislators. The bill was soundly defeated. A liquor-by-the-drink bill can be expected in the 1967 Assembly. Again, the RECORDER will keep you informed. With so many papers now accepting beer and liquor advertising, the question arises as to how they can give unbiased coverage to liquor proposals.

Let's talk money for a moment: The average Baptist family spends at least 50¢ to $1.00 a week on newspapers with little complaint. And yet, for only 4c or 5c a week — the cost of a stamp — the RECORDER can come into a home. If your church does not have a RECORDER club, please see that one is organized. Only four people are need to form a club. Better still, send the RECORDER to every family under the Church Budget Plan. Our Baptist people must be enlisted in the fight against evil. The best way this can be done is through the pages of the BIBLICAL RECORDER.

ASSOCIATIONAL MILITARY MINISTRY REPORT

Heretofore military ministries in the Association has been provided through the cooperative effort of the Home Mission Board and the Baptist State Convention. The Association is now nearing the end of its first year with a full time military personnel minister working collateral with the Associational Missionary and in cooperation with the Secretary of Military Ministries, Baptist State Conventon.

A definite increase in interest in this ministry is indicated by the fact that two churches from outside the military impacted area are giving financial support to two of the predominantly military churches. Five churches that had not before conducted mission Bible Schools joined in this ministry.

This year brought Rev. and Mrs. Yoshizu to North Carolina where they minister to the Japanese wives of our military men. Even though they are only in this Association two week-ends of each month they provide a Japanese ministry in three churches and thus far this year fourteen Japanese ladies have been baptized.

Of our churches in the military area, three have enlarged their facilities during the year and five others are in the planning stages of enlargement.

There are at least three areas needing a mission at the present time.

Our greatest need in this ministry are Baptist who are dedicated to the cause of Christ to the extent that they are willing to share His love through witnessing. Our greatest appreciation is for our pastors who are relentlessly striving for the manifestation of this degree of dedication in the lives of their people.

A Summary of specific work indicated:

Conducted two surveys
Taught four study courses
Led in visitation emphasis in churches for five weeks
Participated in program of Home Mission Week Ridgecrest
Delivered 32 messages and talks
Made 208 witnessing and soul-winning visits

REPORT ON EVANGELISM

Churches in the North Carolina Baptist State Convention reported 27,346 baptisms in 1963 and 29,725 baptisms in 1964 — a gain of 2,379 or 9%. Churches in the New South River Baptist Association reported 923 baptisms in 1963 and 935 baptisms in 1964 — a gain of 13. This year the churches in our Association reported _____ baptism — a gain (or loss) of _____ (or under) 1964.

The theme adopted by the Southern Baptist Convention for the year 1966 is "Proclamation and Witness." In our association this theme actually begins in October with the new associational year.

The President of the Southern Baptist Convention, Dr. Wayne Dehoney, has said: "The major issue facing us is whether the Southern Baptist Convention as the largest Protestant denomination, is going to accept its role and launch the greatest evangelistic thrust in history." No informed child of God would argue with Dr. Dehoney about this being the "major issue" before us. The purpose of our theme for the year ahead is to help get us aimed and moving toward this objective.

The evangelistic thrust needed now waits not on new methods but on new men. Men and women who have been made new in Christ Jesus and are totally committed and surrendered to Jesus Christ in mind, body and soul. Numerous materials and programs are available to the churches from our denomination. But each church should decide on the objective and course it is convinced the Holy Spirit has appointed for it to pursue in its witness for Christ in the community and the world today. Materials and helps in the work of evangelism may be requested as needed from the Division of Evangelism, Baptist State Convention, Raleigh, North Carolina, or from our missionary Rev. Charles Stevens, at the New South River Associational Office.

VACATION BIBLE SCHOOL REPORT — 1965

Our Association had three Vacation Bible School Clinics this year. Two of these were held the last of March at Roseboro and Snyder Memorial Churches. One was held at Grace Baptist Church on May 11th. The latter

was a make-up clinic, primarily for those who could not attend the earlier clinics. The clinic at Roseboro beginning at 3:00 P.M. had 91 in attendance. The one at Snyder Memorial beginning at 9:30 A.M. had 198 present, and the makeup clinic at Grace beginning at 3:30 P.M. had 47 present. The total attending the clinics were 336. Members of the Union Baptist Association (Negro) were invited to all three of these clinics. We wish to express our appreciation to everyone participating in the clinics, especially those who taught, helped with the preparations, or took part on program. Dr. C. R. Edwards, Pastor of the First Baptist Church, Moore Street and Rev. Richard Smith, with our State Sunday School Department were participants from outside our Association.

RECOMMENDATIONS:

1. That clinics of the future have two classes for each age group workers — one regular class for new workers and one "advanced" class for those who have attended associational V. B. S. Clinics before.

2. That people in the association who would like to help make our clinics "worthwhile" volunteer their assistance before the clinics instead of criticizing them afterwards.

3. That in the future our association have "joint" clinics with the Union Baptist Association (Negro) instead of just inviting them to come to ours. This will help to remind our selves and others of our oneneses in Christ. It will enable us all to learn from one another. Preventing redundancies, it will reserve needed energy, time, and money to be supplied to other missionary needs. It will put into practice what we teach our boys and girls in Bible School that God is no respector of persons. We feel that such joint clinics would more fully meet the Christian ideal, thus God's blessings could be for more than doubled.

SCHOOLS

We have reported to date 67 church schools and 26 mission or extension schools making a total of 93 schools. Four less than last year.

We are happy to report 10 standard schools, the same as last year. Standard schools this year were: Antioch, Bonnie Doone, Cedar Creek, First Spring Lake, Grace, LaFayette, Mt. Gilead, Stoney Point, Lake Lynn, and Walstone Memorial. Also seven schools were reported AA, four were reported A and eight BB, and eight B, and 25 CC and below.

All churches that did their best are to be congratulated. All churches that failed to put themselves into their VBS are to be shamed and pitied. VBS can be one of the most powerful instruments in our churches for reaching and teaching people if we will really let God work through them.

Would to God that each of our churches have the best possible VBS next summer and plan at least one mission or extension school. To do greater work for God's glory next summer, let us begin our preparations now.

Prayerfully Submitted,
Roy L. Hood, VBS Superintendent

THE REPORT OF THE N. C. BAPTIST FOUNDATION, INC.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's lifetime

and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gift annuity, and (3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasizing the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures in Heaven," on Christian will making, which are available to any organization upon request.

REPORT ON BAPTIST HOSPITAL

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors, because they had problems which were difficult of diagnois or treatment, and needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians, pastors and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose; when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

REPORT ON SEMINARY EXTENSION

During the past year the Seminary Extension Center operated at three different locations in our association, offering to the students three courses.

The locations, courses offered, and the teachers during this past year were:

Salemburg Baptist Church, Salemburg: New Testament — Rev. Jim Langford.

There were 28 students completing these courses, receiving credits toward their Christian education.

At the present the Center is operating at First Baptist Church Fayetteville, offering a course in Evangelism.

We want to thank the teachers of these courses for their unselfish devotion and time which they gave for the advancement of our Christian education.

It is hoped that all pastors and church leaders will see the Center as a great training program for our Baptist people. Your support and encouragement is requested that we may continue to offer these courses in our Seminary Extension Center.

ASSOCIATIONAL MISSIONARY'S REPORT

This has been a year of unprecedented challenges and opportunities. While progress has been made in some areas of the work, it does seem to be so little compared to all that needs to be accomplished.

Several steps were made this year that have proven very valuable.

Brother James Sasser was called to work with our Association primarily in the field of Military Personnel Ministries. Since coming into the work impetus has been given to reaching the multitudes in our area while

being a strengthening influence in this same work across the state.

During this year our Association strengthened the work at the Lake Lynn Mission (formerly Community Baptist) by approving the sale of bonds amounting to $60,000. Their new building has been occupied and progress is being made in reaching the Lake Lynn Area for Christ.

Christian concern and encouragement of one fellowship for another has been evidenced by churches miles away from the military impacted area giving financial support to two groups in the greater Fayetteville Area. This joint-relationship of churches laboring together voluntarily is one area of involvement that has been by no means utilized to the fullest.

This has been our first year in the use of the Associational Stewardship Development Program. Over 250 leaders from at least 52 churches and missions across the Association attended the leadership supper, September 13, at the First Church Fayetteville. The emphasis has been to encourage our churches to adopt the percentage basis of giving through the Cooperative World Missions Program and in support of the Association. Our churches are encouraged to give at least 3% of total church offerings to the Associational Program and at least 10% through the Cooperative Program.

A study of our Association is being completed now by personnel of our Home Mission Board and the State Convention. This study will enable us to more thoroughly chart our course for the years ahead.

The financial response to the Associational Program this year has been an indication of deepened concern and increased interest in reaching the multitudes for Him. Our people are becoming more involved in the total program. For this we are deeply grateful.

My appreciation for the dedication and faithfulness of Brother Sasser and Mrs. Phillips, our other staff members, can never be adequately expressed. Their patience and understanding, as we have worked together, has been an inspiration and a constant source of encouragement. Without their commitment to His service, much that has been done this year could have never been accomplished. Continue in prayer for us as we seek even more fully to serve you in our Association and the cause of Christ around the world.

During the year I visited at different times in more than thirty churches and missions with specific responsibilities in 37 churches. I participated in studies in the book of Deuteronomy in three churches, with Revivals in four others in our Association. I have had personal conferences or personal contact with individuals in almost every church during this Associational year. During the coming year I plan to visit more extensively in all our churches as far as possible.

Charles A. Stevens

REPORT ON CHRISTIAN EDUCATION

North Carolina Baptists have every reason to be proud of the growth and outstanding contribution of the seven Baptist colleges in the State. Last year reflected the same rapid growth that previous years have shown. The enrollment of these colleges is presently nearing 11,000 young men and women taught by 900 dedicated faculty members. Among the student bodies are 509 Christian young people who are preparing themselves for church-related vocations.

Our Baptist colleges are not concerned merely to impart facts. They strive to provide activities whereby the whole person is developed to his uttermost capabilities Strong academic training presented by a scholarly

faculty according to the most up-to-date teaching methods is balanced by a moral and spiritual interest.

Student costs constitute one of our colleges' major problems. Last year at the Baptist State Convention of North Carolina, Mr. Ben C. Fisher, Executive Secretary of the Council on Christian Education, reported that our colleges meet their budgets from the following sources of income:

Tuition and fees	43 %
Auxiliaries (dormitory rent, dining hall, book store)	40 %
Endowments and gifts	9.5%
Cooperative Program	7.5%

This means that 83% of the costs (not including capital improvements) are passed on to the students. Tax supported schools get about 54% of their operating costs from the state. The answer to the needs of our Christian colleges, however, lies in the Cooperative Program. It is the lifeline to our colleges. This annual endowment of $33,000,000 provides the guaranteed income to maintain accreditation with the Accreditation Agency.

Crises such as the ones our colleges now face must be met with positive action on the part of the churches they look to for support. The churches are challenged to increase Cooperative Program giving, realizing that 25% of every distributable dollar kept in North Carolina goes to our colleges. Furthermore, the churches are challenged to include Christian Education Day (Father's Day) in their plans for special offerings.

It is with gratitude that we observe in the New South River Association's Digest of Letters, 1965, that our Cooperative Program giving is up by $14,946 and our gifts to Christian education are up by $1,476.00. Pray that this is but an indication of our future intentions.

SUNDAY SCHOOL REPORT

The Great Commission of our Lord continues to be the marching irders of Christians in this twentieth century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things . . . "

The Sunday schools of our churches have been assigned the tasks of teaching the Bible, reaching the unreached, leading all church members to worship, witness, learn, and minister daily, furnishing workers for various projects, and interpreting the work of the church and denomination — thus helping the church in its basic functions of worship, proclamation, education and ministry.

Southern Baptist Sunday schools are seeking to enroll ten million by 1970. In order to achieve this goal, we must have an enrollment gain of approximately 30% in the next five years. We are challenged to have an enrollment of one million in North Carolina by 1970. Outreach must have priority.

We are asking each Sunday school in our association to accept a net enrollment increase of 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday schools as we show compassionate concern for the unreached. Evangelism, stewardship, missions, discipleship — all wait upon outreach.

These enrollment gains can be realized by organizing new Sunday schools (a new Sunday school will gain 30); the organizing of Extension Bible Classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and Young People Away departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday school.

If we will follow the simple growth formula advocated many years ago by Dr. Arthur Flake — locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people — we will reach more people for Bible study; our baptisms will increase; Christian stewardship will become a reality; and our churches will be strengthened.

Along with an increased emphasis upon outreach, each Sunday school is urged to observe January Bible Study Week, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities for training; to cooperate in the Adult Thrust movement, to participate in the associational Sunday school projects — clinics, conferences, en-

largement campaigns; and to attend the Sunday school weeks at Caswell and Ridgecrest. When our Sunday schools begin moving forward, our churches will move forward.

The Sunday schools in the association reported a total enrollment of _____ as compared with _____ in 1964.

TRAINING UNION REPORT

These are exciting days for the ministry of Training Union. Many new ideas, new material, and a new seriousness to our need for Christian training are coming to us through our Training Unions.

This year has been a busy year for Training Union in our Association. Your Training Union Director and other officers in your Association have visited 37 churches, assisted in the organization of two new Training Unions, nine new unions, traveled over four thousand miles, taught in five study courses and four training briefing meetings in four Associations. Has attended two state Training meetings and plans to attend the Training Union Conference in Nashville in October, for a week's study on new Training Union work.

We had 18 churches represented in our tournaments with 61 people in one or more of the tournaments. We are sorry to report that we had no Adults entering our Bible readers tournament. We are proud to have one of our intermediates reach the State Finals.

Our goals for next year are to have all our churches with a Training program with an enrollment of 6,500, "M" Night attendance of over 1,000. We are planning to have a good youth program organized by January for all our young people in the Association.

May I urge each of you to study and stay up to date with current Training Union materials, especially the Training Union Magazine. This is essential in order to know what is going on in Training Union work.

Also may I thank each of you for your prayers, assistance, and support in carrying on our Training Union work. I would like to pledge you my best during the coming year, and beg you to support and use your Training Union as a means toward a more effective Christian Witness through the local church.

W. H. Ledbetter, Training Union Director

STATE MISSIONS REPORT

Through State Missions you are doing four great works commended to you by our Lord in the Scripture. Some of the opportunities we are making use of in four great areas of State Missions are: (1) Preaching the Gospel, (2) Healing the brokenhearted, (3) Teaching the handicapped and (4) Setting at liberty the bruised.

I. PREACHING THE GOSPEL

During the years that Baptists have operated the preachers' school at Fruitland, approximately 700 pastors have received certificates. These have gone forth preaching the Gospel with fervor and better training because of State Mission.

Fruitland Baptist Bible Institute was established by the Baptist State

Convention of North Carolina for the specific purpose of helping God-called men who have not had opportunity to go to college and seminary. We have many who have only grammar school and/or a high school education.

Through the State Missions Offering, you have an opportunity to help these capable and consecrated Christian leaders at Fruitland.

II. HEALING THE BROKENHEARTED

Literally hundreds of the brokenhearted are helped by your State Missionaries each year. Through your rescue homes, as well as other areas of State Missions, these individuals and their families are ministered to in the Name and Spirit of Jesus Christ.

III. TEACHING THE HANDICAPPED

You are teaching the deaf through State Missions. Through your two State Missionaries to the deaf, Jerry Potter and Neal Peyton, you are teaching these in the churches, over TV, and in many homes.

These State Missionaries to the deaf conduct classes in the sign language of the deaf so that memberes in local churches may teach Sunday School classes and interpret the sermons for the deaf.

IV. SETTING AT LIBERTY THE BRUISED

Your State Missionaries minister to the spiritual needs of the prison inmates. Many of them feel that they have been forgotten and left to die. Through State Missions you give them love, understanding, and hope for the future.

CONCLUSION

Through State Missions you are preaching the Gospel, healing the brokenhearted, teaching the handicapped, and setting at liberty the bruised.

HOME MISSION REPORT

Most of the field work of the Home Mission Board is carried on in cooperation with the respective state conventions. Every part of our homeland is served, to some degree, by one of the 29 existing state conventions, so the need for cooperation in missionary work at home is readily apparent. In 1959 the Southern Baptist Convention urged the Home Mission Board and the State Conventions to work together in developing a single, uniform program of missions in the homeland. This has been accomplished.

In cooperating with the younger state conventions, normally the Home Board provides financial assistance for all the convention — related missionary work done within the respective state. In cooperating with the older and established conventions, usually the Board provides financial subsidies only for types of work requiring workers with specialized training, such as Christian social ministries, language missions, and work with National Baptist, and then only when requested by the state body.

In working with each of the states, the Board serves as a unifying center for many types of Home Missions work, such as: Metropolitan Missions, work with the deaf and with National Baptist.

The Board also becomes a missionary resource for the State Missions

offices. The services of specialists in the fields of pioneers missions, rural work, Jewish Ministries, Juvenile rehabilitation, literacy missions, area surveys and establishing new churches are available to conventions and churches.

To all cooperative relationships the Board brings a national perspective, pointing out needs and suggesting solutions.

Within this framework of cooperation in Home Missions tasks, the Home Mission Board seeks to face up to the crucial and multiplying spiritual demands of our day.

REPORT ON FOREIGN MISSIONS

Total contributions of Southern Baptists for foreign missions amounted to $23,891,502.85 during 1964, and yet at the year's end there were still requests from organizations of Southern Baptist missionaries for more than $3,000,000 for urgently needed land, buildings, and equipment.

Mission work is carried on through various institutions on the mission field, churches, schools, hospitals, publication plants, good-will centers. All work together and the ultimate goal of all is evangelization. All missionaries participate in the work of the churches where they are stationed regardless of their institutional duties.

The mission staff of the Foreign Mission Board at the close of 1964 was 1,901. There were 159 appointments during 1964. Preparations are being made for launching the Missionary Journeyman Program for single college graduates under 27 years of age. There is great need for missionaries in field evangelism and church development, theological education, nursing, student work, and religious education.

Educational work offers opportunities for evangelism, and also trains a strong national leadership. The 1,110 Baptist Schools which enrolls 174,350 students are served by 5,412 national and 362 missionary teachers.

In medical work the primary aim is the healing of the whole man, both spiritually through a personal knowledge of Jesus Christ, and physically through the best possible practice of medicine. Medical mission institutions include 20 hospitals and 49 clinics and dispensaries with a total of 1,385 beds. There are 65 missionary and 104 national physicians plus 50 missionary and 256 national nurses.

Strong churches need not only trained leaders but also literature for evangelism and religious education. Twenty publishing centers produced 15,632,427 pieces of literature during 1964. These included periodicals, tracts, and books. Sixty-five missionaries and 321 national serve on publication staffs.

The Foreign Mission Board's home office is at 3806 Monument Ave., Richmond, Va., 23230. The Foreign Mission Board's magazine "The Commission" reported an average circulation of 87,818 last year.

"A new program of advance calling for 5,000 missionaries at the earliest possible date was set before Southern Baptists at the meeting of the convention in Atlantic City. Missions advance is projected with confidence that God will call workers into His harvest, and Southern Baptist will respond with resources to undergird their ministry." — Baker J. Cauthen, Executive Secretary, Foreign Mission Board.

ANNUITY BOARD

The Life Benefit Plan

The life benefit plan was inaugurated on October 1, 1964 to meet the need for supplemental life protection for our pastors and denominational employees, and has already achieved phenomenal success with more than ten thousand active participants. It affords protection ranging from ten to thirty thousand dollars for death under age 46 with graduated benefits thereafter for dues of $3.34 to $10.00 per month. It is still open for membership.

The Health Benefit Plan

The Health Benefit Plan is an all-inclusive program of hospital, surgical and major-medical protection which is now being offered. The target date for the beginning of this plan is October 1, 1965. Five thousand applications are required by September 1, in order to put this program into effect.

Benefits Paid

Since the beginning of the Annuity Board in 1918, almost 47 million dollars have been paid in relief and annuity benefits to the men and women of God who serve Southern Baptist. In 1964 alone, 3½ million was paid out to ministers and denominal workers for their families.

Members in Annuity Board Plans

Today more than 16,352 churches are in the Protection Program for their pastors. Approximately 10,000 of these churches are paying the total 10% dues.

There are seven states with 70% or more of the churches in the plan. At the present time North Carolina has 46% of the churches in the Protection Program for ministers. We have 71 churches in our association and 45 of these are in the Protection Plan for their pastors. This is a percentage of 64% for our association.

For further information, write the Annuity Board, 511 North Akard, Dallas, Texas 75201, or Rev. Guy Cain, 301 Hillsboro Street, Raleigh, N. C. 27600.

REPORT OF HISTORIAN

The South River Baptist Association had its beginning close to the year 1875 and its First Annual Session in the fall of 1876. At this time, in this Association, Pineland College (1875), now Southwood College (1965), had its beginning in Salemburg, N. C. More than 400 were enrolled in this state accredited Junior College and southern accredited High School in September 1965.

In 1924 the South River Baptist Association united with the Cumberland Baptist Association and made the New South River Baptist Association a reality. During this year there were fifty churches reported with 5,920 members, 250 baptisms, 5,968 enrolled in Sunday School, $39,273 given to local work, $18,782 given to denominational causes other than the 75-million campaign gifts. During the year 1964 (some 41 years later) the number of churches totaled 71, missions 7, members 23,385, baptisms 930, enrolled in Sunday School 20,297, expended for local work $1,111,605, and given for all mission work $206,363.

What will our total record be for 1965 (our 42nd Annual Session)? We shall listen with keen interest to these reports at the Annual Session at Mingo, October 20, and Grace Baptist Church, October 21, 1965. We shall be grate-

ful to our Associational clerk for the historical facts gleaned from the letters from the churches in 1965 and included here in this report. We hope every church and mission will report their special accomplishments for His glory during this challenging year.

R. F. Marshburn, Historian
